FAB Awards (Fair Achievement Bag/Box/Etc.)

With the "FAB Awards" it is our goal to recognize and reward 4-H'ers who have participated in the fair, but may not have received a trophy or other award. We want to acknowledge these efforts by providing a small project related gift to one member in each division. This member will be selected through a drawing and will only be eligible if:

- They have not received a trophy or other award in the named 4-H division
- A 4-H member may only receive one FAB award per year, regardless of division
- One FAB award will be awarded for each division, regardless of the number of entries in named division
- No entries in a division, no FAB award will be given
- Regardless of the number of entries, a 4-H member has in a division, his/her name will only be put in the drawing once
