

## Tri-Rivers Fair 4-H Photography ID Form

1. Fill out the attached ID form, cut off (do not trim edge), and attach to the photo mount board. Use 1" wide masking tape – fold tape around edge of mount; **do not stick tape to front of mount.**
2. Place a Tri-Rivers Fair entry card (provided by the District 4-H Salina Office) to the back of the photo mount board.
3. Photography entries must be mounted according to District Fair Rules. Studio mount board must be used. Use the illustration on the following page as a guide for correct photo and ID form placement. Mounting location is 1" down from the top and centered on the board.
4. Correct mounting adhesive must be used – use only adhesives designed for permanent photography mounting. Do not use rubber cement or other household glues.
5. Remove white border from the enlargement before mounting. Be sure to check the size of the print before mounting. **It must not be smaller than 7" x 9" and not larger than 8" x 10".**
6. Photos improperly mounted (location, size, border not removed, etc.) will have their ribbon placing lowered one place.
7. For **Class 674 only – Digital Composite Image**. Photo must be from an original taken by the exhibitor. Exhibitor must include a second 11 x 12 ½ matte board mounted with a standard size print or prints (if more than one photo was used) of the original photo(s) and 3 x 5 card explaining what manipulation was done. May include additional photos (standard size and may be layered) showing editing steps. Place both matte boards in photo bags.
8. Print your name, address, and Extension Unit (County or District/County) and location where the photograph was taken on the back of the matte board.
9. Read and follow the rules in the Fair Paper. The rules in the current Fair Paper will always take priority over any other rules.

# PHOTO DISPLAY INSTRUCTIONS

**NOTE:** Use only adhesives designed for permanent photography mounting. Do not use rubber cement or other household glues (white glue, etc.).
