HAPPY NEW YEAR!

The month of October begins a new 4-H year. It is time to set those goals for the new year. Some basic steps for goal setting are:

Step 1: Decide what you want to achieve.

Step 2: Set a deadline.

Step 3: How will you know if you have achieved your goal? What will be different?

Step 4: What are the things you need to do to achieve your goal?

This is a very exciting time in 4-H—new officers, new projects, new leaders, and hopefully new members! Remember to make recruitment one of your goals this year!

2018-19 4-H ENROLLMENT DETAILS

Kansas 4-H will continue to use the online enrollment system this year and it will require everyone (Cloverbuds, 4-H Members, Registered Volunteers, and Prospective Registered Volunteers) to enroll online. The enrollment system will open on October 1. Here are some helpful hints and tips as you enroll your child(ren) and yourself (if a current or soon to be registered volunteer) online:

- Each family should have received (or will receive) a brochure from their 4-H club organizational leader with directions on how to re-enroll or enroll in the 4HOnline system.
- You will need to use either Google Chrome or Mozilla Firefox as your web browser. If you are using a Mac, iPad, iPhone, Android device, etc., you will still need to use Chrome or Firefox instead of Safari, Internet Explorer, etc.
- We strongly encourage a parent to enroll the 4-H member(s). This can be a joint effort with both the parent and youth. A parent will need to complete the health information online.
- Please make note of the email address and password you use (only one required per 4-H family). You may want to write it down and place it in a secure location. You will need this information for your child(ren) to add and drop projects, update information in case you move, re-enroll next year, etc.
- As you complete the enrollment process, PLEASE READ ALL of the directions thoroughly. DO NOT make assumptions.

- Be sure to allow enough time when you begin the enrollment process. You DO NOT have to complete the enrollment all in one setting. It will take an average of 20 minutes for a family with one child to enroll and approximately 5-7 minutes for each additional child (times are approximate). **Do not forget to hit the SUBMIT BUTTON to record the information in the 4HOnline system.**
- The youth will need to be added as a volunteer if they are an officer, project leader, etc.
- ONLY Registered Volunteers (or potential registered volunteers) will need to enroll at the same time as their child(ren). They will need to indicate their volunteer status at that time.
- Be sure to have the list of projects your child(ren) want to enroll in when you get ready to enroll them. A list of the current projects should have been given to you by your organizational leader at the October 4-H meeting. If you have misplaced the list or were not at the October 4-H meeting, you may find a list of projects here <http://www.centrankansas.k-state.edu/4-h/> under 4-H Information. Youth must enroll in at least one project. **Do not forget to hit the SUBMIT BUTTON to record the addition of projects.**
- CLOVERBUDS will need to enroll online as well. They should select the “Cloverbud participant” as their project. If other projects are selected, the projects will be deleted before their enrollment is activated.
- **4-H PROGRAMMING FEE**
 - Who pays the \$15 Kansas 4-H Programming Fee? Organized community club members and independent 4-H members, ages 7-18. Cloverbuds do not have to pay the fee. There is no family cap.
 - The fee will be collected beginning with enrollment at 8 a.m. on Monday, October 1, 2018.
 - Members may apply for a waiver to pay the program fee when they enroll.
 - Payment options include: debit/credit card; check; sponsor; waiver.
 - The Program Fee is NOT tax deductible since it is paying for specific individuals.
 - The Central Kansas District has not secured a sponsor to pay for the Kansas 4-H Programming Fee at this time. **Therefore, families will be responsible for paying the fee.**
 - If your club has voted to pay the programming fee or any portion of it, be sure to check with your Organizational Leader to know how your club will be handling the payment of the fee.
- Because each club is different with the items the new potential members and cloverbuds must meet, the Organizational Leaders will have to approve each 4-H member and cloverbud’s enrollment before we will accept the online enrollment. Therefore, families will not receive an “active” enrollment email until after October 15.
- **No enrollment will be complete until the online enrollment, health information has been completed and accepted, and the \$15 fee has been paid.** Please note: If 4-H members want to participate in 4-H Club Day on February 16, they will need to make sure to submit their online enrollment and health information by 11:59 p.m. on December 1. DO NOT wait until the last minute to enroll!
- Since the Organizational Leaders will need to approve each 4-H member and cloverbud’s enrollment, leaders will be notified shortly after December 1 of those who have completed the online enrollment. Organizational Leaders must let us know by the deadline established in the email who we can approve. Those individuals will then be able to participate in 4-H Club Day.
- Do not forget to hit the SUBMIT BUTTON to record the information in the 4HOnline system anytime you make changes to a profile.
- If you do not have a computer or access to the internet, you may go to your local library to enroll your child(ren).
- Once the enrollment is complete for everyone in your family, you are **strongly encouraged** to print out the enrollment information. In order to do this, go to the “Member List” window (as seen on the next page) and select the member and report to run (Member – Enrollment History). This should be done **every time** you go into your profile and add or drop a project.
- You can go into your profile anytime throughout the year to add and drop projects.
- If you have any questions, please contact either Extension Office.

CLOVERBUD POLICIES

- ✿ To be eligible to participate, a child must have celebrated his or her 5th or 6th birthday before January 1 of the current 4-H year. When a child reaches the age of eligibility for traditional 4-H programs (age 7 or older before January 1 of the current 4-H year), the child and his or her parent(s) or guardian(s) can decide whether to transition their child into 4-H club membership.
- ✿ Must complete 4HOnline enrollment.
- ✿ Cloverbud participants do not have to pay the \$15 Kansas 4-H Programming Fee.
- ✿ May exhibit items at the county fair under the Cloverbud Division — may receive a Cloverbud ribbon, no premium.
- ✿ Membership is not counted toward 4-H years.
- ✿ Districtwide meetings will be held at the Salina Extension Office and will be adjusted as needed. Look for information in the 4-H Newsletter.
- ✿ Kansas 4-H Cloverbuds are not allowed to exhibit livestock. The 4-H Cloverbuds program is tailored to youth, with concerns for a child's physical, mental and emotional development. The physical difference in stature between a child and livestock can endanger a child. A child's maturity level and lack of understanding of animal behaviors also can increase the risk to the child. While a child may seem capable of handling livestock on the family farm and/or in familiar settings, managing livestock in a public setting can add stress and increase the risks for the child, the livestock and others who may be in the area. Allowing a young child to exhibit livestock in a public arena also increases the liability for all concerned.
- ✿ For more information on the Cloverbud Program and for a Question & Answer sheet, go to <http://www.centrankansas.ksu.edu/4-h>, Cloverbuds (on the left hand side of the page).

2019 CENTRAL KANSAS DISTRICT 4-H COUNCIL COMMITTEES

As we all know, committees are where the work gets done in an organization. It is said that many hands make light work! It is important that we have ample committee members to accomplish the work at hand, otherwise opportunities are missed and things do not happen. The Central Kansas District 4-H Council Committees operate on a January – December calendar.

According to the Central Kansas District 4-H Council Constitution and By-Laws, each club should have four (4) elected 4-H members to 4-H Council and two (2) elected alternates. Each club should also have two (2) adult members. The above mentioned individuals must serve on a 4-H Council Committee. **If they do not complete the 4-H Council Committee Online Request by November 1, 2018, they will be assigned to a committee.**

Everyone DOES NOT have to be on 4-H Council in order to serve on a 4-H Council Committee. We encourage 4-H members and adults of all ages to serve on a 4-H Council Committee.

The 2019 4-H Council Committees are:

- | | |
|-----------------------------------|--------------------------------|
| - Finance & Fundraising | - Social |
| - 4-H Club Day | - Ottawa County Fair |
| - 4-H Celebration of Achievements | - Tri-Rivers Fair |

CAN PROJECTS BE MADE AT SCHOOL?

Concerned about managing time and resources? You might consider combining 4-H and school projects. However, a few guidelines must be considered before combining, as a definite “yes” or “no” cannot be given across the board for all projects. To legitimize the option of projects serving dual roles answer the following questions:

1. Will you plan ahead of time to correlate the projects for better use of time and money?
2. Will the 4-H project you are enrolled in have similar suggested learning requirements as your school class?
3. Will the project be a part of the suggested learning and/or requirements in both the 4-H project and school projects?

If you can honestly answer YES to the above questions, then you can legitimize combining the two projects.
HOWEVER...

1. If you wait to enroll in a 4-H project after the school project is completed and select a “project” that fits the completed school project...or
2. If you do no advanced planning but instead decide at the last minute to enter the completed school project at the fair because it's done. . .then. . . the project is not considered eligible as a 4-H project.

Take time now and pre-plan...it will save confusion in the end.

Note: There may be some specific rules for exhibiting at the county fair (i.e., if you enter an item you made at school, you may also have to enter an item you make at home). Please refer to the fair paper as soon as it is available to make sure you are able to meet the requirements for exhibiting at the fair.

4-H COUNCIL FUNDRAISER– SALINA AREA CLUBS

Materials for the Red Wheel and Fudge (The Sweet Granada) Fundraiser were handed out to the Organizational Leaders at the September 4-H Leader Update. This is a fundraiser for 4-H Council which funds scholarships to 4-H Camp and other 4-H trips, pays for awards at the 4-H Celebration of Achievements, and more! Don't forget that on the 4-H Council Scholarship Application there is a requirement of selling at least 3 items for any fundraiser to count on the application. Keep this in mind as you are selling the products. Also, do not forget that if you sell \$300 or more worth of product, you will be eligible for the ride around Salina to see the holiday lights AND if you are one of the top ten sellers, you will receive a scholarship to attend a 4-H event for the 2018-19 4-H year.

Interested in serving as a Districtwide Leader for a project?

Let Sarah (semaass@k-state.edu) know by October 19.

FUNDRAISING AGAIN?! WHY?!

The first and most obvious goal of fundraising is gathering funds. It's simply asking others to help us reach a financial goal we can't reach by ourselves. The majority of funds raised in our district go toward scholarships. Through the generosity of others, kids of all ages get to participate in extraordinary programs to not only develop project knowledge but, more importantly, quality character skills. 4-H is second to none in developing confidence, social skills, communication skills, teamwork mentality, and respect for the world around them.

But there are also many other benefits to fundraising that often go unnoticed—because they benefit us, the fundraisers, not just the kids receiving the funds.

Fundraising teaches us to see (and feel) the needs of others. District fundraising is not about gaining personal wealth, but about benefiting the entire group.

Being responsible for someone else's money is another crucial lesson in fundraising. Accountability and trustworthiness are sorely lacking in many workplaces today, and should be essential character traits of all 4-H'ers. Correctly filling out an order form and delivering the final product in a timely manner are also responsibilities that each 4-H'er needs to perfect. The IRS appreciates little details like that and so will future employers.

While focusing on helping others should be a priority, there is also something to say for personal effort put forth to reach a goal. A child who wants to attend a national 4-H event should not just expect a thousand dollar hand out just because they asked. That child should be putting forth the most effort, doing their part to fund that goal. The goals we work the hardest to accomplish are the experiences we learn the most from and remember the longest.

Fundraising is not just about money. There is so much more we can gain from it, if we invest the time in doing it like a 4-H'er should.

DISTRICTWIDE SERVICE PROJECT

Central Kansas District collected hygiene supplies for area children in conjunction with the Central Kansas Mental Health Center during the 2017-18 4-H year. The Central Kansas Mental Health Center provides services to children and families in Ottawa and Saline Counties (as well as Dickinson, Ellsworth, and Lincoln counties). They currently have a need for hygiene supplies for their Martin Youth Center where children often have nothing with them upon arrival. Central Kansas Mental Health Center provides each child with hygiene supplies upon admission.

Clubs were encouraged to donate items and received points. The final results are in and they are:

Boldly Go – 650 points (1st Place);

Cardinal – 256 points;

Friendly Valley - 30 points;

Rolling Meadows – 623 points (2nd Place);

Smoky View – 476 points (3rd Place);

Solomon Valley – 279 points;

Sunny Valley – 35 points;

Willing Workers – 166 points; and

Woodsdale – 156 points.

The first place club will be contacted within the next month on the details of their prize. Thank you to all who participated in this service event!

BUILDING STRONG 4-H CLUBS

The First Impression...clubs have only one chance to make a first impression! Let's hope it's a positive impression because if new members don't feel comfortable right way with the club they won't come back. Therefore, let's make a plan to have a welcoming environment where young people and adults feel accepted.

- ✿ Create a plan for welcoming new members...this may include assigning an adult volunteer or family to serve as the club's New Family Coordinator.
- ✿ The New Family Coordinator arrives early to meet the members and guests at the door. They might even have name tags available for members and a "4-H Greet Sheet" <http://www.kansas4-h.org/Resources/Clubs/GreetSheet.doc> for the guests.
- ✿ During the 4-H club meeting, the New Family Coordinator introduces the guests and assists them in understanding what is happening.
- ✿ After the meeting, the New Family Coordinator may follow-up with a postcard, phone call or email for thanking the guests for attending and answering questions.
- ✿ If guests become members, the New Family Coordinator can explain and answer questions about 4-H. The New Family Coordinator can become the new member's life-line to the 4-H club.

Providing a welcoming environment for new members keeps a club growing and thriving. Interested in learning more about the New Family Coordinator the Strengthening 4-H Club resources <http://www.kansas4-h.org/resources/4-h-library/4-h-clubs/strengthening-clubs-1/index.html>

4-H MEMBERSHIP AND RECRUITING

Anytime of the year is a good time to talk to people about 4-H, but the beginning of a new 4-H year is the perfect time to recruit new club members! 4-H membership is open to all boys and girls between the ages of 7 and 18 (4-H age, before January 1, 2019. If a youth turns 7 after January 1, 2019, then he/she is considered a cloverbud until the next 4-H year.). 4-H does not discriminate on the basis of race, color, national origin, religion, sex or disability. A member may join anytime during the year. Any 4-H member who turns 19 before January 1, 2019 may not rejoin for the 2018-19 4-H year. If you have potential members who have visited your club, please let the Extension Office know the child's name, address, age, phone number and parents' name. Also remember that you can pick up visitor and new member packets at either Extension Office.

NEW YEAR, NEW BEGINNINGS

Dear 4-H Families,

Can you believe it is time for a new 4-H year to begin? For me, time sure does seem to be flying by! Don't let time be your enemy when it comes to opportunities for you and your child(ren). Every 4-H Newsletter is full of information. Please take time to read through it and make note of any deadlines.

Now is the time of year to begin to start setting goals for project work, personal leadership growth, and much more. Be sure to plan out the 4-H year now by referring to the master 4-H calendar, pin applications, etc. No time like the present to make a plan!

This year we moved towards more of a "paperless" concept. You will need to download your own master 4-H calendar, pin application, etc. Your club leader will have a page that will direct you where you can find all the important information. Or, you can find this information at <http://www.centrankansas.k-state.edu/4-h/> under 4-H'er Forms & Documents Important Documents for 4-H Families (2018-19).

As always, if you have any questions, please do not hesitate to contact your club leader or the Extension Office. We are here to help in any way we can.

Happy New 4-H Year!

Sarah
