## Income-Related Monthly Adjustment Amount (IRMAA)

Since 2007, people with Medicare with higher incomes have paid a higher Medicare Part B and D monthly premium. These income-related monthly adjustment amounts (IRMAA) affect roughly 5% of people with Medicare.

Listed below are the 2024 Medicare beneficiary Part B and Part D income-related monthly premium adjustment amounts. Premiums are based on 2022 income (taxes filed in spring 2023).
