ONLINE RESOURCES

Websites
Did you know that we have a District website (http://www.centralkansas.ksu.edu)? Several forms and other pertinent 4-H information can be found here (under the 4-H Youth Development link). You can also browse our website for information on other topics, such as crops, horticulture, food science, financial management, etc. Sarah would like your input on what you would like to see on the 4-H Youth Development pages. Email her your comments and suggestions at semaass@k-state.edu.

Also, there is another website that you may find helpful. This is the Kansas 4-H website (http://www.Kansas4-H.org). You will find more information on several state events and activities. Please note, before you utilize any forms from this website, please make sure that our District uses the same forms. Sometimes our District uses different forms. For example, the District uses different Achievement Pin applications than the state.

HOW MUCH RED WHEEL HAVE YOU SOLD???
Have you ever received a scholarship for a 4-H Camp? Did you have fun while you were there? Did you learn something new or make a new friend? Do you think other kids would enjoy doing it too? Those scholarship funds came directly from Red Wheel sales. The more you sell, the more kids get to experience all the great 4-H opportunities of camp and workshops and other unique 4-H events. You’re not just selling frozen food—you’re selling the 4-H experience for someone who wouldn’t have it otherwise!

4-H CAMP AND 4-H ROOKIE CAMP NEWS
The dates that were published in the Master 4-H Calendar for 4-H Camp and Rookie 4-H Camp are incorrect. We are still waiting on the dates to be finalized. We hope we will have the official dates determined by the December/January 4-H Flash.
CITIZENSHIP WASHINGTON FOCUS (CWF) 2016
Citizenship Washington Focus for 2016 will be held June 16-27. Each year, up to 46 Kansas 4-H youth and 5 adult sponsors get the opportunity to be a part of this extraordinary learning experience on the road to the heart of our nation’s capital. Any 4-H’er, 15-18 years of age (4-H age as of January 1, 2016) who is responsible, demonstrates leadership qualities, including self-discipline and sense of group responsibility, interested in returning home to apply citizenship concepts to their own lives and the lives of those around them, AND committed to sharing what they have learned should apply. Applications will be ONLINE again this year. Go to http://www.centralkansas.ksu.edu/ and click on 4-H Youth Development. On the right hand side there is a link to State 4-H Registration, click on the link and it will take you to the webpage where you can register. Registration will close January 15, 2016, or when spots are filled. A $250 deposit is required with the registration and should be turned in to either Extension office shortly after you register online. The total cost of this trip is $1,675 and will be due by April 15, 2016. The anticipated 4-H Council scholarship is $650, but that will not be known until after the January 4-H Council meeting. To be eligible for this scholarship, do not forget to complete the 4-H Council Scholarship Application (http://www.centralkansas.ksu.edu/ 4-H Youth Development, under 4-H’er Forms and Documents) and turn in to the Extension Office by the deadline or shortly after you register online.

OTTAWA COUNTY FAIRBOARD LOOKING FOR 4-H MEMBER AND ADULT REPRESENTATIVE
The Ottawa County Fairboard is looking for at least one 4-H member and one adult to serve as 4-H representatives to the Fairboard. They would be expected to attend the January/February and September meetings and help out at the fair. For more information or if you are interested in serving in this role, contact Eric Klein at 785-392-0368 or eric.klein@producershybrid.com.

PRUDENTIAL SPIRIT OF COMMUNITY AWARD
The Prudential Spirit of Community Awards program, sponsored by Prudential Financial in partnership with the National Association of Secondary School Principals, recognizes individuals in grades 5-12 solely on the basis of their volunteer activities. 4-H’ers can apply online at http://spirit.prudential.com/view/page/soc. Applications must be submitted to a county Extension agent by November 3, 2015. Then, each county 4-H program can select one middle level Local Honoree for every 1,000 members (or portion thereof) in grades 5-8 and one high school Local Honoree for every 1,000 members in grades 9-12. Once county 4-H programs have selected local honorees, they must certify those applications by November 10, 2015, to a state-level judging committee, which will pick the top youth volunteers in each state and the District of Columbia.

All state-level honorees receive special recognition, while the top high school and middle level volunteer in each state and the District of Columbia receive silver medallions, $1,000 awards, and a fabulous trip to the nation's capital for national recognition events. In Washington, a national selection committee will name America's top 10 youth volunteers for 2015. Each will win an additional $5,000, a gold medallion, a crystal trophy, and a $5,000 grant from The Prudential Foundation for a charitable nonprofit organization of his or her choice.

ADULT CHAPERONES NEEDED
If you are interested in serving as a chaperone for Citizenship In Action, 4-H Camp or Discovery Days, please complete the Adult Chaperone Application and return it to either Extension Office by December 1. You can find the application online at http://www.centralkansas.k-state.edu/4-h under 4-H Youth Development, 4-H’er Forms & Documents. By completing an application, you have let us know you are interested in serving as a chaperone; it does not commit you to serving as a chaperone. We will need chaperones for Citizenship in Action, Discovery Days, and 4-H Camp. If you have any questions, please contact Sarah.

SARAH IN THE MINNEAPOLIS OFFICE
Sarah will be in the Minneapolis Office from 9 a.m.–2:30 p.m. on November 19. Be sure to come by and see her to express any concerns, new ideas or just to visit.
LION'S BBQ
Mark your calendars for the Annual Salina Downtown Lion’s BBQ, to be held Saturday, November 14, at the 4-H Building in Salina. All 4-H Clubs in the District are asked to help support the Lion’s Club by selling tickets to support this BBQ, as the Downtown Lions are big supporters of CKD 4-H. They support 4-H with scholarships for 4-H Camp, Citizenship Washington Focus, and Discovery Days. Just like last year, it is imperative that we help them with this fundraiser more than ever. 4-H members are encouraged to sell at least 2 tickets.

Help is needed for the BBQ!!! Two shifts are needed for November 14:

We’d like to have at least three adults and five to six youth per shift. Younger members should be accompanied by an older teen leader or a parent. If members of your club will be able to help, please call the Salina Extension Office or email Carol at cmcraver@ksu.edu and let us know how many workers you will have and what shift you will be able to work. This is a big 4-H fundraiser put on by the Downtown Lions, so provide your support since the Lions provide theirs!

MY FINANCIAL FUTURE
4-H developed a new curriculum to assist youth in developing critical skills and knowledge in money management. "My Financial Future" seeks to directly help young people develop the skills they will need to successfully manage their personal and perhaps business finances. Many 4-H project areas incorporate financial record-keeping into the curriculum. This curriculum makes financial literacy a central focus of learning with a strong emphasis on setting and achieving financial SMART goals; holding yourself accountable to financial decisions and consequences; and knowing your rights and responsibilities as a consumer. These meetings will occur on Monday evenings for 5 weeks from November 2-30, 2015. The meetings will be from 6:30 – 8 p.m. For more information, email Stefany Kaniper at skaniper@farmersagent.com or visit http://salinapubliclibrary.org/class to register.

HOOFBEATS NEWS
For those interested in going to Horse Panorama in January, we will begin having practices in November. The dates are: November 3 and November 17, Room 109 at the Salina Extension Office from 7-8:30 p.m. Anyone enrolled in the horse project is invited. If you are not sure, just come and see what we do at a meeting. If you are unable to attend meetings and still wish to participate, you can do that also. Let Bev Seuser know if you plan on attending by contacting her at classy3560@gmail.com. Hope to see you in November!

SAVE THE DATE: 4-H DAY WITH THE LADY CATS
4-H members and families are invited to attend the 8th Annual 4-H Day with the Lady Cats to cheer the Lady Cats on to victory against the Baylor Bears. It will be held on Saturday, February 27. A flyer will be posted soon with more information on how to register under Upcoming Events & Online Registration on the District website.
SARAH IS GOING ON SABBATICAL
Sarah will be going on sabbatical for 5 months, December through May. The purpose of a sabbatical is to allow an employee to be able to take a study leave to complete a project. While Sarah is gone, she will not be answering work related email, texts, or phone calls. There will still be 4-H support provided during this time. Details are still being worked out with who will be covering the various events and day-to-day questions. Watch for more information in the December/January 4-H Flash.

SCHOLARSHIP LETTER REQUESTS FOR SARAH
With Sarah going on sabbatical, 4-H members and alumni need to contact her no later than December 14 if they would like for her to write a letter of recommendation for scholarships (4-H or otherwise). Individuals are encouraged to contact Sarah as soon as they know they want her to write a letter to provide ample time to get the letters completed before she leaves for her sabbatical. In some instances, she may need additional information provided to her.

4-H CLUB MEETINGS THAT YOUTH CHOOSE TO ATTEND
There are three major components of club meetings: group building, group decision making and an educational program or activity.

Component #1- Group Building
This includes any activities that help everyone get acquainted, feel accepted and recognized. New kids join throughout the year. Incorporate activities that will help new 4-H members get acquainted with other club members. Include celebrations. The Kansas 4-H publication "Celebrating with 4-H Ceremonies" suggests the following types of ceremonies for 4-H Clubs: Recognition ceremonies (to honor work done by individuals or the club), welcoming ceremonies (to show importance of being a member of a group), special observance ceremonies (holidays, special weeks, events), campfire, flag raising and lowering and citizenship ceremonies. Add in evaluation time. Get everyone's opinion after a club event to know how it could be improved or what people thought went well. Often adults have a very different idea of how an event went or worked, so it is also important to get club member opinions. Add play time. Often recreation is the first component of a club meeting to get cut because meetings run long. For very young children this may be the one part of 4-H they do best. Recreation should be a part of every meeting. It helps members continue the atmosphere of fun and interest as well as getting to know one another.

Component # 2 - Group Decision Making
Decision making happens in the business part of the meeting. This time should be democracy in action. Members learn to express themselves in a group, listen to the views of others, use parliamentary procedure to reach decisions and abide by majority of the rules. This may be the member's first experience with parliamentary procedure. Parliamentary procedure is abstract and can be hard to understand. It will take some coaching and reinforcement to help members learn par law skills. Try having a parliamentary procedure tip at each meeting. Break into small groups and practice. Experiment with other ways to build consensus and make decisions.

Component # 3 - Educational Program or Activity
This is the educational part of the meeting. Having members give presentations is a great opportunity for them to learn public speaking skills in a supportive atmosphere. If it's hard to schedule everyone, consider breaking the audience in two parts and have two talks going at the same time. Ask members to consider giving team demonstrations. By pairing younger and older 4-H members together they both gain new skills from the experience. Be flexible with presentations. Younger members may like to do a show and tell. Some members may want to create a project display that they can talk about in a more unstructured way. Other ideas for the program component include having a health tip, safety tip, citizenship tip or thought for the day. Invite a guest speaker to talk. Create a project bowl or skill-a-thon. Or use this time for project work or community service projects.

4-H COUNCIL FUNDRAISER– SALINA AREA CLUBS
Materials for the Red Wheel & Fudge Fundraiser were handed out to the Salina Area Clubs at the September 4-H Organizational Leader Update. Club orders are due to the Extension Office by Noon on Friday, November 13. Remember, the delivery date is Saturday, December 5, from 10-10:30 a.m. Each club will need to provide 1-2 individuals to assist with unloading the truck that morning at 9 a.m.

PARENTS’ COMMITTEE
So now you have a Parents’ Committee but you’re not really sure what to do with it? First thing is learn to delegate. A rule of thumb—the Organizational Leader works with the 4-H members, the Parents’ Committee works with the parents. But, it might take the Organizational Leader to get the Parents’ Committee motivated and started down the right track!
Where to begin?
1. Get a chair for the Parents’ Committee—the past Organizational Leader, the assistant leader, or a member of the Parents’ Committee. Then communicate to that person why it is important for them to provide leadership for the committee. Work together and keep each other informed.
2. Review the roles of the Parents’ Committee such as those members recruiting Project Leaders, New Family Coordinator, Demonstration Trainer, etc.
3. Remember you all depend on each other, so communicate!

WELCOME NEW 4-H FAMILIES IN STYLE
Make a special effort to welcome all new 4-H members and their families. Try to involve them in club activities—not just at the first meeting, but throughout the year. Remember how you felt as a new 4-H’er and 4-H family. Help those new to the organization not be overwhelmed. Here are some suggestions to welcome new 4-H families.

* Explain the sometimes confusing 4-H terms. Don’t assume they understand.
* Form a “mentor” system (or buddy system) by having older 4-H’ers help new 4-H members with meetings, records and events. Don’t forget the parents. Sometimes new parents need a “mentor” too.
* Be sure to give those new to the club a chance to speak up. Involve them in conversations and explain what is happening in the meeting.
* Advise new families of deadlines. Explain the major events that happen in 4-H, such as 4-H Club Day, Fair, Gavel Games, 4-H Camp, etc.
* Let new 4-H families participate at their own pace. Involve them in club activities, but allow them to participate at a level that is comfortable to them.
* Be aware of special family circumstances and be flexible. All families are an important part of our 4-H program.
* Remember, your club is like a family of sorts. In families, we need to make everyone feel important, help them find their own niche, challenge them to be more involved, and most importantly, accept them for who they are!
