

4-H Families,

The 2023 Regional 4-H Club Day Schedule has been posted to our website and can be found under the 4-H Club Day tab: <https://www.centrankansas.k-state.edu/4-h/>

If you are not able to attend Regional 4-H Club Day on March 25, please contact the Salina office and let us know AS SOON AS POSSIBLE so that alternates can be contacted.

If you are planning to use a projector and need one to be provided, please contact the Salina office immediately to make arrangements if you haven't already done so.

The Room Monitor Schedule is below. Those who indicated "yes" on their original 4-H Club day entry have been scheduled for a shift for Room Monitoring at Regional 4-H Club Day. Please check your schedule and make sure you will be able to serve as a Room Monitor during the times listed. Flexibility is a key component with the room monitoring schedules. Please note some individuals may arrive a few minutes late or need to leave a few minutes early due to how the other rooms are running and family members' scheduled events. For this reason, we have tried to schedule the Room Monitors in pairs as much as possible to maintain coverage for both rooms.

If you are not listed on the schedule and would like to serve as a Room Monitor, please let me know as soon as possible.

- If you will be unable to serve as a Room Monitor during the time listed, please let me know as soon as possible.*
