TRI-RIVERS FAIR

4-H DIVISION RULES & REGULATIONS

GENERAL RULES

1. Any person may compete in any class or classes with the exception of classes specially provided for Central Kansas District, Salina Area 4-H Club Members.
2. All communications in regard to entries shall be addressed to Fair Manager, P.O. Box 124, Salina, Kansas 67402-0124. The management reserves the right to reject any entries offered 785-827-4425.
3. Entry cards will be used to enter all exhibits.
4. All exhibits shall be in place and entered with Superintendent. Please refer to each individual set of 4-H division rules.
5. Exhibitors should determine at what time the exhibits entered will be judged. An exhibit not presented promptly on schedule will be ruled out. No complaint or protest on the grounds that the judge overlooked exhibits will be considered.
6. All possible care will be taken of the exhibit, but the committee in charge will in no case be responsible for any loss or damage sustained.
7. The 4-H awards are as follows:

Aerospace/Rocketry
Ag Mechanics Welding
Agronomy
Astronomy
Banners
Building Block Engineering
Civic Engagement
CO₂ Cars
Communications
Computer Science
Dairy Cattle (Showmanship & Breed)
Dairy Goat (Showmanship & Breed)
Electric & Renewable Energy
Entomology
Environmental Science

Beef (Market & Breeding Classes)
Fashion Revue
Fiber Arts
Horse (Classes not by age)

Beef Showmanship
Dog Showmanship
Horse Showmanship

Dog (Obedience, Agility, Rally)*

3 Entries Required by Division

Family Studies
Foods & Nutrition (by judge)
Foods Preservation (by judge)
Forestry
Geology
Health & Wellness
Horticulture & Landscape
Design (Best Garden Display, Best Floral Display, Horticulture Superintendent's Award)
Interior Design & Architecture
Leadership
Notebooks
Pets
Photography
Reading Adventures

3 Entries Required by Class

Meat Goat (Market & Breeding Classes)
Performing Arts
Poultry (Breed Classes)
Sheep (Market & Breeding Classes)

3 Entries Required by Age Categories

Meat Goat Showmanship
Poultry Showmanship
Rabbit Showmanship

3 Entries Required by Discipline

Robotics
Self-Determined
Shopping in Style
Shooting Sports (classes 6200-6205)
Small Engines
Uncrewed Aircraft Systems
Veterinary Science
Visual Arts (by Kansas State Fair exhibit quota, Honorable Mentions, and Most Creative or Unique Exhibits)
Wildlife
Woodworking

Swine (Market & Breeding Classes)
Rabbits (Breed Classes)
Sewing & Textile Design
Visual Arts

Sheep Showmanship
Shooting Sports (Classes 4-9)
Swine Showmanship

*In order for a rosette and trophy to be awarded, there must be a minimum of 3 exhibitors in each discipline (i.e., obedience, agility, and rally). This exception is made due to the uniqueness of the Dog Project and how the 4-H member and his/her dog advance from one level to another

If any of the above-named awards are won by an FFA member, the award will go to the FFA member.

8. Any potential new awards for next year's fair need to be proposed by the superintendent in writing to the Salina Extension Office no later than two weeks following the fair. The Tri-Rivers Fair Committee and the Central Kansas District 4-H PDC will review the proposals for potential new awards for the next year. No new award may be established during the fair. Special circumstances (i.e., Memorial Funds, etc.) may lend to new awards being created prior to the fair and may only be done so with the approval of the Awards Committee.
9. **EXHIBIT CHECK OUT TIMES:** 4-H Exhibits in 4-H Building: Sunday evening 5:00 p.m. following the Awards Ceremony; 4-H Livestock: Sunday 5:00 p.m. following the Awards Ceremony. The fair board assumes no responsibility for exhibits left after check out times.

10. At the close of the fair, all exhibits must be claimed by the exhibitor by the parties representing the exhibitor. Those in charge will assume no responsibility for exhibits left on the Fairgrounds after 5:00 p.m., Sunday.
11. All entries must be made in the name of the owner, as registered.
12. No alcoholic beverages will be permitted to be consumed or possessed in any exhibit buildings, including the barns. The Fair Board reserves the right to withhold payment of premiums to violators.
13. Each superintendent will be in full charge of his/her department.
14. Under Kansas Law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risks of domestic animal activities, pursuant to K.S.A. 60-4001 through 60-4004. You are assuming the risk of participating in this domestic animal activity. Inherent risk of domestic animal activities include but shall not be limited to: (1) The propensity of a domestic animal to behave in ways, i.e. running, bucking, biting, kicking, shying, stumbling, rearing, falling or stepping on, that may result in an injury, harm or death to persons on or around them; (2) the unpredictability of a domestic animal's reaction to such things as sounds, sudden movement and unfamiliar objects, persons or other animals; (3) Certain hazards such as surface and subsurface conditions; (4) Collisions with other domestic animals or objects; and (5) The potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to maintain control over the domestic animal or not acting within such participant's ability.
15. If any damage, loss or injury of property shall be approximately caused by reason of neglect or willful act of any persons, firm, corporation, their agents or representatives, servants or employees having license privileges to exhibit on said Fairgrounds or occupying space thereon, the Saline County Fair Association shall not, in any manner, be responsible therefore and, in case it be subjected to any expense or liability all persons causing same or liable therefore, shall indemnify the Saline County Fair Association at Salina, Kansas.
16. The management reserves the right to remove from the grounds any exhibit, animal, concession or show that may be falsely entered or may have any sign, banner or advertising matter of any kind which may be deemed unsuitable or objectionable by them without assigning a reason therefore, and if necessary, return any money already paid for space or stalls which shall exonerate them from any claim whatsoever on the part of the exhibitor or purchaser.
17. Stalls will be bedded at the opening of the Fair by the Association. After that, it will be the duty of the exhibitor to keep his stalls bedded. Swine stalls shall not be bedded.
18. The Saline County Fair Association reserves to its Board of Directors the right to finally determine the correct application of any rule herein published and further to amend or add any special rules for the conduct of said Fair that may be deemed necessary and expedient.
19. No dogs will be allowed in any livestock barns or in the 4-H Building.
20. **WITHDRAWAL TIMES FOR DRUGS, GROWTH PROMOTANTS AND OTHER APPROVED MATERIALS:** Exhibitors, their parents, leaders and instructors have a serious responsibility to use animal health aids (drugs), growth promoters and any other approved materials with great care, and only when needed and in correct amounts. Approved withdrawal times are set and must be followed to assure that meat customers receive wholesome food.
21. **BODY FLUID TESTS:** The giving of an oral or injected diuretic, growth promoters or other medication not approved for any domestic animal constitutes an unethical practice. The Fair Board reserves the right to have body fluid laboratory analysis made on any animal entered in competition. An exhibitor of an animal producing an analysis with a quantity of diuretic or any unapproved medication will forfeit all prizes and premiums, and may be barred from future competition.
22. K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact (**Cade Rensink**) two weeks prior to the start of the event (**July 11**) at (**785-309-5850** **crensink@ksu.edu**). Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request. K-State Research and Extension is an equal opportunity provider and employer.

4-H AND FFA DEPARTMENT

1. EXHIBITORS:

Central Kansas District 4-H members whom participate in a 4-H Club which resides or is chartered within the county boundaries of Saline County may exhibit projects in which they are enrolled. Online 4-H Enrollment must be completed by May 1 of the current year. Extension 4-H Youth Development programs are open to all youth who are residents of Kansas between the ages of 7 and 18 based on the individual's 4-H age (4-H age is based on the individual's age before January 1 of the current year). Youth enrolled as 4-H Cloverbuds (5-6 years of age but not yet 7 years of age before January 1 of the current year) will only be able to participate in the 4-H Cloverbuds Division.

All students currently enrolled in Agricultural Education and a bona fide Kansas FFA member or those secondary Agricultural Education students who intend to become FFA members are eligible to participate in the livestock shows. Secondary Agricultural Education includes grades 9-12. FFA members who have graduated from high school and paid their membership dues for the current year are eligible to exhibit if they are not yet 19 years of age before January 1 of the current year. Only those secondary Agricultural Education students who belong to a Saline County FFA Chapter are able to exhibit.

2. WHAT MAY BE EXHIBITED: All exhibits must be the handiwork of the exhibitor where mechanical or hand skill is required; the planter where agricultural exhibits are entered: the owner and feeder where livestock is entered; and must be the result of the current year's work, October 1 of last year to the current date.

FFA and 4-H members may not overlap showing in the same species. For example, an individual cannot show a steer under the FFA umbrella and a breeding heifer under the 4-H umbrella. However, an individual may show a beef animal under the FFA umbrella and a sheep under the 4-H umbrella.

All market animals must be tagged in the current 4-H year.

Non-registered breeding animals that were shown the previous year are required to have a CKD or Kansas 4-H tag and do not need to be retagged for the current year.

3. GUIDELINES FOR USING COPYRIGHTED/TRADEMARKS:

Exhibitors should learn the guidelines and exercise caution when using copyrighted materials whenever possible by originating their own work. Exhibitors should use with caution a copyrighted and/or trademarked product or service (a brand name, label, or product). A copyright and trademark are legal methods used by writers, artists, corporations and others to protect their original work. Protected items may range from books to music, logos to computer graphics. Copyrighted and/or trademarked materials used in displays, demonstrations, posters or other activities will be disqualified if 4-H exhibitor does not request permission to use the copyrighted and/or trademarked materials and will not be displayed or receive ribbons.

The use and inclusion of specific brand names for educational purposes does not imply endorsement or refusal by the Department of Extension 4-H Youth Programs, Kansas State Research and Extension, Central Kansas District, the County Fair Association, or the State of Kansas.

4. PRE-ENTRIES & ENROLLMENT:

Enrollment: All 4-H Members must be enrolled using the following deadlines:

- Returning Members – Enrollment is due no later than 12/1/2024 at 11:59 p.m. to participate in the County Fair.
- New Members – Enrollment is due no later than 5/1/2025 at 11:59 p.m. to participate in the County Fair.

Enrollment is not complete until the online enrollment is done and accepted.

All exhibits must be pre-entered by June 23, 2025.

If a 4-H member misses the established pre-entry deadline above, late pre-entries will be accepted until June 26, 2025. However, since the pre-entry deadline was missed the following will apply:

- The exhibitor will be allowed to show/exhibit and remains eligible to participate in the auction.
- There will be no premium awarded, only a ribbon.
- The ribbon placing will be dropped one level (example: purple to a blue; blue to a red; red to a white)
- Late pre-entries will not be eligible for Champion or Reserve Champion awards.

If a 4-H member does not pre-enter their exhibit during the established timeframes above (no pre-entry), the following will apply:

- An educational opportunity to have consultation judging with the judge will occur. In Animal Science divisions, this will be made possible during the Showmanship classes only.
- There will be no premium awarded, only a ribbon.
- The ribbon placing will be dropped one level (example: purple to a blue; blue to a red; red to a white)
- The exhibitor will not be permitted to sell at the auction.

- Exhibits with no pre-entry will not be eligible for Champion, Reserve Champion, or other special awards.
- The exhibit will be displayed, if and only if, room is available within that particular division's area.
- The exhibit will not be counted in the minimum number needed for awards.

Request for a display space must be made with the pre-entries ONLINE. Questions will be asked about this in the necessary 4-H divisions and/or classes.

- Please review specific instructions regarding display spaces in each division's rules.
- For entries, there will be a description box in the online form. Please describe your exhibit including dimensions (i.e. tri-fold display, notebook, etc.).
- All exhibits will be limited to no larger than 3'x4' table space.
- If your exhibit requires electricity, it needs to be noted in the description box if there is not a specific question for it.
- If you are exhibiting in Wood Working, Interior Design & Architecture, or Ag Mechanics please note the dimensions of your exhibit along with a description. Floor space and larger table space are available for these project areas only.

5. WHEN TO PLACE EXHIBITS: For specific entry and conference judging times for each 4-H Division exhibited in the 4-H Building, please refer to the individual division rules. Livestock must be entered on Thursday according to the following schedule: Poultry 7:30-9:00 a.m.; Swine 8:00-8:30 a.m.; Sheep 8:45-9:15 a.m.; Rabbits 9:00 a.m.-12:00 p.m.; Meat Goats 9:15-9:45 a.m.; Beef 10-10:30 a.m.; Bucket Calves, Dairy Cattle, Dairy Goats, Horses, and all Other Breeding Livestock 7:30 a.m.-noon. Exhibits will be released from 4-H Building following the 4-H Awards Assembly around 5:00 p.m., Sunday. Livestock will also be released at 5:00 p.m., Sunday.

6. RIBBON PLACE DOCKING: If exhibits are not in place by the designated time and an individual has not signed up for a judging time as identified in each 4-H Division, the placing of the exhibit will result in the loss of one ribbon placing.

7. CARE AND RESPONSIBILITY OF EXHIBITS: 4-H and FFA members exhibiting livestock must accompany their exhibits or provide suitable means of caring for them at all times during the Fair. The Fair Committee or the superintendents will assume no responsibility for exhibits before 7:30 a.m., Thursday, and those left on the Fairground after 5:00 p.m., Sunday. All non-sale animals are released immediately following the 4-H Awards Ceremony on Sunday. **Entries removed early shall forfeit ALL premium.** 4-H Members failing to properly care for their exhibit are subject to premium forfeiture at the discretion of the superintendents in charge.

8. STALLS FOR LIVESTOCK: Straw will be available for bedding at the start of the Fair. All additional bedding must be furnished by exhibitor. Swine stalls shall not be bedded. Numbers of animals per exhibitor may be limited if number of stalls, pens, cages, or tack room become limited.

9. SHOWING OF PROJECT: Contestants must be in attendance to exhibit all livestock entries at the scheduled hour, and failure on the part of the 4-H Member to exhibit the entry will bar him/her from participation in and/or receiving any awards unless permission is granted from the District 4-H Agent. 4-H Members who have more than one animal in a class may have any Central Kansas District 4-H Member enrolled in the project show their extra animal(s); exceptions can be made by District Extension Agents, if necessary. Tranquilizers and other sedation are not permitted for use. Violators will not be permitted to show. Only first and second place blues in each class are eligible to compete for Champion and Reserve Champion. Exhibitors who abuse an animal will be barred from showing and will forfeit any premium, ribbon, or prize won. The word abuse includes: beating, slapping, using an electric prod, or forcing an animal into a solid object in an attempt to make the animal brace more firmly. Animal ownership is established through the tagging process (includes a signed declaration form) unless otherwise stated (i.e., horse ownership is established by the horse ID).

10. OPEN CLASS ENTRIES: Any animal shown in 4-H or FFA classes may be entered in the open classes unless stated, but must pay entry fee two hours prior to open class judging. (See the superintendent in charge of open class.)

- A. Animal registration papers must be in the exhibitor's name.
- B. Stall fee must be paid.
- C. Animals shown in open class must conform to all open class rules and regulations.

11. STATE FAIR ENTRIES:

- State Fair age is 9 years old before January 1 of current year.
- Must receive a purple ribbon at the County Fair or qualify through designated process (such as in Animal Science Divisions)
- For Fashion Revue, Dog, Rabbits, and Poultry: Kansas State Fair pre-entries will be due before 12:00 p.m. on the Wednesday following the Tri-Rivers Fair to the Salina Extension Office.
- For the Horse Division: entries should be submitted at www.kansasstatefair.com/p/competitions/equine/4-h-horse-show before August 1st.
- For Beef, Meat Goats, Sheep, & Swine: entries should be submitted before July 15 at www.kansasstatefair.com/p/competitions/grand-drive1
- For Dairy Cattle/Dairy Goats: entries should be submitted before August 15 at www.kansasstatefair.com/p/competitions/livestock-competitions
- All other eligible exhibits will be pre-entered by the Extension Office.

12. GENERAL RULES regarding health certificates for livestock and dairy entries must be complied with.

13. AUCTIONS AND LIVESTOCK SALE RULES:

If a 4-H/FFA member sells in another county 4-H/FFA premium sale, they can show another 4-H/FFA tagged animal but not sell in the Tri-Rivers Fair Livestock Premium Auction.

LIVESTOCK SALE RULES: The Saline County Fair Association has stated the following rules for the Livestock Sale, which will be held the Saturday of the fair.

- A. 4-H, FFA member may sell only one (1) animal in the auction. That is, if a person exhibits a market beef and a market swine, etc., they may sell only one; or if a person shows two animals in one division only one can be sold thru the action.
- B. A sale fee of \$3.00 per sale animal will be collected, along with appropriate check off, insurance, etc.
- C. Animals must meet the weight requirements to show for champion for their species in order to sell. Show management has the right to add up to five pounds on either side in the best interest of the show and to adjust for scale variation.
- D. If a 4-H/FFA member sells in another county 4-H/FFA premium sale, they can show another 4-H/FFA tagged animal but not sell in the Tri-Rivers Fair Livestock Premium Auction, but can go at floor price.
- E. At the time of "intent to sell," the 4-H member may indicate if they wish to have the animal floored and sent to the provided livestock buyer.

14. **4-H GRIEVANCE COMMITTEE:** We have a committee for 4-H to take grievances throughout the year. This same committee will take grievances from the county fair. Disputes should first be brought to the attention of the appropriate 4-H division superintendent and Extension staff. After receiving a decision from the department superintendent or staff member, any further dispute must be made in writing (within 2-3 hours of the decision by 4-H division superintendent or staff member), using the form available online. A hard copy can also be obtained from the 4-H division superintendent or Extension staff. To receive a ruling from the grievance committee, the dispute form must be accompanied by a \$50 fee (cash, personal check, or money order made payable to "4-H Council"). The fee will be forfeited if enough information is not provided to the grievance committee to be able to make an informed decision. The grievance committee will review the complaint and will get back with the individual named on the complaint form as soon as possible via email.

15. **NOTE: 4-H Members may enter in the Open Class Home Economics Exhibits in Kenwood Hall under Adult Classes only. 4-H Members may NOT enter in the Open Class Youth classes in Kenwood Hall. This DOES NOT apply for 4-H Cloverbud members.**

WARNING

Under Kansas law, there is no liability for an injury to or the death of participants in domestic animal activities resulting from the inherent risk of domestic animal activities, pursuant to sections 1 through 4 of KSA 60-208. You are assuming the risk of participating in this domestic animal activity.

2025 REQUIREMENTS FOR ANIMAL SCIENCE DIVISIONS

GENERAL REQUIREMENTS

All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirement will not be permitted to exhibit. All livestock originating outside of Kansas must meet Kansas import requirements and must have a valid Certificate of Veterinary Inspection.

- All animals are subject to examination by the exhibition staff or their representatives and shall be free of clinical signs of infectious or contagious disease.
- Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit.
- **Certificate Of Veterinary Inspection (Health Certificate)**
 - **Kansas Origin Livestock** – Certificate of Veterinary Inspection is not required by Kansas Department of Agriculture – Division of Animal Health (KDA-DAH), but can be required at the discretion of each exhibition event.
 - **Livestock Originating From Other States** – All livestock originating outside of Kansas must meet Kansas import requirements and must have a valid Certificate of Veterinary Inspection.

CATTLE (Beef and Dairy)

All cattle must meet the General Requirements.

- Cattle determined by exhibition staff to have lesions of ringworm, warts or infested with mange will not be permitted to exhibit.
- **Cattle Originating From Other States**
 - All cattle must have official ID, and ID must be individually listed on the accompanying CVI.
 - All dairy cattle require an import permit.
 - All lactating dairy cattle must have negative HPAI milk test within 7 days of movement.

DOGS

- Proof of up-to-date Rabies, Bordetella, Distemper, Hepatitis, Parvovirus, and Parainfluenza vaccination certificates - if you were not in K-9 Capers training, must be presented at time of check-in. Teams without the immunization record will not be allowed to show. Dogs must be at least 6 months of age at time of show in order to have received all of the required immunizations.
- No dog in season will be allowed to show.
- Dogs must be at least 12 months of age before competing in Agility classes.

GOATS (Meat and Dairy)

In addition to the General Requirements, all goats must be:

- Identified with a registered tattoo or an official USDA premises ID tag (Scrapie tag.) Goats identified with registration tattoos must have legible tattoos and must have registration papers for these animals available for inspection.
- Free of any signs of sore mouth.
- Free of clinical signs of active fungal (ringworm) infection.
- **Goats Originating From Other States**
 - All goats must have official ID, and ID must be individually listed on the accompanying CVI.

HORSES

Horses shall meet the general requirements.

- **Kansas Origin Horses** – A valid VS Form 10-11 showing evidence of a negative Equine Infectious Anemia (Coggins) test conducted by a state-approved laboratory within 12 months prior to exhibition is required by KDA-DAH. Foals six months of age and younger, accompanying the EIA-negative dams, are exempt from EIA test requirements.
- **Horses Originating From Other States** – must be accompanied by a valid VS Form 10-11 showing evidence of a negative Equine Infectious Anemia (Coggins) test conducted by a state-approved laboratory within 12 months prior to entry into Kansas. Foals six months of age and younger, accompanying their EIA-negative dams, are exempt from EIA test requirements.
- All Central Kansas District exhibitors must present proof of a negative Coggins test within the last 12 months at the time Horse IDs are due to the Extension Office (May 30, 2025), and the test must be valid through October 1, 2025. This will allow tests to be valid not only for the county fair, but also for the Kansas State Fair.

PETS

- Kittens must be 4 months by the show date. Adult cats may be any age over 8 months.
- No pregnant cat will be allowed to show.
- All cats must have certificate, including rabies, feline leukemia, and distemper, by licensed veterinarian. If the 4-H member cannot provide this information, the cat will not be allowed to be shown and will need to leave the fairgrounds.
- No animal on the Kansas Threatened and Endangered Species list may be shown as a hand pet. A list of those animals may be found at <https://ksoutdoors.com/Services/Threatened-and-Endangered-Wildlife/Kansas-Threatened-and-Endangered-Species-Statewide>. In addition, it is illegal to collect any turtle from the wild, such as the ornate box turtle, to keep as a pet.

POULTRY

All poultry must meet the general requirements.

- **Kansas Origin Poultry –**
 - Kansas continues its designation as a Pullorum-Typhoid (P-T) Clean state.
 - All poultry (except waterfowl) are required to show proof of being P-T clean by one of the following:
 - Originate from a certified U.S. Pullorum-Typhoid clean flock
 - Test negative at check-in of the county fair when the county has been designated by KDA-DAH for surveillance. Routine surveillance testing will be performed for each county fair a minimum of once every 5 years.
- **Poultry Originating From Other States –** All poultry entering Kansas, except waterfowl, must show proof that they are pullorum – typhoid clean by one of the following methods:
 - All poultry (except waterfowl) are required to show proof of being P-T clean by one of the following:
 - Originate from a certified U.S. Pullorum-Typhoid clean flock
 - Test negative on a P-T test within 90 days of exhibition
 - Additionally, out-of-state poultry must have a "Permit to Ship Poultry or Hatching Eggs" issued by the KDAH within the previous year or a permit number issued by the KDAH office within the previous 15 days.

RABBITS

All rabbits must meet the General Requirements.

- Rabbits originating from other States outside of Kansas must meet Kansas import requirements and must have a valid Certificate of Veterinary Inspection.

SHEEP

In addition to the General Requirements, all sheep must be:

- Identified with a registered tattoo or an official USDA premises ID tag (Scrapie tag.)
- Free of any signs of sore mouth.
- Free of clinical signs of active fungal (ringworm) infection, including club lamb fungus.
- **Sheep Originating From Other States**
 - All sheep must have official ID, and ID must be individually listed on the accompanying CVI.

SWINE

All swine must meet the General Requirements.

- **Swine Originating From Other States** must also meet one of the following:
 - All swine must have official ID, and ID must be individually listed on the accompanying CVI.
 - All swine must obtain an import permit number prior to movement into Kansas.

DIVISION 1 - 4-H/FFA BEEF CATTLE

Superintendent(s) – Nick Karber

Assistant Superintendent(s) – Kenzie Isaacson, Anna Karber, Jaden Miller, Zoe Miller

1. Read GENERAL RULES. 4-H Beef Show starts at 9:00 a.m., Ag Hall, Saturday of fair.
2. Must be enrolled in Beef Project to exhibit.
3. All market animals need to be on the grounds by 10:00 a.m. and will be weighed between 10:00 a.m. and 10:30 a.m. on Thursday. No class changes after final weighing will be allowed. Beef superintendents will classify breed of animals at weigh-in time and their decision is final.
4. If an even-numbered year, all exhibitors must have current Youth for the Quality Care of Animals certification (YQCA). If an odd-numbered year, all 8-year-olds and new livestock exhibitors must have a current Youth for the Quality Care of Animals certification (YQCA).
5. No animal can be shown that has horns or scurs longer than an inch.
6. All market animals weighing less than 1,000 lbs. will not compete for champion market animal.
7. Registration or transfer papers must be in youth's name by June 15, this year. No farm name or adult name may be on registration or transfer papers.
8. Market beef classes will be divided by weight in accordance with the best interest of the show.
9. Must have 3 head to make a class. Otherwise, they will put in the Crossbred class. Market classes below may change based on breeds identified at fair weigh-in.
10. Only first and second blue winners (if applicable) in each class are eligible to compete for breed Champion and Reserve Champion. Only the Champions and Reserve Champions are eligible to compete for Grand and Reserve Grand. Only those animals receiving a blue or purple will receive a trophy. 4-H/ FFA members must fit animals themselves. Adults may provide guidance and supervision, other 4-H or FFA from Salina County members may assist.
11. All fitting chutes will be kept outside unless approved by fair board. Exhibitors are encouraged to clip at home due to limited space.
12. No exhibitor panels will be allowed in Ag Hall.

Resources:

- Beef Project

- MARKET ANIMALS – CLASSES

- | | |
|----|------------------|
| 01 | Crossbred Steer |
| 02 | Registered Steer |
| 03 | Market Heifer |

- PREMIUM SALE -

4-H/FFA Members must fill out "intent to sell" card on all market animals in the Fair Office at 8:30 p.m. (or 30 minutes after the Swine Show ends) on Saturday. Information will be emailed to exhibitors when the livestock sale checks are available for pick up at the Salina Extension Office.

-CARCASS SHOW (tentative)

All 4-H/FFA beef market animals that show and are slaughtered at the packing plant will be included. Data is collected and a meeting will be held following the fair to give results and awards. Funding for awards is provided by private sponsors.

- BREEDING BEEF -

Classes will be available for all recognized breeds with registration papers. All non-registered heifers will show in commercial breed class no matter what breed.

CLASSES

- | | |
|----|---|
| 08 | Senior or Winter heifer calves - calved between September 1 and December 31 of previous year. |
| 09 | Summer yearling heifer calves - calved between May 1 and August 31 of previous year. |
| 10 | Junior and Spring yearling heifers - calved between January 1 and April 30 of previous year. |
| 11 | Senior or Winter Yearling Heifers - calved between September 1 and December 31, 2023. |
| 12 | Cow-Calf Pair – Cow shown with calf by side. |

- BEEF SHOWMANSHIP -

A fitting and showing contest for 4-H beef cattle exhibitors will be held at the beginning of beef cattle judging. Any exhibitor of beef cattle may enter the showmanship class. Age before Jan. 1, this year. Seniors exhibit first.

4-H members who qualify for Round Robin should sign-up with the 4-H Agent OR Round Robin Superintendent as soon as they know what specie they will be showing.

CLASSES

- | | |
|----|------------------------|
| 13 | Senior (14 and older)* |
| 14 | Intermediate (10-13)* |
| 15 | Junior (7-9)* |

*Champion and Reserve ribbon awarded in each age group. Each Champion and Reserve winner are eligible for Round Robin Showmanship - Division 55.

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

18 Educational Display Exhibit

DIVISION 2 - 4-H BUCKET CALF

Superintendent(s) – Amanda Griffin

Assistant Superintendent(s) – Katelyn Griffin, Kenzie Isaacson

1. Read GENERAL RULES.
2. Must be enrolled in the Bucket Calf Project to exhibit.
3. 4-H Members 7-12 years old may exhibit one animal. Project designed for education.
4. A 4-H Member exhibiting a beef bucket calf cannot exhibit in the beef division.
5. A 4-H Member exhibiting a dairy bucket calf cannot exhibit in the dairy cattle division.
6. 4-H Bucket Calf generic project sheet required (can be found at <https://bookstore.ksre.ksu.edu/pubs/P1082.pdf>). Participants are asked to also include on a separate sheet of paper the shot records for their bucket calf. Turn books into superintendent at entry time.
7. Steer or heifer calves may be exhibited.
8. Calves must be born between January 1 and May 1 of the current year.
9. Bucket Calf cannot be shown in any other 4-H Class during the fair.
10. Bucket Calf must have an ear tag in place (which can be generic and not a 4-H tag).
11. No animal can be shown that has horns or scurs longer than an inch.
12. Male bucket calves must be castrated.
13. Evaluation based on the conference judging and visual appearance according to the following scorecard emphasizing what the 4-H Members have learned.
14. The show will be divided into two categories based on 4-H age (age before January 1 of the current year) and experience. 4-H Member may enter only one division.

Novice: 7-12 years old - no show sticks, combs or brushes while showing in the ring. No clipping. Only washed and brushed - Two-year limit. First and second year only. Participants will receive ribbons - blue, red or white.

Advanced: 8-12 years old - Animals fitted. Participants will receive ribbons - purple, blue, red or white. Purple winners receive Special Award.

DIVISION 3 - 4-H/FFA DAIRY CATTLE

Superintendent(s) – N/A

Assistant Superintendent(s) -

1. Read GENERAL RULES.
2. Must be enrolled in Dairy Cattle Project to exhibit.
3. Dairy animals enter Thursday by 12:00 noon.
4. Exhibitors are encouraged to clip at home due to limited space.
5. Youth must own and/or lease animals they exhibit. Be prepared to show registration or transfer papers dated before June 15 of current year, when checking in your animal. Animals may be co-owned and co-registered by two or more 4-H or FFA members of the same family, but may not be registered in a farm name or include names of adults. Animals registered or transferred to member after June 15 of current year cannot be shown at the show. If an animal is a grade or leased a "4-H Grade Dairy Cattle or Leasing Identification Form" (MG54) will be required at check in by the superintendent in charge. Leased animals that are registered do not have to be registered in the exhibitor's name. All registered or grade entries must be verified by the Extension Agent or Vocational Agricultural Instructor.
6. Only first and second place animals in each class are eligible to compete for breed champions.
7. Breed abbreviations and show order is as follows: Ayrshire, Brown Swiss, Guernsey, Jersey, Holstein, Milking Shorthorn, Crossbred.

16 Educational Display Exhibit

DIVISION 5 - 4-H DOG

Superintendent(s) – Madison Repp, Diana Thompson, Tracy Repp

Assistant Superintendent(s) – Kyson Griffin, Eddie Littich

1. Read GENERAL RULES.
2. Must be enrolled in the Dog Project to exhibit.
3. Pre-entries are due ONLINE by established deadline.
4. Check-in will begin at 8:30 a.m., Saturday, August 5 in the 4-H Building.
5. Proof of up-to-date Rabies, Bordetella, Distemper, Hepatitis, Parvovirus, and Parainfluenza vaccination certificates - if you were not in K-9 Capers training, must be presented at time of check-in. Teams without the immunization record will not be allowed to show. Dogs must be at least 6 months of age at time of show in order to have received all of the required immunizations.
6. No dog in season will be allowed to show.
7. Any abuse of dogs on grounds, or in the ring, will result in disqualification.
8. Any dog fouling in the ring will automatically receive a white ribbon.
9. Baiting dogs is not allowed.
10. No mobile phones and/or other electronic devices are allowed in the ring.
11. Advancement is determined as follows: After receiving two qualifying scores (blue or purple) from two different judges, an Obedience, Agility, or Rally level team must advance to the next level at the start of the next 4-H year.
12. Dogs must be at least 12 months of age before competing in Agility classes.
13. Kansas State Fair requires 4-H members to be 9 years old current year, signed vaccination certificate, and qualify by receiving a purple or blue. There is no Pre-Novice show at the State Fair - only Novice and up.
14. All rules and scoring will be used from the Kansas Guidelines of 4-H Dog Show Rule Book (4H1120, January 2024).
15. Rosettes and ribbons will be handed out at the end of each class. Trophies will be awarded to Champion and Reserve Champion of each class at the 4-H awards ceremony.
16. Good sportsmanship shall always be observed. The judges' decision is final. Poor sportsmanship may lead to loss of ribbon, class dismissal, or disqualification from show as determined by judge. Any protest should be made in writing to the Superintendent(s) or via the Grievance Committee process. Exhibitors, parents, and/or volunteers are not to approach the judge(s) directly.

- 3635 UTILITY B 4-H Dog Team having qualified from UTILITY A. All exercises off leash. Hand signals exercise, Article 1 and Article 2 scent discrimination, Directed Retrieve, Directed Jumping, Moving and Standing 3 min. exam.

- AGILITY -

1. 4-H members must have successfully completed an agility class.
2. To participate in off lead must have qualified in on lead previously.

CLASSES

- 04 Agility I on lead (county only)
- 3640 Agility I off lead
- 3641 Agility II
- 3642 Agility III

3643 Agility IV

- SHOWMANSHIP -

Dress code: NO Blue jeans, short skirts or shorts, tank-tops or T-Shirts with lettering will be allowed in Showmanship.

Entries will be judged on fitting of dog; clean ears, tone and condition of coat, teeth, toenails, and eyes. Handler will be judged on alertness, grace, coordination with dog, and reaction of dog to handler with straight and even gait and movement of dog. In showmanship, the dog is evaluated on the handler's grooming of the dog, the handler and dog are evaluated on the proficiency by which they can perform various patterns smoothly and efficiently.

CLASSES

- 05 Pre-Junior – 7 years – 8 years
- 3600 Junior – 9 years – 11 years
- 3602 Intermediate – 12 years – 14 years
- 3605 Senior – 15 years and older

- RALLY -

CLASSES

- 06 Rally Level I on lead (county only)
- 3645 Rally Level II off lead
- 3646 Rally Level III off lead

DIVISION 6 - 4-H/FFA HORSES

Superintendent(s) – Jennifer Godfrey, Camisha Stevenson
Assistant Superintendent(s) – Kaitlyn Watkins

1. Read GENERAL RULES.
2. Follow general rules and Kansas 4-H Horse Show handbook.
3. Must be enrolled in Horse Project to exhibit.
4. 4-H Horse Show begins, 8:00 a.m., Ag Hall, Friday of fair.
5. All Central Kansas District exhibitors must present proof of a negative Coggins test within the last 12 months at the time Horse IDs are due to the Extension Office (May 30, 2025), and the test must be valid through October 1, 2025. This will allow tests to be valid not only for the county fair, but also for the Kansas State Fair.
6. Weanlings are shown at owner's risk. No stallions shown.
7. Adults are barred from the show ring while animals are being judged, except judge and other officials. Violation of this rule may disqualify an exhibitor.
8. If there is a question on the size, the horse will be measured prior to show time and the officials ruling will be final.
9. All races will be divided into three age groups (see classes for details).
10. All classes may be divided by the superintendents and judge at show time at their discretion. Classes with less than 3 will be combined.
11. Rules for the trail classes will be posted.
12. Member may only exhibit in one Trail class.
13. Award winners must receive blue or purple ribbon.
14. Please see the information about qualifying for the Kansas State Fair Horse Show located here:
<https://www.kansas4-h.org/projects/animal-science/horse/HorseChangesPublic9.8.pdf>

-RANCH CLASSES -

- 54 Dummy Roping Dismount
- 55 Dummy Roping Mounted

***Members may only enter one pleasure class per discipline. The same applies to Horsemanship/Equitation. This means that members who participate in any Walk-Trot class are NOT eligible to enter in any other Horsemanship/Equitation/Pleasure class, as well as Reining and Hunter Hack, as these classes require the rider to lope/canter. Egg & Spoon and timed events are not affected by this rule. A member may enter a non-Walk-Trot Pleasure class AND a Pony Pleasure class.

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22” x 28”), or other display (not bigger than a standard 3’ x 4’ tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3’ x 4’ table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

- Display Comment Card

CLASSES

- 56 Educational Display Exhibit

DIVISION 7 - 4-H/FFA MEAT GOATS

Superintendent(s) – Emily Walker, Tait Walker

Assistant Superintendent(s) – Anna Karber

1. Read GENERAL RULES.
2. Must be enrolled in Meat Goat Project to exhibit.
3. All Meat Goats will be on the grounds by 9:15 a.m. and will be weighed between 9:15 a.m. and 9:45 a.m. on Thursday of the Fair.
4. 4-H Meat Goat Show begins 4:00 p.m., Ag Hall, Friday of fair.
5. If an even-numbered year, all exhibitors must have current Youth for the Quality Care of Animals certification (YQCA). If an odd-numbered year, all 8-year-olds and new livestock exhibitors must have a current Youth for the Quality Care of Animals certification (YQCA).
6. All goats must be identified with an official 4-H and USDA scrapie premise ID tag.
7. Goats will be divided into classes by weight after being weighed at entry time.
8. Goats are suggested to arrive without horns. However, if horns are left, they should be tipped and rounded. **Animals will not be allowed to check in with sharp horns, horns must be tipped and rounded.** Tipping and removal of horns is not allowed on the fairgrounds and will result in disqualification.
9. **SHEARING:**
 - Market Goats** - At the time of check-in all goats must be "slick shorn" with an equal amount of hair above the knee and hock (head and belly excluded) prior to check-in time. A maximum of .375" hair length is permitted.
 - Breeding Does** – No shearing required. Length of hair is left up to the exhibitor.
 - Shearing:**
 - There will be no shearing of market or breeding goats on any part of the grounds after arrival.
 - Touch-up with scissors or shears will be allowed.
 - No artificial coloring/use of adhesives is allowed on market goats.
 - No blocking tables are permitted in the barns.
 - Exhibitors are encouraged to clip at home due to limited space.
10. Wether and doe kids will be allowed to show in market classes.
11. Goats may be braced; however, they must be shown with all four feet on the ground. Exhibitors may use a collar, a collar with a short lead, or a halter when showing. Medium (3mm or smaller) pinch collars will be allowed.
12. All market animals weighing less than 50 lbs. will not compete for champion market animal.

Resources:

- Meat Goat Project

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

CLASSES

- 13 Educational Display Exhibit

DIVISION 8 - 4-H PETS

Superintendent(s) – Robyn Prickett

Assistant Superintendent(s) – Kyson Griffin

1. Read GENERAL RULES.
2. Must be enrolled in Pets Project to exhibit.
3. Pets must be present by 12:30 p.m. show day, housed in pet carrier, and will be dismissed following the completion of the shows. No pets may be left in the 4-H building. The cats will be judged first followed by other pets.
4. Sign-up for judging time during check-in the day of the show.
5. Each 4-H Member may enter 2 cats and/or 2 pets.
6. Pet owners are responsible for their pet's care.
7. Ownership of entry: Cats or kittens entered for competition must be cared for and groomed by 4-H project member.
8. Kittens must be 4 months by the show date. Adult cats may be any age over 8 months.
9. All cats must have certificate, including rabies, feline leukemia, and distemper, by licensed veterinarian. If the 4-H member cannot provide this information, the cat will not be allowed to be shown and will need to leave the fairgrounds.
10. All pets must be groomed for the show. All pets must be bathed and combed; all toe nails must be clipped.
11. No pregnant cat will be allowed to show.
12. No animal on the Kansas Threatened and Endangered Species list may be shown as a pet. A list of those animals may be found at <https://ksoutdoors.com/Services/Threatened-and-Endangered-Wildlife/Kansas-Threatened-and-Endangered-Species-Statewide>. In addition, it is illegal to collect any turtle from the wild, such as the ornate box turtle, to keep as a pet.
13. Showmanship classes will be judged on fitting and showing of cat: condition of coat, healthy appearance, clear eyes and ears.
14. ALL CLASSES ARE COUNTY ONLY.

DIVISION 9 - 4-H/FFA POULTRY

Superintendent(s) – Camisha Stevenson

Assistant Superintendent(s) – Alani Stanley, Amayah Stanley

1. Read GENERAL RULES.

3. Must be enrolled in Poultry Project to exhibit.
4. Check-in will be from 7:30 – 9:00 a.m. on Thursday of the fair.
5. No bird can be cooped without checking in with the superintendent and the entry cards are matched with each bird.
6. Judging will begin at 10:00 a.m. on Thursday, (birds need to be cooped 1 hour before judging begins).
7. Each exhibitor is limited to 10 pens of poultry, plus one entry in production and/or meat-type chickens. Only two birds per class, breed, variety or sex, will be allowed.
8. Poultry must be banded with a numbered band to insure proper identification.
9. Poultry shown must be tested and shown free of pullorum-typhoid diseases. Testing may be done 90 days prior to time of entry but after 90 days the bird needs to be retested. Proof of test results are due at entry time. Routine surveillance testing will be performed for each county fair a minimum of once every 5 years.
10. Entries must be inspected for mites and lice before being placed in cages. If a bird is brought to the fair with lice, etc. it needs to be treated at that time or taken home. It should not be placed in cages until it is treated.
11. Exhibitor is expected to feed and water their own birds (Exhibitor is expected to provide adequate water dish for each pen).
12. All standard breeds will be shown by breed.
13. Please specify class, breed (Rhode Island Red, Belgium Quail, Plymouth Barred Rock, etc.), etc., age (young or old) and sex on entry card.
14. Poultry will be grouped by the APA Class.
15. Poultry will be judged according to the APA Standard.
16. Water Fowl do not qualify for State Fair.
17. Blue Ribbon winners will be eligible for the State Fair.

CLASSES

17 Educational Display Exhibit

DIVISION 10 - 4-H/FFA RABBITS

Superintendent(s) – Amber Pracht

Assistant Superintendent(s) – Anna Bagby, Paxton Chamberlin, Acacia Pracht, Caleb Schlatter

1. Read GENERAL RULES.
2. Must be enrolled in Rabbit Project to exhibit.
3. Check-in and entry time will be from 9:00 a.m. until 12:00 p.m. noon on Thursday. Entry cards must be submitted at this time.
4. No rabbit can be penned without checking in with the superintendent and the entry cards are matched with each rabbit.
5. Rabbits must be clean and free from disease.
6. All exhibitors must be present to show their rabbit(s) at the time of judging for all showmanship classes.
7. For all other classes members must put up their own rabbits on the table the day of the show OR members must find someone else (youth only) before the day of the show to put up their rabbits on the table the day of the show. Superintendents will not be responsible for making sure a rabbit is put on the table when its class is called.
8. If a rabbit is not put on the table during the time its class is called, it will be judged on its own merits, but will not be eligible for Best of Breed or Grand or Reserve Champion.
9. Showmanship classes must be entered at same time as breed and meat classes.
10. Showmanship rabbit must be owned by exhibitor and entered in breed or meat classes.
11. All rabbits shown must have a legible and permanent ear markings in the left ear, including meat pens. It is recommended that tattoos be in place by the pre-entry deadline.
12. Pens must be marked with the member's name, 4-H Club, rabbit breed, variety, sex, ear tattoo, and age.
13. Show will be judged in accordance with standards of perfection for each breed.
14. Entries in the breed class are limited to three per age division (junior, intermediate, senior) per variety per breed. Entries in the fur class are limited to two entries per exhibitor.
15. The Grand Champion and Reserve Champion will be selected from the Best of Breed in each breed class.
16. Due to the presence of Rabbit Hemorrhagic Disease (RHDV2) in neighboring states, rabbits that have traveled to states with cases or other large shows with high risk of exposure are not encouraged to be entered in the fair. If cases become confirmed in Kansas, exhibition staff will determine if a live show needs to be cancelled, or how to move forward.

24 Educational Display Exhibit

DIVISION 11 - 4-H/FFA SHEEP

Superintendent(s) – Mark Norberg, Michelle Schrock, Reygan Schrock
Assistant Superintendent(s) – Gauge Fritz

1. Read GENERAL RULES.
2. Must be enrolled in Sheep Project to exhibit.
3. All market lambs will need to be on the grounds by 8:45 a.m. and will be weighed between 8:45 a.m. and 9:15 a.m. on Thursday of the Fair.
4. 4-H Sheep Show begins at 6:30 p.m., Ag Hall, Friday of fair.
5. If an even-numbered year, all exhibitors must have current Youth for the Quality Care of Animals certification (YQCA). If an odd-numbered year, all 8-year-olds and new livestock exhibitors must have a current Youth for the Quality Care of Animals certification (YQCA).
6. All sheep (wethers, rams and ewes) must be identified with an official 4-H and USDA scrapie premise ID tag.
7. Registration or transfer papers for registered breeding animals must be in the name of the exhibitor by June 15, this year. Registered breeding animals may be co-owned by two or more 4-H members in the same family. Registration papers may not include farm name or adult's name.
8. Sheep showing symptoms of infectious disease may be rejected by superintendent.
9. All market lambs must be slick shorn with an even length of wool covering from above the hock and knee (head and belly excluded), Wool length cannot exceed .2 inch. Use of artificial coloring, except hooves, is prohibited. Exhibitors are encouraged to clip at home due to limited space and electricity.
10. All market lambs must be wethers or ewes and must be docked.
11. Market lambs will be divided by weights for the best interest of the show.
12. Ewe lambs shown in market classes are not eligible for breeding classes.
13. All market lambs weighing less than 90 lbs., will not compete for Champion Market Lamb.
14. Ram lambs or cryptorchids will not be allowed to show in market classes.
15. Exhibitors are not allowed to lift front legs of the animal off the ground during the examination by the judge.

Resources:

- Sheep Project

- SHEEP SHOWMANSHIP –

A fitting and showing contest for 4-H/FFA sheep exhibitors will be held at the beginning of the sheep judging. Any exhibitor of sheep may enter the showmanship class. Divided by age of club member, before January 1, current year.

4-H members who qualify for Round Robin should sign-up with the 4-H Agent OR Round Robin Superintendent as soon as they know what specie they will be showing.

CLASSES

- | | |
|----|------------------------|
| 01 | Senior (14 and older)* |
| 02 | Intermediate (10-13)* |
| 03 | Junior (7-9)* |

*Champion and Reserve ribbon awarded in each age group. Each Champion and Reserve winner are eligible for Round Robin Showmanship - Division 55.

- MARKET LAMBS -

- | | |
|----|--------------|
| 06 | Market Lambs |
|----|--------------|

- PREMIUM SALE -

4-H/FFA Members must fill out “intent to sell” card on all market animals in the Fair Office at 8:30 p.m. (or 30 minutes after the Swine Show ends) on Saturday. Information will be emailed to exhibitors when the livestock sale checks are available for pick up at the Salina Extension Office.

- BREEDING SHEEP -

Classes will be available for all recognized breeds with registration papers.
All non-registered ewes will show in commercial breed class, no matter what breed.

CLASSES

- | | |
|----|-------------------------------|
| 09 | Ewe Lamb.....0-12 Months |
| 10 | Yearling Ewe.....12-24 Months |
| 11 | Aged Ewe.....24-36 Months |

CLASSES

09 Educational Display Exhibit

DIVISION 13 - 4-H VETERINARY SCIENCE

Superintendent(s) – Mindy Tillberg

Assistant Superintendent(s) – Eddie Littich, Jake Tillberg

1. Read GENERAL RULES.
2. Must be enrolled in the Veterinary Science Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Wednesday 10:00 a.m.
7. A Veterinary Science exhibit may consist of a poster, notebook, or project display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit 1.
8. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma, or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown. For example, use of drapes, use of sterile procedures, wearing of gloves and other appropriate veterinary medical practices.
9. First-Aid Kits: Because of the public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first-aid kits containing any drugs or medications will be immediately disqualified and not displayed. First-Aid kits wishing to include medication information should instead utilize written descriptions, photographs, drawings, computer generated print-outs or empty packaging of pharmaceuticals.
10. Veterinary Science Posters – This exhibit presents the viewer with a design that is simple and direct, unlike a display that usually presents more information. A poster should not exceed 22" x 30" and may be either vertical or horizontal.
11. Veterinary Science Displays – A display may include but its not limited to: a 3-dimensional exhibit, a scale model, the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 22" x 28" or on ¼" plywood or equivalent that does not exceed 24" high or 32" wide or in a three-ring binder or another bound notebook format.
12. Veterinary Science Notebooks: Individual entries are to be placed for a display in a three-ring notebook for competition. Notebooks may not be larger than 8 ½" x 11".
13. Neither the County Fair or Kansas State Fair nor the Department of Youth Development, KSRE are liable for the loss or damage of any personal property included as part of your poster, display, or notebook.
14. Name, county/district, age, and year in the project should be on the front of the poster, display, or notebook.
15. Appropriate topics include: Maintaining health, specific disease information, photographic display of normal and abnormal characteristics, animal health/safety, public health/safety, proper animal management to ensure food safety and quality, efficient and safe livestock working facilities, a topic of the exhibitor's choosing related to veterinary medicine or veterinary science.
16. Because these are science displays, all references and information must be properly cited. Proper sources include but are not limited to: professional journals and publications, professional AVMA accredited websites, interviews with veterinarians, and excerpts from Veterinary Educational Literature. Plagiarism will result in a disqualification. Please study your topic and present the information to your audience in your own words.

5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Wednesday at 2:00 p.m.
7. Each exhibitor is limited to 10 entries between classes 4800-4806 and 05-06.
8. For classes 05 and 06 (which are county only and not Kansas State Fair eligible), only one entry per class may be entered.
9. For Classes 4807 and 4808, only one portfolio a year can be entered.
10. Class 05 is a special theme contest. This year's theme is "Living in Paradise." 4-H members can submit a photograph that illustrates what makes living here in our area or in Kansas great. Participants are limited to ONE entry for Class 05. Class 05 is a county only class and not Kansas State Fair eligible.
11. Black and white prints and color photographic prints may be exhibited.
12. Photography entered must be the result of the current year's project work by the 4-H member. Photo images must be taken by the 4-H member (exhibitor).
13. All photos in classes must be no larger than 8"x10" or smaller than 7"x9" after trimming.
14. Photos are to be mounted across the narrow (11") dimension of 11"x12.5" sheet of white or cream studio mount. (mounting boards are available at the Extension Office). Photos mounted on foam core or poster board will not be displayed. Improperly mounted photos, oversize or undersize photos, or photos with the white borders not removed or lettering (including dates) on the photo will be lowered one ribbon placing. Note: mat board dimension.
15. The top edge of the print must be 1-inch below the top edge of the mount (board is always oriented narrow side up). The sides of the print must be equal distance from the two sides of the mount.
16. A full coverage permanent mount (spray adhesive recommended or heat mount) must be made. (No household glues, double stick tape, etc.) Remove white border from enlargement before mounting. (Mounting boards may be purchased at the Extension Office.). Each photo is handled several times (up to 25 times at the Kansas State Fair) throughout the judging, sorting, and display process.
17. No lettering, including dates, is permitted on the front of the mount or on the photo, except for the ID strip. The Kansas State Fair 4-H Photography ID Strip (available from your Extension Office and online) must be used and mounted correctly on the bottom front of the matte board. An illustration of placement is available in the Kansas State Fair Book and with the ID strips at the Extension Office. No under-lays or borders are to be used. No contact prints on front of mount. You may purchase mount boards and bags for \$1.10 per set at the Extension Office. Bags will be picked up at the judging time at the fairgrounds.
18. Entry information must be completed and attached to the back of the mount as illustrated on letter provided at the Extension Office (directions are available [here](#)). Members must write the following on the back of the photo mat board:

Central Kansas District
 _____ County
 Name (first and last)
 Class number
19. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.
20. The black & white class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.
21. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the County or State Fair.
22. **Photos with live subject(s) on a railroad right of way or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified without being judged.**
23. Copyright protections must be observed.
24. Decisions to display and/or penalties will be made by the Photography Division Superintendent(s) and the Extension Agent.
25. My favorite 4-H Photography Display: This class is only for those photography project members with 10 or more years of experience. This class is a non-judged mounted display consisting of four favorite photos from the member's photography career in 4-H. All photos and a fifth biography/description with details of why they are regarded as most significant will be mounted on white or cream studio matte board. Photos and biography/description will be displayed on one row of the photography racks. This class is an extra way to showcase the development and accomplishments of the 4-H member's photography career. Members who display in My Favorite 4-H Photography Display can still enter two other classes.
 - This is a "display only" class.
 - Eligible members must have enrolled in photography for ten (10) or more years.
 - Requirements are:
 - Choose a total of four (4) of your favorite photos from any of the years enrolled in photography. If used previously in competitive exhibits, remove all data slips and stickers. If the photo is an unmounted print, mount it using standard 4-H requirements and mat board.

- Develop a short biography piece including:
 - Tell how/when an interest in photography began.
 - Explain why each of the four photos is a favorite.
 - Share the skills learned because of photography. Think beyond camera skills and include leadership, community service, etc.
 - Tell of any mentors/leaders worked with.
 - Share workshops or camps pertaining to photography you attended.
 - Explain (if relevant) any plans to use photography skills beyond 4-H/High School.
 - Include a small (2 x 3) photo of yourself at the start of the biography.
 - Print the biography document and mount it on a standard mat board.
 - Place Name and Extension Unit on the back of each of the 5 mat boards in the upper right-hand corner.
 - This exhibit does not have to qualify at the county/district level to exhibit at the Kansas State Fair.
 - Exhibitor does not need to use an ID Strip for these photos.
 - A member who qualifies to exhibit in this class is still allowed to enter two prints and a portfolio for judging if qualifications for those classes are met.
26. Kansas State Fair Eligibility & Quota: Exhibitors, 1st through 7th year in the Photography project, may enter one (only) photo print per exhibitor. Exhibitors in their 8th (plus) year in the Photography project may enter two prints as long as the prints are in different classes (example: 4802 Color Photos and 4805 Black & White photos), for a total of two entries per exhibitor.
27. If eligible for the Kansas State Fair: Black and white prints and color photographic prints may be exhibited. Prints must be exhibited in the same format in which they were exhibited at the local fair (ex: If a print was exhibited as a color print at the local fair it must be exhibited as a color print at the state fair. The same applies for black and white prints).

Resources and Scoresheets:

- Project Area - [Photography](#)
- [Photography Mount Instructions](#)
- [Photography Portfolio Scoresheet](#)
- [Digital Composite Scoresheet](#)

CLASSES

- 4800 Color photos taken by a 4-H member with 3 years or less in the project.
- 4801 Color photos taken by a 4-H member with 4-7 years in the project.
- 4802 Color photos taken by a 4-H member with 8 or more years in the project
- 4803 Black and white photos-taken by a 4-H member with 3 years or less in the project. (Black and white prints only).
- 4804 Black and white photos – taken by a 4-H member with 4-7 years in the project. (Black and white prints only).
- 4805 Black and white photos-taken by a 4-H member with 8 or more years in the project (Black and white prints only).
- 4806 My Favorite Photography Display (This is a “display only” class. See Rule #25 for details.)
- 05 Theme Photo Class (see rule #3 for details)
- 06 Photo taken with UAS (must be enrolled in Unmanned Aerial Systems AND Photography)

Portfolio Classes

Please note: Art Portfolio books for portfolio classes may be found at art supply stores, big box craft stores or online. They generally contain a black cover with clear pages to hold photos. Portfolio book pages should be 8 ½ x 11” in order to hold an 8 x 10 photo.

- 4807 Growth Portfolio
1. Member is eligible for this class beginning the third year of enrollment in the 4-H photography project.
 2. Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment year. A maximum of 5 photos may be included if the member has 5 or more years of enrollment. Photos are not required to be in a consecutive order. For example, a nine-year-old with three years enrollment is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-old's year, one photo from the eight-year-old's year, and one photo from the nine-year-old's year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1, 3, 5, 7, and 9 for a member having project enrollment totaling 9 years.
 3. Photos must be 8” x 10” and may be color or black and white and must be unmounted.
 4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. Setting for focal length, aperture, mode and shutter speed must also be listed. The skills set used to create the photo must be given and fully explained. The main goal for each year should also be given. The form for this information is available on the Kansas 4-H website, is form-fillable document, and is required.
 5. A short introduction of the photographer should be placed in the first page. This introduction should tell why the 4-H member enrolled in the Photography project and why they have continued to enroll. Exhibitor could also tell of a fun event photographed, a learning experience that taught them new skills, or other related learning.
 6. Beginning with photo 2 (two), member description of GROWTH in project skill must be included on information sheet.
 7. Exhibit will consist of introductory page, skills sheet, and photo from each year in chronological order and arranged in a portfolio book. Skill sheet will go in left-hand page and unmounted photos in right-hand page.
- 4808 Career Portfolio

1. Member must have been enrolled in Photography for 5 (five) or more years OR member must be age 15 -19 and been enrolled in photography for at least two (2) years.
2. Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). All photos must be the result of the current 4-H enrollment year.
3. Photos may be color except if Black and White option is chosen and must be unmounted.
4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed. This sheet may be downloaded from the Kansas 4-H website; it is a form fillable document and is required.
5. A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described.
6. Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.

CLASSES

County Only Classes - Photographs of standard size, displayed as an individual or group on an 11"x12.5" mount board.

- 01 Photo with special effects – Special effects are done using in-camera and/or printing techniques. The original photo is mounted on one board, there may not be any additional photos. Examples include: zooming the lens during exposure, illusions, kaleidoscope, double exposure, etc. In addition, neon and solarization are considered special effects. (County Only)
- 02 Sequence of 3 to 6 photos not enlarged or larger than 4"x6" mounted on 11"x12.5" mount board. Photos are to be taken in sequence to tell a story. (County Only)
- 03 Photo album: Color and/or black and white photos with captions mounted in photo album. Judging criteria will include photo technical quality, composition, technique, mounting neatness, clarity of caption, etc. (County Only)

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

Display Comment Card

CLASSES

- 04 Educational Display Exhibit

DIVISION 17 - 4-H VISUAL ARTS

Superintendent(s) – Anna Anderson, Gayle Pfannenstiel, Robyn Prickett

Assistant Superintendent(s) – Beth Ade, Zoe Ade, Brynna Anderson, Marik Anderson, Anna Bagby, Alexis Gordon, Brik Johnson, Debbie Johnson, Soren Johnson, Eddie Littich, Finley Moore, Sawyer Moore, Bradley Pfannenstiel, Acacia Pracht

1. Read GENERAL RULES.
2. Must be enrolled in the Visual Arts Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Thursday at 12:00 p.m.
7. Exhibits must be made by the 4-H Member in the current 4-H year.
8. A 4-H Member may have a total of 10 entries (a set is considered a single item). Use each class number as many times as needed. List each exhibit separately on an entry card. The entries may be originals, kits or a combination of the two.
9. 4-H members should exhibit in the project in which they are enrolled. The Fiber Arts project offers classes for quilting, embroidery, counted-cross stitch, needle-felting, etc.
10. Name project on back of entry card and multi-piece items should be marked accordingly.
11. All pictures must be mounted on construction paper or mat board or can be framed.
12. All two-dimensional art, including fine art, intended to be hung, will need to have a wire hanger. Due to display systems at the county fair and Kansas State Fair, no saw tooth hangers, string, or tape will be allowed. Exhibits will be lowered one ribbon placing if correct hardware is not used. If art cannot be hung properly it will not be displayed.
13. **NEW IN 2025** – Projects with “fractal burning” are NOT ALLOWED in any 4-H Youth Development Department Divisions (Example: electrical burning to make black linework on artwork.) This is in agreement with the American Association of Woodturners (AAW).
14. No plants or plant materials needing watering can be entered as an art display or item.
15. For the Kansas State Fair:
 - o Each county may submit one entry from each of the five categories (Fine Arts, Clay and Ceramics, Leather and Jewelry, Three-Dimensional, and General Crafts) for a total of five entries per county. If a county doesn’t have an entry for one of the classes, they may submit a second entry in one of the other classes to meet the quota of five entries per county.
 - o A member may display only one visual arts item at the state fair.
 - o All visual arts exhibits are evaluated using a visual arts rubric, which takes into account correct use of design elements, craftsmanship, and creativity.
 - o Large art items will not be accepted. Exhibits must be of manageable size and be easily transported and displayed by one person.
 - o All exhibits are entered at your own risk. Art Release Form covers items while on display at Rock Springs and must accompany art exhibit to be considered for Rock Springs display.

Visual Arts Definitions/Explanations:

Two-Dimensional Art is described as a form of Visual Art that exists on a flat surface and has width and height, but no depth. Examples include drawings, paintings, and photography and can be created with charcoal, ink, watercolor, pencil, paint, etc.

Three-Dimensional Art is described as a form of art that has height, width, and depth and can be viewed from multiple angles. 3D Art takes up physical space. Examples include clay molding, glass blowing, sculpture, casting, modeling, carving, and construction.

Explanation of the term “kit” – Any art project that comes pre-packaged or boxed as a “kit” is not an allowable Kansas State Fair project. While utilizing kits can help build skills, the work needs to be original to the 4-H member. Examples include paint-by-number, diamond art kits, string art, etc. Exception: Leather project kits (due to the nature of pre-cut leather) are allowed.

Explanation of “original art” –

- If a 4-H member creates their own pattern or art project that contains paint, diamond art beads, string art or any other medium, then it becomes their own work and in turn, can evolve into an allowable project.
- Combining parts of different patterns (pictures, photographs, images from the internet or magazines) with the member’s own ideas can result in an original design.
- Changing only the color, pattern, or size does not make the design original.
- If a photo, sketch, or other idea source was used, or a new pattern was created by the 4-H member, please make sure to bring this to the judge’s attention (or submit with the judging rubric for the Kansas State Fair).
- The design process for original art by the 4-H member must be explained either in the consultation judging or as part of the judging rubric at the KSF.

Painted craft versus glazed pottery – When a 4-H member uses acrylic paint or pre-made ceramic pieces, it is considered a painted craft. When a 4-H member applies glaze to greenware and the pieces are fired, that is considered pottery/ceramics and fine art.

Scoresheets, Forms, and Contest Study Materials:

- Kansas 4-H Visual Arts Scoresheet

Resources:

- Project Area – Visual Arts

CLASSES

- 4501 Fine Arts: Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.
- 4502 Clay and Ceramics: Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.
- 4503 Leather and Jewelry: Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.
- 4504 Three Dimensional: The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.
- 4505 General Crafts: This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.
- 01 Visual Arts – Misc. item (county fair only)
- 02 Visual Arts - Made from kit (county fair only)

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

CLASSES

- 03 Educational Display Exhibit

DIVISION 18 - 4-H FAMILY STUDIES

Superintendent(s) – Michelle Coats

Assistant Superintendent(s) – Paxton Chamberlin, Maia

1. Read GENERAL RULES.
2. Must be enrolled in the Family Studies Project to exhibit.
3. Please describe your exhibit including dimensions (i.e., tri-fold display, poster, etc.) in the online pre-entry form.
4. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
5. All items must be entered Tuesday prior to the fair during the designated times.
6. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
7. Judging will be held on Thursday 8:00 a.m.
8. Only 1 entry per class for Educational Display Exhibits.
9. All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.
10. An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.
11. 4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in education display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.
12. Educational Display Exhibits are County Only.

CLASSES

01 Educational Display Exhibit

DIVISION 19 - 4-H FIBER ARTS

Superintendent(s) – Mary Bernhardt

Assistant Superintendent(s) – Zoe Ade, Anna Bagby, Maria Esobedo-Baltazor, Amelia Higgins, Jennifer Kay-Higgins, Finely Moore, Acacia Pracht, Amber Pracht

1. Read GENERAL RULES.
2. Must be enrolled in Fiber Arts Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, or 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. All items will be judged Wednesday, beginning at 1:00 p.m.
7. A member may enter three exhibits in each class. All articles/garments must be finished for use.
8. Fiber Arts is defined as any method of creating a unique design with fiber, fabric, or yarn. This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting, embroidery, or ethnic art). Ethnic Fiber Arts should use a fiber, yarn, or fabric to create the design exhibit. Non-textile (examples include wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.
9. No exhibit will be released for any other use. State Fair and County Fair Fiber Arts exhibits cannot be used for any of the Fashion Revue classes.
10. Identification Label:
 - a. Type or print on a 3" x 2 1/2" piece of cloth: class number, county or district, and exhibitor's name.
 - b. Sew or safety pin this ID label on the corner of flat articles.
 - c. For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garments.
11. When articles, which are normally worn as a pair, are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
12. Special consideration will be given to articles, which are of original design. Such articles should have a note attached explaining the original design.
13. The exhibitor should attach an index card, no larger than 4" x 6", with the entry form to give the judge any information on what parts of the exhibit they made, processes used, or other information which the exhibitor thinks would be helpful to the judge. For all items, please indicate if item was made from a kit. For all items, please indicate fiber content, and specifically, if they are made of at least 60% wool.
For quilted items, indicate who did the quilting and binding.
14. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e., knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left with the 4-H participant.
15. All exhibits which need to be hung, MUST have the appropriate saw tooth hanger, rod, wire, or other mechanism attached in order to be properly displayed. If necessary, and hardware is not attached, it may not be displayed.
16. Fiber Arts Educational Notebook – Share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the Fiber Art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-tos, photographs of completed projects, or other ways of education others about Fiber Arts. NOTE: A collection of brochures, web pages, patterns, record book forms, etc. does not constitute an educational notebook. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Name, local unit and Fiber Art covered must be clearly marked in the notebook.
17. There are no age specific classes in Fiber Arts.

Resources

- Project Area – [Fiber Arts](#)

CLASSES

- 4111 Crochet, an article including felted items. (See #8 in Rules)
- 4112 Knitting, an article made either by hand or by knitting machine including felted items. (See #8 in Rules above)
- 4113 Needle Arts, an article created by hand using any of the following techniques:

- Embroidery and cross-stitch
 - Needlepoint
 - Candle wicking
 - Crewel
 - Lacework
 - Appliqué
- 4114 Patchwork or Quilted article: it is acceptable practices for the exhibitor to create the patchwork or quilted article and have someone else quilt it. (See #13 in Rules)
- 4115 Rug Making: acceptable techniques include braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be an item used in the home.
- 4116 Spinning, a skein - minimum 10 yards in length.
- 4117 Weaving, a woven article. Members should attach information about the type of loom or process used. (See #13 above) Woven wood reed basket, should be exhibited in Visual Arts.
- 4118 Ethnic Arts, an article: This is defined as a Fiber Art/Textile technique that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or decorations. It is also defined as a method that has been maintained throughout history and passed on to others, often by observation and by example, such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving, tatting, felted items that are not knitted or crocheted, etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, short description of the technique, etc. (See #13 in Rules)
- 4119 Macramé, an article.
- 4120 Fiber Arts Educational Notebook.

- EDUCATIONAL DISPLAY EXHIBIT -

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

DIVISION 20 - 4-H FOODS & NUTRITION

Superintendent(s) – Beth Ade, Anna Anderson, Gayle Pfannenstiel

Assistant Superintendent(s) – Zoe Ade, Brynna Anderson, Marik Anderson, Anna Bagby, Alexis Gordon, Kyson Griffin, Jennifer Kay-Higgins, Amelia Higgins, Debbie Johnson, Eddie Littich, Parker Page, Bradley Pfannenstiel, Nolen Schoenfeld, Caroline Stone

- BAKE SALE -

4-H Members may donate their food exhibits to the bake sale. All items will be sold unless designated “do not sale” at judging check in. Proceeds go to the 4-H Council. The sale will begin at 10:00 a.m. on Wednesday and will continue on Thursday, if needed.

1. Read GENERAL RULES.
2. Must be enrolled in the Foods & Nutrition Project to exhibit.
3. Entries will be judged by conference judging on Wednesday and will begin at 10 a.m. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Only one person can accompany the 4-H member during the conference judging time with the judge.
7. Two entries per class.
8. A different recipe must be used for each class. Complete recipes with ingredients and instructions must be attached with the entry or the placing will be lowered one ribbon when judged.
9. Each exhibit must be labeled with entry cards indicating the food product name, 4-H member’s name and District, and class number. 4-H members will need to write the food product name on their entry cards. A label should also be placed on the bottom of the plate or cardboard. Label templates are available [here](#), or make your own.
10. Alcohol (ex. wine, beer, and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol will be disqualified and not be judged.
11. To ensure the health and safety of all fair participants and judges, we will no longer be accepting perishable food items as fair entries. Perishable food includes all items that must be kept hot or cold – like dairy products, fresh meats, cream pies, or anything with fresh fruit or uncooked eggs.
12. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf of bread, 3 brownies, 3 bar cookies, etc.
13. Any baked product that can be removed from the pan should be placed on a plate, covered cardboard, or disposable container of appropriate size for the exhibit.
14. Exhibits should be in food grade plastic bags, disposable plastic containers or boxes of appropriate size for the exhibit. Only the exhibit is judged. The container is not judged.
15. All un-frosted cakes should be exhibited in an upright position with crust showing. The exception is for those cakes made with special designs such as Bundt cakes. They should have top crust side down.
16. An Educational Exhibit can be a poster (not larger than 22” x 28”), notebook, or other display (not bigger than a standard 3’ x 4’ tri-fold display) showing and describing something learned, a project activity done, a food-nutrition community service program, etc. Should relate to things done in the project in which the member is enrolled. Please describe your exhibit including dimensions (i.e., tri-fold display, notebook, poster, etc.) in the online pre-entry form.
17. Each club is responsible for their own covering and decorations for club’s display area.
18. For food safety, the following are not allowed in non-perishable classes or at the Kansas State Fair: items with custard or dairy based fillings/frostings (example: cream cheese regardless of sugar content), raw eggs, flavored oils, “canned” bread of cakes-in-a-jar, cut fresh fruit, refrigerated items (example: bacon), or unbaked goods with raw flour (example: no-bake cookies). Refer to K-State Research and Extension publication 4-H488, Judge’s Guide for Food and Nutrition Exhibits, for guidance.
19. Under-baked entries will be lowered one or more ribbon placings.
20. For food safety, any entries with frostings and fillings (including glazes), must calculate the amount of sugar in the frosting/filling recipe only. The calculation must be attached to the entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf>. A worksheet is available at https://bookstore.ksre.ksu.edu/item/frostings-and-fillings-worksheet_4H1171.
21. All exhibits on display can be picked up at the released time on Sunday at 5 p.m.
22. For State Fair, a member may exhibit only one non-perishable food product and one educational display. Members exhibit under the age category they fall under. Recipes are required for all food product exhibits. A gift package counts as a non-perishable exhibit.

STATE FAIR ELIGIBLE CLASSES:

CLASSES

- 4300 For age 9 -11, non-perishable food product.
- 4301 Educational exhibit prepared by 9, 10 or 11 year old.
- 4302 For age 12-14, non-perishable food product.
- 4303 Educational exhibit prepared by 12, 13 or 14 year old.
- 4304 For age 15-18, non-perishable food product
- 4305 Educational exhibit prepared by 15-18 year old.
- 4306 Food Gift Package. No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items (prepared for human consumption), made by the 4-H member, in a suitable container no larger than 18"x18"x18". Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of the entry card, answer these questions: a) what is the intended use; b) what food safety precautions were taken during and after preparation. This entry will count as a non-perishable food product, not as an educational exhibit. Home canned foods must follow Food Preservation rules. Canning jars should not be used for baking per manufacturer's instructions. They could break during baking.

COUNTY-ONLY CLASSES-NOT ELIGIBLE FOR STATE FAIR

- 02 For age 7-8, **non-perishable** food product.
- 03 For age 7-8, **non-perishable** food product.
- 04 For age 7-8, **Food Gift Package**. (See description above)
- 05 Educational exhibit prepared by 7- or 8-year-old. (See # 16 above)
- 09 For age 9-11, **non-perishable** food product.
- 11 For age 12-14, **non-perishable** food product.
- 12 For age 15-18, **non-perishable** food product.
- 13 Food Art - entry will include food displayed in an artistic setting - such as food forming a face, flower, bug, scene, person, decorated cake, decorated cupcakes, etc. Entry will be judged on creativity, freshness of food and neatness. Items in Class 13 will not be tasted and will remain uncut.

DIVISION 21 - 4-H FOODS PRESERVATION

Superintendent(s) – Beth Ade, Anna Anderson, Gayle Pfannenstiel

Assistant Superintendent(s) - Zoe Ade, Brynna Anderson, Marik Anderson, Anna Bagby, Alexis Gordon, Kyson Griffin, Jennifer Kay-Higgins, Amelia Higgins, Debbie Johnson, Eddie Littich, Parker Page, Bradley Pfannenstiel, Nolen Schoenfeld, Caroline Stone

1. Read GENERAL RULES.
2. Members must be enrolled in the Food Preservation Project to exhibit.
3. Food Preservation will be judged at the same time as the 4-H Food Division with the Foods Judges (one or two judges will be designated for Food Preservation). Entries will be judged by conference judging on Wednesday and will begin at 10 a.m. Sign up for conference judging time on the Sunday before the fair (see fair schedule). All items must be entered Tuesday prior to the fair during the designated times. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits. Food Preservation items will be released on Sunday at 5:00 p.m.
4. Members may enter up to seven entries in this division, with one entry per class. However, if a 4-H member has two different recipes of an item that qualifies for the same class, that class may have up to two entries. For example, if one entry is spaghetti sauce and one entry is tomato salsa, both could be entered in class 4354.
5. Exhibits must have been preserved since the member's previous year's county fair, and not been exhibited at the previous State Fair.
6. Recipes and processing methods from the sources below are recommended. Recipes must be from current, tested resources listed below AND MUST BE ADJUSTED FOR ALTITUDE based on your processing location, or it will be disqualified. Processing methods that will be disqualified include: open kettle-canning, oven canning, sun canning and using electric multi-cookers. If using the Presto Precise ® Digital Pressure Canner, please indicate the appliance is used for either water bath or pressure canning. Untested recipes will be disqualified for food safety reasons. Tested recipe sources include:
 - K-State Research and Extension Food Preservation publications
 - Other University Extension Food Preservation publications
 - USDA Complete Guide to Home Canning, @2015
 - So Easy to Preserve, 6th edition, The University of Georgia Cooperative Extension Service
 - Ball® Blue Book Guide to Preserving, Edition 38
 - Ball® Complete Book of Home Preserving, @2024
 - Canning mixes (i.e., Mrs. Wage's, Ball®)
 - Pectin manufacturers (i.e., SureJell, Ball®)
 - KSRE Rapid Response Center Preservation Recipes
 - National Center for Home Food Preservation
 - Ball® and Kerr
7. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be disqualified. Recipe must include exhibitor name, recipe source, date of publication, and altitude where food was processed. If accessing a tested recipe from approved sources online, also list the website you found the recipe and the date you accessed it. If using Mrs. Wage's or Ball mixes, indicate the date the mix was purchased.
8. Exhibits must be processed in clean, clear standard **canning jars with matching brand** (ex. use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars, fancy padded lids, fabric over wraps, or cozies, as they interfere with the judging process. **4-H members are to use only CLEAR jars for their 4-H food preservation exhibits. The 4-H member will be docked one ribbon placing if colored jars are used.** No fancy packs unless recipe states to do so (ex: Pickled asparagus). Jars must be sealed when entered. Jelly must be in half pint or pint jar. All other products must be in pint or quart jars. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe (ex: Salsa is canned in pint jars only, no quarts). **Note:** There are 12-ounce, 24-ounce, and 28-ounce canning jars available which may be used. Use with pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24-ounce and 28-ounce jars.
9. Each jar exhibited must be labeled. The label must not cover the brand name of the jar. This label must give:

Name _____

Class No. _____

Product _____

Altitude Where Processed _____

Canning Method _____ (water bath, weighted gauge or dial gauge pressure method)

Processing Time _____

Pressure (psi) _____

Date processed including month and year _____

County/District _____

Label templates may be found at: <http://www.centrankansas.k-state.edu/4-h>

You may need to make a label using an adhesive mailing label. Templates to make adhesive labels can be found at: https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf
10. Rings should be placed on jars, but they should be easy to remove.
11. Classes 4350-4356 will require one jar for each class.
12. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 – ½ cup, or three or four pieces per exhibit. Dried products must include the recipe, preparation steps and heating instructions.
13. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in the "Dry Meat Safely at Home" publication.
14. Attach the entry card around the top of the jar by using a rubber band through the punched hole.
15. Alcohol is not allowed as an ingredient in food entries. Entries with alcohol will be disqualified and not be judged.
16. There are no safe recommendations to can white peaches or elderberries.

17. For State Fair, a member may enter up to 2 exhibits in this division, but only one entry per class. See State Fair Rules.

CLASSES

- 4350 Sweet Spreads (Fruit and/or Vegetables), Syrups; One jar
- 4351 Fruits, Juices, Fruit mixtures (Salsa, Pie Filling, etc.); One jar
- 4352 Low Acid Vegetables (green beans, corn, etc. or vegetable mixtures.); One jar
- 4353 Pickles (Fruit or Vegetable), Fermented Foods, Relishes and Chutney; One jar
- 4354 Tomato/Tomato Products, Tomato Juice and Tomato Salsas; (Salsa in pints only, no quarts); One jar
- 4355 Canned Meats; One jar
- 4356 Any Dried Food: One small jar

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

Display Comment Card

CLASSES

01 Educational Display Exhibit

DIVISION 22 - 4-H HEALTH & WELLNESS

Superintendent(s) – Michelle Coats

Assistant Superintendent(s) – Paxton Chamberlin, Maia

1. Read GENERAL RULES.
2. Must be enrolled in the Health & Wellness project to exhibit.
3. Please describe your exhibit including dimensions (i.e. tri-fold display, poster, etc.) in the online pre-entry form.
4. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
5. All items must be entered Tuesday prior to the fair during the designated times.
6. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
7. Judging will be held on Thursday 8:00 a.m.
8. Only 1 entry per class for Educational Display Exhibits.
9. All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.
10. An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.
11. 4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in education display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.
12. Educational Display Exhibits are County Only.

CLASSES

01 Educational Display Exhibit

DIVISION 23 - 4-H INTERIOR DESIGN & ARCHITECTURE

Superintendent(s) – Mindy Tillberg

Assistant Superintendent(s) – Ty Tillberg

1. Read GENERAL RULES.
2. Must be enrolled in Interior Design & Architecture project to exhibit.
3. Please describe your exhibit including dimensions in the online pre-entry form. Floor space will be provided for large exhibits. Please be sure to give accurate dimensions in your pre-entry to ensure we will have secured a space for the exhibit.
4. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
5. All items must be entered Tuesday prior to the fair during the designated times.
6. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
7. Judging will be held on Friday at 10:00 a.m.
8. Only one entry per class.
9. An entry card must be attached to the exhibit with material appropriate to the exhibit: safety pins, tape, string, etc.
10. Projects with missing or insufficient summary will be lowered one ribbon placing.

Scoresheets, Forms, and Contest Study Materials:

- [Interior Design and Architecture Interior Space Presentation Board Scoresheet](#)
- [Interior Design and Architecture Diorama Model Scoresheet](#)
- [Interior Design and Architecture Collage Presentation Board Scoresheet](#)
- [Interior Design and Architecture Marble Maze Presentation Board Scoresheet](#)
- [Interior Design and Architecture Marble Maze or Enclosure Scoresheet](#)

Resources:

- Project Area – [Interior Design & Architecture](#)

Classes:

Interior Design Focus: Interior Designers have a capacity to influence the way we feel when we inhabit a space. In some instances, this impact can be felt emotionally and physically, in other words, it can affect our mood. Tools such as color, light, texture and pattern can all be used to convey or stimulate such a response to a space.

- 4400 Room Design Board.** Select one room within your home or imaginary/future home (bedroom, bathroom, kitchen, etc.) to design. Create a basic floor plan showing wall footprint including any furniture, fixture and/or cabinet layout. Include any other illustrations, drawings or photographs to help support your design. Also include material/finish samples (wall treatments, floor covering, paint samples, etc.) Label any drawings or finishes so the audience understands their intention. All finishes should be attached to the design board. To explain your design intent, write a brief description to be included on the design board. (no more than one page 8 1/2 x 11). Boards must be on foam core or a standard tri-fold display.
- 4401 Two Collages on Design Board.** In this project, develop two imaginary interior rooms. Each room should start out with identical dimensions and features (doors, windows, etc.) The function of the room can be up to you (bedroom, coffee shop, art studio, etc.) but should be the same for both rooms. For each space, create a feeling or mood for the occupants of the space. The mood created for one space should be the opposite or contrast to the second space. Choose a pair of contrasting words from the list provided (where do we put the list) to get started. Each collage must be on its own page. Page size preference and maximum is 11 x 17; can use smaller dimensions if needed. Collages should convey a space that includes a background, midground and foreground. Once these are established, add as many layers as needed. Use print materials from magazines, colored paper, the internet, or other design materials to find furniture, lighting fixtures, textures and other elements to complete each collage. For each collage, write a brief description of your design intent. (one to three paragraphs total). Adhere both collages and design intent on a foamcore presentation board. Label each collage with the descriptive words you selected from the list. Additionally, you may include research, inspiration imagery or any additional drawings that helped you design your space.
- 4402 Two Diorama Models. Similar to class 4401,** 4-H Members will construct two dioramas, one for each space demonstrating contrasting moods. Each diorama will be designed within similar sized boxes. Boxes should be large enough to be easily viewed but no larger than 12" x 18". Both rooms being depicted need to be the same size. Dioramas should convey a space which includes a background, midground and foreground. Once you have these established, you can add as many layers as needed. Use print materials from magazines, colored paper, the internet or other design materials to find furniture, lighting fixtures, textures and other elements to complete each room or diorama. Elements will need to be cut out and adhered to each background, midground and foreground to reflect the design of the room. Focus on selecting materials and colors to create the mood or essence of the space. Use openings in your container to experiment with the effect of light in your space. Dioramas should not contain actual figures, miniature furniture/cabinets or moveable parts. All elements should be paper adhered to materials easily found at home. For example: magazine photos, cardstock, plastic, cardboard, chipboard or other material to depict design finishes/elements within the diorama.

Architecture Focus: Architects plan, design and oversee the construction of buildings and other structures beginning with concept development to the final construction phase of projects. It's also important that they ensure the final product is safe and functional. Architects balance artistic creativity with sound building techniques while also considering how the built environment impacts people's emotions and lifestyle.

- 4403 Marble Maze or Enclosure.** Create a space in which a marble will move through a sequence of rooms, enclosures or spaces. Use different types of elements and materials to enclose your spaces or guide the marble. Consider the size of the marble and how you want the space to feel – big and open or small and enclosed. Pay close attention to the sizes of architectural elements relative to the size of the marble. To construct the marble maze or enclosure, use household materials found around the home to create the structure. (cardboard, chipboard, construction paper, paper towel or toilet paper tubes, etc.). The base of the structure should be no larger than 18” x 24” (poster board size) and 12” in height. In addition to your enclosure/maze, you may also present a small design board with illustrations/drawings to help the audience understand the path of travel for the marble, or the rules for which you designed. Write or type a brief description of your design intent (1-3 paragraphs total) to be included on the design board.
- 4405 Marble Maze Presentation Board Only.** Presentation board should be foamcore with below items attached:
Include drawings of your marble enclosure/maze design; (examples include floor plan, section, elevations, etc.)
In addition to your base drawings, include any illustrations/drawings to help your audience understand the path of travel for the marble. You may also include quality photographs that show the sequence of the marble moving through the built design. Images may be annotated, meaning you can use notes to explain your thoughts/design intent, on the board. This sequence of photos should visually tell the story of your design. Write or type a brief description of your design intent (1-3 paragraphs in total) to be included on the presentation board.

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22” x 28”), or other display (not bigger than a standard 3’ x 4’ tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3’ x 4’ table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

CLASSES

01 Educational Display Exhibit

DIVISION 24 - 4-H SEWING & TEXTILE DESIGN

Superintendent(s) – Mary Bernhardt

Assistant Superintendent(s) – Zoe Ade, Anna Bagby, Maria Escobedo-Baltazor, Amelia Higgins, Jennifer Kay-Higgins, Finley Moore, Acacia Pracht, Amber Pracht

1. Read GENERAL RULES.
2. Must be enrolled in Sewing & Textiles Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. All items will be judged Wednesday, beginning at 1:00 p.m.
7. All articles and garments must be entered at the fair on Tuesday before the fair in the 4-H Building to receive a premium and a ribbon. PLEASE NOTE: do not bring accessories or purchased items worn with garments.
8. Garments entered in this division MAY NOT be checked out at any point in time during the fair (i.e., King & Queen contest, etc.).
9. No more than 4 entries per class.
10. All entries are to be a product of the current year's 4-H project work.
11. At the time of judging each entry must be accompanied by an entry card.
12. Please indicate on the entry card a description of the clothing article (i.e., dress, pants, top, etc.).
13. The exhibitor is encouraged to attach an index card or photo, no larger than 4" x 6" with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know and could include care information. If your exhibit is made from wool, please share the wool percentage on the card. Explain if the exhibit contains any recycled materials.
14. Educational Exhibit Classes. Share with others what you learned in the Sewing and Textile project. Exhibits may be in the form of a poster, notebook, or display. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select durable materials that withstand county fair conditions. No card table displays are allowed. If the exhibit is a poster, it must not be larger than 22"x28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3'x4' tri-fold display board. Name and district must be clearly marked on educational exhibits.
15. For Classes 4006 Recycled Clothing Project - project consists of an item made of at least 50% recycled material (recycled means reusing an existing item in a new way). Could be remaking/redesigning a garment, re-purposing a clothing item for a new use, etc. Must include sewing of some kind. An index card no larger than 4" x 6" MUST accompany entry describing the recycled materials and how they were used in the item.
16. Pre-Cut kits are acceptable for all Sewing & Textile classes.
17. All articles/garments must be finished for use.
18. Please see Division 52 for Fashion Revue details.

DIVISION 25 - 4-H SHOPPING IN STYLE

Superintendent(s) – Mary Bernhardt

Assistant Superintendent(s) – Monica Baltazor, Maria Escobedo-Baltazor, Jake Tillberg, Ty Tillberg

1. Read GENERAL RULES.
2. Must be enrolled in the Shopping in Style Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. All items will be judged Wednesday, beginning at 1:00 p.m.
7. Posters can be flat poster board or foam board, no larger than 22" x 28".
8. Tri-fold educational displays must be free standing and no larger than 36" x 48".
9. Photos of 4-H member in purchased outfit must demonstrate criteria as outlined on scoresheet. Consider multiple angles, good light, and highlight details so that the judge may accurately evaluate the exhibit.
10. Exhibits should include actual photos of 4-H member in garments, and may also include pictures from magazines or the internet.
11. Please see Division 52 for Fashion Revue details.

- [Shopping in Style Educational Display Scorecard](#)
- [Cost Per Wear Form](#)

Resources:

- Project Area – [Shopping in Style](#)

CLASSES

- 01 Shopping in Style: 7-8 year olds – Showcase an element of your Shopping in Style project work in a poster or tri-fold display.
- 4020 Shopping in Style: Junior (age 9) – Choose one of the following activities from Unit 1 or Unit 2 of the curriculum project manuals. Exhibit should consist of poster that showcases:
- A. A garment you purchased that reflects your personal style and explains how this garment reflects your style and how it influences what others think of you; OR
 - B. A garment you purchased and explains how your personal style either aligns or contradicts what is considered to be “in style” today; OR
 - C. A garment you purchased and explains or illustrates how this garment is a modern version of a fad or fashion from an earlier decade; OR
 - D. A garment you purchased and explains how this garment reflects a different ethnic or cultural influence; OR
 - E. A garment you purchased and includes a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection.
- 4021 Shopping in Style: Intermediate (ages 10-13) – Choose one of the following activities from Unit 3 or Unit 4 of the curriculum project manuals. Exhibit should consist of a display that showcases:
- A. An outfit you purchased to wear with a clothing item that was already in your wardrobe that still fit but you didn’t wear anymore. Explains why the clothing item was not being worn and what you did to transform it into a wearable garment again; OR
 - B. A top and bottom that you purchased, as well as at least three pieces of clothing in your existing wardrobe that you can mix and match with the new items to create multiple outfits. Includes a clothing inventory and explain what you have learned by completing this activity; OR
 - C. An outfit you purchased and explain why you selected the garment you did, your shopping budget, and cost per wear; OR
 - D. An outfit you purchased and explain how advertising influences clothing purchases making a distinction between wants and needs. Include your shopping budget and cost per wear; OR
 - E. An outfit you purchased along with a cost comparison between garments/accessories purchased vs. sewing/constructing the outfit. Comparison should include variety of shopping options and/or price tracking at stores over a period of time.
- 4022 Shopping in Style: Senior (age 14-18) – Choose one of the following activities from Unit 5 or Unit 6 of the curriculum project manuals. Exhibit should consist of a display that showcases:
- A. An outfit you purchased and care requirements not only for this garment, but also for garments made of other natural and synthetic fibers. Display should also include a care cost analysis for garments of different fibers; OR
 - B. An outfit you purchased which you have repaired or altered. Include a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments; OR
 - C. An outfit you purchased along with plans and commentary for a fashion show that would capture the attention of an audience. Plans should identify target audience, venue, theme, budget, and logistical plan for the fashion show; OR
 - D. An outfit you purchased and explain 3 methods of clothing repair that you have learned, i.e. torn seam, torn hem, replacing a button, etc. Display should also include photos and list of your assembled clothing first aid kit. Include itemized expenses; OR
 - E. An outfit you purchased, and feature any other completed activity from the Shopping in Style curriculum of your choosing that isn’t listed above.

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

Display Comment Card

CLASSES

02 Educational Display Exhibit

DIVISION 26 - 4-H AEROSPACE/ROCKETRY

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

Read GENERAL RULES.

The Kansas 4-H Engineering & Technology: Aerospace/Rocketry program is designed to allow 4-H members to explore aerospace through rockets of various sizes. Kansas 4-H has adopted the National Association of Rocketry's rules, regulations, and safety guidelines.

1. Must be enrolled in specific Aerospace/Rocketry project to exhibit.
2. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
3. All items must be entered Tuesday prior to the fair during the designated times.
4. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
5. Judging will be held on Thursday with the other 4-H Engineering & Technology categories which will begin at 12:00 p.m.
6. Quota – Each exhibitor may enter up to two rocket exhibits. An exhibitor may not enter two rockets in the same class.

General exhibit Information for ALL rocketry categories:

1. All revisions of all forms previously released for this division either undated or dated prior to current year are void for use and new forms to be obtained and used that are dated by the State 4-H Office for the current year. Use of old forms will result in the loss of one ribbon placing for exhibits.
2. Relevant documents may be obtained from County Extension Offices or from <https://www.engtech4ks.com/rocketry/>
3. NAR refers to the National Association of Rocketry and its governing board.
4. Tripoli refers to the Tripoli Rocketry Association and governing board.
5. All NAR documents, referenced herein can be found at <http://www.nar.org>.
6. If a fire burn ban is in effect for Saline County, participants are not required to launch their rocket(s). All requirements for the launching of the rockets for the county and state fairs and the documenting of the launching are suspended for the duration of the ban.
7. At the county fair with consultation judging, it is recommended to use the consultation judging experience instead of producing a video. However, for KSF only, exhibitors may include a video showcasing their experience in the project.
 - Videos with an accompanying release form signed by the exhibitor's parent or guardian may be displayed at the KSF in the Engineering & Technology exhibit area.
 - The video must not be more than 8 minutes long and should be included on the USB drive.

Exhibit Definitions for ALL rocketry categories

1. As defined by the National Association of Rocketry (NAR), a scale model is "any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle, that has flown under rocket power." The intent of scale modeling is, according to the NAR, "to produce an accurate, flying replica of a real rocket powered vehicle that is judged for craftsmanship in construction, finish, and flight performance." (NAR) "Model Rocket Sporting Code" 52.1
2. Adult supervision is defined as being under the direct supervision of someone 18 years of age or older.
3. For the purposes of Kansas 4-H Engineering & Technology a mid-powered rocket is defined as a rocket that uses an 'E', 'F', 'G', or equivalent engine for launch. In addition, rockets also qualify for mid-power if they meet any of the following criteria:
 - a. Are 2 inches or greater in diameter (not including fins) and taller than 3 feet (36 inches including fins) and do not use an engine(s) exceeding 160.01 Newton seconds of total impulse (an 'H' engine equivalent or above).
 - b. The total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds and less than 160.01 Newton-seconds.
4. For the purposes of Kansas 4-H a high-powered rocket is defined as a rocket that meets any of the following criteria:
 - a. Weighs more than 3.3125 pounds (53 ounces or 1500 grams) at the time of launch;
 - b. Uses a 'H' engine or larger to launch
 - c. The total impulse of all engines used in the rocket is greater than 160.01 Newton-seconds of thrust.
 - d. Includes any airframes parts of ductile, metal, though, the use of ductile metal is strongly discouraged.
 - e. Models powered by rocket motors not classified as model rocket motors per NFPA 1122, e.g.:
 - i. Average thrust in excess of 80.01 Newtons
 - ii. Contains in excess of 125 grams of propellant and are limited to only H and I motors.
 - iii. Uses a hybrid motor or a motor designed to emit sparks
5. High power certification is defined as having successfully completed a certification program for high-powered rocketry through the NAR or Tripoli and maintaining that certification. This applies to all membership levels in the NAR and Tripoli. Specifically, the "Formal Participation Procedure" for the "Junior HPR Level 1 Participation Program" as outlined by the NAR and the "Tripoli Mentoring Program (TMP) as outlined by Tripoli.
6. NAR safety codes for launching and construction of all rockets are assumed to be used by all 4-H exhibitors and will be considered during judging.
7. For the purposes of Kansas 4-H, NO rocket may be launched using engines totaling more than an 'I' impulse engine or 640 Newton-seconds of total thrust.

C. Exhibit Rules for ALL rocketry categories

These rules apply to how rockets are to be displayed at the state fair and what those displays should and should not contain. These rules apply to all rockets displayed in the Engineering & Technology division.

1. The report that accompanies the rocket must be limited to the 4-H Rocket Exhibit Information Form which is affixed to a 10" x 13"

envelope. This envelope should NOT be attached to the rocket stand or rocket. The information form should be signed by the exhibitor. This may be downloaded from <http://rocketry.engtech4ks.com/>. Any rocket exhibit not including this completed envelope will receive a participation ribbon.

2. Plans (or a photocopy) must be placed inside the envelope:
 - a. This includes original design rockets.
 - b. For original design rockets, the exhibitor must provide all necessary details to construct the rocket, require the rocket to be swing tested, and documented to show a stable flight. Failure to test and document flight stability following modifications will result in two ribbon placing deductions.
 - c. If a rocket kit has been modified structurally, notations need to be given indicating the changes made, either by notations on the Rocket Exhibit Information Form or by placing notes in the plans. Such modifications require the rocket to be swing tested and documented to show a stable flight. Failure to test and document flight stability following modifications will result in two ribbon placing deductions. A different paint scheme, changes/reduction in decals, and other non-structural changes are not considered modifications and do not need to be documented.
3. One or more photographs of the rocket during construction and at the launch site are required:
 - a. Photographs showing the rocket at the moment of ignition are preferred.
 - b. Photographs must be mounted on one side of 8 ½" x 11" page(s).
 - c. There must be at least 1 page of photos and no more than 5 pages of photos.
 - d. Include at least one photo showing rocket construction, preferably with the exhibitor included.
 - e. Do not include photos of members catching their rockets as they return to earth. This is an unsafe practice, and we do not recommend or condone this practice.
 - f. Pictures at the launch site are not required in the event of a burn ban.
4. To exhibit in this division:
 - a. The rocket must have been flown unless a burn ban is in effect.
 - b. Support rods must not extend past the tip of the highest nosecone on the model. This reduces the likelihood of eye pokes.
 - c. Support rods must remain in the upright position, 90 degrees to the display base, do not angle. Support rods may be angled if the rocket itself remains in the upright position. For example, if engine tubes are slanted and the best form of support for the rocket is to use an angled support post. If the rocket is not perpendicular to the display base, the judge should deduct one ribbon placing.
 - d. No model may be submitted on a launch pad
5. Launches should not be conducted in winds above 20 mph and will constitute a disqualification of rocket exhibit.
6. All rockets must have a safe method of recovery, e.g., parachute, streamer or tumble recovery. Any rocket without a recovery system will be disqualified.
7. The altitude achieved by the rocket is to be determined using a method other than estimation. Examples of accepted methods include altimeter, computer software, range finders, etc. If additional space is needed to show calculations of how the altitude was achieved one additional page may be added to the rocketry information pack.
8. Flight damage is to be documented by the participant on either the construction plans, an additional sheet of paper titled "flight damage" or the 4-H Rocket Exhibit Information Form.
9. The judging of flight damage is to be secondary to all other aspects of the model and only then may it even be considered. However, under no circumstance may flight damage be grounds for disqualification.
10. Accidental Damage – Any damage to an entry while it is in the custody of the Judges, Assistant/Superintendents, or Extension Staff must not be held against the exhibitor. For example, escape towers being knocked off the top of rockets during transport (both the escape tower and rocket may still be judged). Such damage is to be reported and documented.
11. Improvements – Improvements may be made to the exhibit prior to the State Fair to improve the overall presentation of the exhibit while maintaining the major substance of the exhibit. For example, a cooking entry of a cookie is re-prepared between a county and state fair, most likely using recommendations from the first judging. It's the same recipe just with improved technique.
12. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an **immediate** disqualification.
13. If an engine becomes stuck, jammed, wedged, or in any other way permanently affixed in or to a rocket and cannot be removed from the rocket, the rocket will be subject to immediate disqualification. This is because it is not possible to make a full and immediate assessment of the safety of the rocket when it is being judged and safety is paramount.
14. Engines may not be used as display stands hollowed out or otherwise. Engines used as a display stand will cause the exhibit to be subject to immediate disqualification.
15. Rocket engines should not be used to join multi-stage rockets together.
 - a. Multi-stage rockets can be displayed without having the stages connected together. In that case the final stage (the one with the nose cone) should be placed on the display stand, and other stages with a loop of string to the display stand.
 - b. The different stages must be included to complete the rocketry exhibit, incomplete exhibits will be deducted at least one ribbon placing.
 - c. Use of any engines to join the stages together will be subject to immediate disqualification.
16. Multi-stage rockets can be flown using just the final stage and be considered fully flown.
17. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon. All information necessary will be given to the NAR and/or TRIPOLI for investigation and possible revocation of membership.

D. Construction Rules for ALL Rockets

These rules apply to how rockets are to be displayed at the fair and what those displays should and should not contain. These rules apply to all rockets displayed in the Aerospace/Rocketry division.

1. Rockets are to be properly assembled according to the assembly instructions.

2. Beginner kits with prefabricated (molded plastic) fin assemblies and pre-finished rockets requiring no painting are not acceptable at the State Fair and will be disqualified. County Fairs may consider different rules for Junior members.
 - a. This rule does not apply to plastic fins that must be manually aligned and do not utilize a fin alignment mechanism, including, but not limited to fin alignment rings or spacing blocks.
 - b. This rule does not apply to fiberglass, Kevlar, composite, or wood fins; especially when used for “through-the-wall” fin attachment techniques that are common in larger rockets.
 - c. In addition, plastic parts for decorative and mechanical purposes (i.e., decorative nozzles and moving landing struts) are not considered fins and can consist of plastic. Decorative nozzles, etc. need to be securely fastened and not pose a safety hazard.
 - d. Fin assemblies that are printed using a 3D printer are excluded from this rule. Though detailed instructions on the creation of the fin assemblies must be provided and an additional page of photos may be included to show the creation/printing of fin assemblies
3. Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from <http://rocketry.engtech4ks.com/>. Fins should be rounded or streamlined according to instructions. If the other edges are rounded to reduce drag on all exposed sides, there should be no ribbon deduction, unless instructions indicate to leave flat, or instructions say to round and rounding was not done.
4. Fins and body tubes are to be sealed with filler, sanding sealer and/or primer to eliminate the appearance of body grooves and wood grain.
5. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
6. Engine mounts are to be securely attached to the body tube.
7. Any seams on plastic parts are to be sanded smooth.
8. Body tubes/airframes/engine mounts can be made from suitable materials, including, but not limited to: reinforced paper, cardboard, phenolic resin, specialized polymer resins, fiberglass, Kevlar, or other suitable structural materials. However, foam may not be used for external body or other external rocket parts.
9. The nose cone is to fit snugly but still allow for easy removal. If the shock cord frequently becomes stuck between the nosecone and body, it should be trimmed.
10. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions, and have decals applied smoothly. The rocket should be free of “runs,” “orange peel,” or “crackling” in the finish.
11. Non-standard surfacing (such as textured paint) may be used if directed by the instructions, this includes scratch-built rockets.
12. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a ‘scale model.’ All other rockets do not have to follow the suggested paint scheme, allowing the 4-H’er to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move a non-scale model from one ribbon placing to another.
13. “Scale models,” exhibited in the scale model class, may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
14. Scale Model Rockets, exhibited in the scale model class, are to be finished and completed with a majority (greater than 70%) of decals.

E. Model Rocketry Specific Guidelines (Ages 9 and older)

Model rockets are generally small-to-medium sized rockets that can be purchased at hobby stores that an individual(s) builds from parts similar to those found in model rocket kits.

1. Rockets classified as high or mid powered may not be entered in this category.
2. Each rocket must be able to stand freely by itself or be supported by a solid base, not to exceed 4-1/4” (four and one quarter inch) thick and 8” square. The exhibitor’s name, county or district, and age must be labeled on the base. Rod materials should be sturdy, and not made of flimsy materials, such as coat hangers.
3. If the model rocket is greater than 4 feet tall it can be displayed without a base or displayed parallel to the ground with up to 3 notched blocks not to exceed 4” in height width and depth. The exhibitor’s name, county or district, and age must be labeled on the base(s).
4. All exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification in this code, the Engineering and Technology Project Partnership Team may review and implement the modified code.

F. Original Design Specific Rocket Guidelines (Ages 11 and older)

To allow for youth to develop their own rockets (model, mid, and high powered) in a safe manner that displays maximum craftsmanship.

1. Original design rockets cannot be a modification of a pre-existing kit and must be of original design.
2. Original design rockets must be designed by the exhibitor(s).
3. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.
4. Original design rocket instructions should not include copies of instructions in part or in whole from existing kits.
5. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying. Swing testing of the rocket is required. Other tests and calculations are encouraged. Exhibitors must include documentation of the swing test. Failure to swing test a rocket will result in a deduction of TWO ribbon placings.
6. A minimum of one additional page must be added to the rocketry information pack detailing the test(s) performed to insure stability. 4-H’ers are strongly encouraged to provide as much detail as possible. Failure to provide adequate written documentation will result in a disqualification.

Resources:

- Project Area – Aerospace/[Rocketry](#)
- [Aerospace/Rocketry Scoresheet](#)

CLASSES

Division AA- Exhibitors 7 through 8 years old (county only)

- 01 Rocket made from kit, without pre-assembled fin units. Include plans.
- 02 Rocket made from "beginners kit." Include plans. Rockets in this class may have pre-assembled fin units (plastic). (This class is for first and second year 4-H members to explore the rocketry project).
- 03 Scale Model Rocket made from kit, include plans.

Division A – Kits (Ages 9 – 13 years)

- 5520 Rocket made from kit. Include plans.
- 5537 Scale Model Rocket. Made from kit, includes plans.

Division B – Scratch Built (Ages 11 – 13 years) 9 and 10-year-olds may not enter this class.

- 5521 Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.
- 5538 Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Division C (Ages 14 years and older)

- 5525 Rocket made from kit. Include plans.
- 5526 Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.
- 5527 Rocket designed by exhibitor: that uses alternative skins; not merely a modification of an existing kit. Include original plans.
- 5539 Scale Model Rocket made from kit. Include plans.
- 5540 Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Division D – Team Built (Ages 11 years and older)

This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.

- 5530 Rocket designed by 2 or more exhibitors: not merely a modification of an existing kit. Include original plans.

Mid-power Rocketry (2x'D' to 'G' Engines) Guidelines:

Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H mid-power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high/mid power information form is to be completed and placed inside of the information packet. This may be downloaded from <https://rocketry.engage4ks.com/> ~~Click on the Kansas State Fair link.~~
4. Exhibitors in this division must hold memberships in either NAR or Tripoli organizations.
5. The NAR Model Rocket Safety code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1st of the current year. However, in the event that there is a modification in this code the Engineering and Technology Project Partnership Team may review and implement the modified code.
6. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
7. High power rockets as defined above ('H' or 'I' engines) may not be launched in this division.
8. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High-Power Information Form. In the case where the launch was a public event a substitute to a copy of the waiver is the Range Safety Officers (RSO's) contact information, launch location, and date.
9. Mid- Power rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division E (Ages 14 years and older)

- 5536 Mid-power rocket made from kit or original design.

High Power Rocketry ('H' or 'I' engines) Guidelines

To allow for improved safety and judging of rockets that meet the requirements of 4-H high power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high-power information form is to be completed and placed inside of the information packet. This may be downloaded from <https://rocketry.engage4ks.com/>
4. Exhibitors in this division must hold memberships in either NAR or Tripoli organizations.
5. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification in this code the Engineering and Technology Project Partnership Team may review and implement the modified code.
6. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
7. For rockets launched using an engine(s) that have 160.1 ('H' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification, and should include supporting documentation of such (a copy of Level 1 card is sufficient).
8. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High-Power Information Form. In the case where the launch was a public event a substitute to a copy of the waiver is the Range Safety

Officers (RSO's) contact information, launch location, and time.

8. High Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division F (Ages 14 years and older)

5535 High power rocket made from kit or original design.

Educational Exhibits Rules

1. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
2. Exhibits are to have a clear link to the Engineering & Technology area of Aerospace/Rocketry.
3. Exhibits in posters, notebooks, and display boards must contain substantial supporting educational materials.
4. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <https://rocketry.engtech4ks.com/>. For example, a rocket that may have crashed and/or is highly damaged may be made into an educational display or poster that tells a great story with many lessons learned.
5. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
6. Educational display are not to exceed 4' high x 3' wide x 2' deep. No card table exhibits will be allowed. Care should be take to use durable materials that will withstand conditions at the local fair and/or Kansas State Fair.
7. Posters are limited to commercial 3' x 4' tri-fold display boards.
8. "Construction kits" that are a part of Educational Displays must be contained in cases (tackle boxes, sealable containers, etc.), that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits." Other components are to adhere to appropriate dimensions as stated elsewhere.
9. Educational Project Notebooks must be organized in a 3-ring binder.
10. Any three-dimensional posters or display board exhibits may not be thicker than 2 inches.
11. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
12. Exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the notebook, and/or "Construction Kit." For education displays and/or posters, the exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.
13. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
 - e. Be related to Astronomy, Computer Systems, Robotics, Rocketry, or Uncrewed Aerial Systems
14. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
15. Posters, Notebooks, and Display Boards may be checked out for use in a Kansas State Fair 4-H Demonstration or Illustrated Talk with prior permission. For permission, check with the superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk, or the exhibit will be disqualified.

Classes

Aerospace/Rocketry – Junior Division (ages 7-8) – County Only

- 04 Rocketry Educational Display
- 05 Rocketry Notebook
- 06 Rocketry Poster

Aerospace/Rocketry – Intermediate Division (ages 9-13)

- 5741 Rocketry Educational Display
- 5742 Rocketry Notebook
- 5743 Rocketry Poster

Aerospace/Rocketry – Senior Division (ages 14 years and older)

- 5746 Rocketry Educational Display
- 5747 Rocketry Notebook
- 5748 Rocketry Poster

DIVISION 27 - AG MECHANICS WELDING

Superintendent(s) – Sunni Baltazor

Assistant Superintendent(s) – Gauge Fritz

Guidelines:

1. Read GENERAL RULES.
2. 4-H members must be currently enrolled in the specific 4-H Engineering and Technology project to exhibit in this division.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Thursday with the other 4-H Engineering & Technology categories which all will begin at 12:00 p.m.
7. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year.
8. Wheeled exhibits must utilize a breaking mechanism which prevents the exhibit from freely rolling while on display.
9. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the superintendent or Extension Staff and labeled with the exhibitor's name, county, and phone number.
10. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total dimensions and weight of the exhibit. Exhibit boards should have a portable and moveable base. No exhibits may be staked to the ground for display.
11. For exhibits with downward swinging parts, such as tailgates, that could pose a fall/striking/crushing hazard should have a tamper resistant locking mechanism such as a "zip-tie" or a "cotton-key" through a release pin that would prevent the swinging part from being accidentally released and falling on someone.
12. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total dimension's and weight of the exhibit as described previously. Exhibit display boards should have a portable and moveable base and examples should be firmly affixed to the board to ensure all parts of the display stay together. No exhibits may be staked to the ground for display.
13. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
14. Exhibits may not be bound, affixed, attached to the buildings.
15. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents one ribbon placing will be deducted.
16. Repair projects having adequate original finish need not be repainted.
17. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
18. Display cases for small exhibits, such as knives, are acceptable, and must be easily opened so the item can be removed and examined as part of judging.
19. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
20. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
21. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
22. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a deduction in ribbon placement or a participation ribbon.
23. The exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the display.
24. Each exhibitor is required to complete the "4-H Ag Mechanics Welding Exhibit Information Form" for each exhibit, except for display boards, which is available at <http://welding.4h.org/4ks.com/>. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year.
25. Each exhibit information packet should include the following items:
 - a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
 - c. If appropriate schematics or working drawings relating to the creation or repair
 - d. If appropriate operating instructions
26. For the Kansas State Fair, the 4-H member can include a video showcasing the project as well as a walkthrough of any project mechanics.
 - Videos with an accompanying release form signed by the exhibitor's parent or guardian may be displayed at the KSF in the Engineering & Technology area.
 - The video must not be more than 8 minutes long and should be included on the USB drive.
 - For county fairs with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.
27. Please describe your exhibit including dimensions in the online pre-entry form. Floor space will be provided for large exhibits. Please be sure to give accurate dimensions in your pre-entry to ensure we will have secured a space for the exhibit. If your exhibit can be displayed outside, please note that in your pre-entry.

Resources

- Project Area – Ag Mechanics Welding

- Ag Mechanics Welding Scoresheet

Classes

Junior (ages 7-8) – County only

This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

- 05 Welding Display Board. A 3' x 3' display board with different pieces of metal attached illustrating different types of welds, each weld being labeled.
- 06 Level 1 Welding Ag Repair. Repair of ag equipment with welding.
- 07 Level 1 Welding Ag Fabrication. Creation of new ag equipment with welding.
- 08 Level 1 Welding General Repair. Repair of non-ag equipment with welding.
- 09 Level 1 Welding General Fabrication. Creation of non-ag equipment with welding.
- 10 Level 1 Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.
- 11 Level 1 Brazing Repair.
- 12 Level 1 Brazing Fabrication.
- 13 Smithing Display Board. A 3' x 3' display board with different pieces of forged metal attached illustrating different forms, each form being labeled.
- 14 Level 1 Smithing. A design forged with at least **one** formed element (twists or spirals for example).

Intermediate (ages 9-13)

This level is designed for youth with some experience in the project area allowing them to expand on common principles and methods in the given area.

- 5560 Intermediate Welding Ag Repair. Repair of ag equipment with welding.
- 5561 Intermediate Welding Ag Fabrication. Creation of new ag equipment with welding.
- 5562 Intermediate Welding General Repair. Repair of non-ag equipment with welding.
- 5563 Intermediate Welding General Fabrication. Creation of non-ag equipment with welding.
- 5564 Intermediate Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.
- 5565 Intermediate Brazing Repair.
- 5566 Intermediate Brazing Fabrication.
- 5567 Intermediate Smithing. A design forged with at least **two** different formed elements (twists and spirals for example).

Senior (ages 14 and older)

This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.

- 5570 Senior Welding Ag Repair. Repair of ag equipment with welding.
- 5571 Senior Welding Ag Fabrication. Creation of new ag equipment with welding.
- 5572 Senior Welding General Repair. Repair of non-ag equipment with welding.
- 5573 Senior Welding General Fabrication. Creation of non-ag equipment with welding.
- 5574 Senior Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.
- 5575 Senior Brazing Repair.
- 5576 Senior Brazing Fabrication.
- 5577 Senior Smithing. A design forged with at least **three** different formed elements (twists, spirals and bulbs for example).

County Fair Only Classes

- 01 Welding item that doesn't fit another class in this division

Educational Exhibits Rules

- For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
- Exhibits are to have a clear link to the Engineering & Technology area of Ag Mechanics Welding.
- Exhibits in posters, notebooks, and display boards must contain substantial supporting educational materials.
- Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <http://welding.engtech4ks.com/>.
- Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
- Educational display are not to exceed 4' high x 3' wide x 2' deep. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand conditions at the local fair and/or Kansas State Fair.
- Posters are limited to commercial 3' x 4' tri-fold display boards.
- "Construction kits" that are a part of Educational Displays must be contained in cases (tackle boxes, sealable containers, etc.), that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits." Other components are to adhere to appropriate dimensions as stated elsewhere.
- Educational Project Notebooks must be organized in a 3-ring binder.
- Any three-dimensional posters or display board exhibits may not be thicker than 2 inches.
- For education displays and/or posters, the exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the

back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.

12. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
13. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
14. Posters, Notebooks, and Display Boards may be checked out for use in a Kansas State Fair 4-H Demonstration or Illustrated Talk with prior permission. For permission, check with the superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk, or the exhibit will be disqualified.

Classes

- 5478 Ag Mechanics Welding Educational Display
- 5479 Ag Mechanics Welding Educational Notebook
- 5480 Ag Mechanics Welding Educational Poster

DIVISION 28 - ASTRONOMY

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

Guidelines:

1. Read GENERAL RULES.
2. 4-H members must be currently enrolled in Astronomy Project to exhibit in this division.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Thursday with the other 4-H Engineering & Technology Divisions which will begin at 12:00 p.m.
7. Each exhibitor may enter one exhibit per class. Exhibits must have been completed during the current year.
8. Telescopes entered into this division may be a kit or original design. Pre-finished telescopes which require no construction are not acceptable exhibits.
9. Telescopes should not be more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
10. Each telescope exhibit must include a "4-H Astronomy Exhibit Information Form," which is available through your local K-State Research and Extension office or at <http://astronomy.engtech4ks.com/>. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the Engineering & Technology division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year. You must also include construction plans (or a photocopy) for the telescope and place it inside the manila envelope.
11. At least two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 ½" x 11" page. A brief caption should accompany each photograph. Place photos in the 10"x13" manila envelope. Up to 10 pages of pictures may be included.
12. The telescope must be properly assembled and painted with a smooth and uniform finish.
13. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
14. Exhibitor's name, county or district; age, and year(s) in project, must be tagged or labeled on the telescope.
15. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit at the judges discretion, will receive a participation ribbon.
16. For the Kansas State Fair, the 4-H Member can include a video showcasing their project as well as a walkthrough of any project mechanics.
 - Videos with an accompanying release form signed by the exhibitor's parent or guardian may be displayed at the KSF in the Engineering & Technology exhibit area.
 - The video must not be more than 8 minutes long and should be included on a USB drive.
 - For county fairs with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.

CLASSES

- 5500 Telescope made from kit.
5501 Telescope made from original design.

Educational Exhibits Rules

1. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
2. Exhibits are to have a clear link to the Engineering and Technology area of Astronomy
3. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <https://www.kansas4-h.org/projects/engineering-technology/astronomy/index.html>.
4. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
5. Educational display are not to exceed 4' high x 3' wide x 2' deep. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand conditions at the local fair and/or Kansas State Fair.
6. "Construction kits" that are a part of Educational Displays must be contained in cases (tackle boxes, sealable containers, etc.), that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits." Other components are to adhere to appropriate dimensions as stated elsewhere.
7. Educational Project Notebooks must be organized in a 3-ring binder.
8. Any three-dimensional posters or display board exhibits may not be thicker than 2 inches.
9. Exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.
10. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme

- b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
11. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
12. If a 4-H Member is giving a presentation at the Kansas State Fair, posters, notebooks, and display boards may be checked out for use in a Kansas State Fair 4-H Demonstration or Illustrated Talk with prior permission. For permission, check with the Kansas State Fair superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk, or the exhibit will be disqualified.

CLASSES

Astronomy – Junior Division (Ages 7-8) – County Only

- 01 Astronomy Educational Display
- 02 Astronomy Educational Notebook
- 03 Astronomy Educational Poster

Astronomy – Intermediate Division (Ages 9-13)

- 5731 Intermediate Astronomy Educational Display
- 5732 Intermediate Astronomy Educational Notebook
- 5733 Intermediate Astronomy Educational Poster

Astronomy – Senior Division (Ages 14 years and older)

- 5736 Senior Astronomy Educational Display
- 5737 Senior Astronomy Educational Notebook
- 5738 Senior Astronomy Educational Poster

DIVISION 29 - 4-H BUILDING BLOCK ENGINEERING

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

Guidelines:

1. Read GENERAL RULES.
2. 4-H members must be currently enrolled in the specific 4-H Building Block Engineering project to exhibit in this division.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Thursday with the other 4-H Engineering & Technology Divisions which will begin at 12:00 p.m.
7. Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year.
8. Counties are limited to FOUR exhibits to the state fair to insure sufficient space for all exhibitors.
9. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep. The minimum exhibit dimensions must be at least 6 inches wide and deep.
10. All exhibits are required to be placed in a sturdy see-through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. It may be desirable to place a cutting board or other hard surface between the lid and the base plate of the exhibit to make it sturdier. This is to keep exhibit components from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure do not count towards the total exhibit dimensions but should not be excessive. The entire exhibit should fit in the display enclosure so the enclosure does not smash into the exhibit during movement.
11. All components used in construction should be dust and hair free, clean, free of chips, scuffs, cracks, or broken blocks.
12. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®.
13. Gaps or cracks should not be visible between assembled blocks unless they fit with the story, for example: an earthquake.
14. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example marbles for small round objects.
15. The use of existing “store bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as is using individual bricks or small sub-assemblies to create something different than the architectural component of the set it came from. For example, a car hood or front end from a car kit could be used in a “car museum,” just not the entire car. The intent of this is to ensure fairness among exhibitors and encourage maximum creativity instead of just following a set of plans.
16. Dioramas should be suitably complex and have multiple elements, for example: a camp site that has a log cabin, a tree fort, and a car.
17. All dioramas should have a story, which is part of the information pack, that describes what is happening in the diorama; this can be as simple (the nursery rhyme “Jack and Jill” for example) or complex as needed to explain to someone looking at the exhibit what is happening.
18. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method
19. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, merry-go-rounds, doors, elevators, gears, marbles going down a channel, flapping wings, animatronics, etc. If included judges should be able to use them and instructions should be provided for operation either in the story or on a separate page.
20. Artistic designs, for example: recreating paintings like the “Mona Lisa” or “Starry Night” and sculptures like “David,” are not permitted as exhibits and one ribbon placing should be deducted. These exhibits should be displayed in Visual Arts.
21. The exhibitor’s name(s) and county or district must be tagged or labeled on the display. Additionally, the display case should have the exhibitor’s information attached to both the lid and clear container as well, as the top part of the case may be separated from the display
22. Entry of either a packet without an accompanying exhibit or an exhibit without a packet is not a sufficient exhibit.
23. Each exhibitor is required to complete the “4-H Building Block Engineering Exhibit Information Form” which is available through your local K-State Research and Extension office or at <http://blocks/engtech4ks.com/>. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
24. Each exhibit information packet should include the following items:
 - a. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state. Final pictures help in determining where a part might go in case something comes loose.
 - b. If appropriate operating instructions for mechanical portions of the diorama.
25. For the Kansas State Fair, the 4-H Member can include a video showcasing their project as well as a walkthrough of any project mechanics.
 - Videos with an accompanying release form signed by the exhibitor’s parent or guardian may be displayed at the KSF in the Engineering & Technology exhibit area.
 - The video must not be more than 8 minutes long and should be included on a USB drive.
 - For county fairs with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.

Resources:

- Project Area – [Architectural Block Engineering](#)
- [Building Block Engineering Scoresheet](#)

CLASSES

- 5710 Intermediate (ages 9-13). Interlocking brick diorama built from scratch.
- 5711 Senior (ages 14 and up). Advanced interlocking brick diorama built from scratch.

County Fair Only Class

01 Junior (ages 7-8). Interlocking brick diorama built from scratch.

Educational Exhibits Rules

1. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
2. Exhibits are to have a clear link to the Engineering & Technology area of Building Block Engineering.
3. Exhibits in posters, notebooks, and display boards must contain substantial supporting educational materials.
4. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <http://blocks.engtech4ks.com/>.
5. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
6. Educational displays are not to exceed 4' high x 3' wide x 2' deep. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand conditions at the local fair and/or Kansas State Fair.
7. Posters are limited to commercial 3' x 4' tri-fold display boards.
8. "Construction kits" that are a part of Educational Displays must be contained in cases (tackle boxes, sealable containers, etc.), that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits." Other components are to adhere to appropriate dimensions as stated elsewhere.
9. Educational Project Notebooks must be organized in a 3-ring binder.
10. Any three-dimensional posters or display board exhibits may not be thicker than 2 inches.
11. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
12. Exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled in a prominent location on the notebook, and/or "Construction Kit." For education displays and/or posters, the exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.
13. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
 - e. Be related to Astronomy, Computer Systems, Robotics, Rocketry, or Uncrewed Aerial Systems
14. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
15. Posters, Notebooks, and Display Boards may be checked out for use in a Kansas State Fair 4-H Demonstration or Illustrated Talk with prior permission. For permission, check with the superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk, or the exhibit will be disqualified.

CLASSES

Building Block Engineering – Junior Division (Ages 7-8) – County Only

- 02 Building Block Engineering Educational Display
 03 Building Block Engineering Educational Notebook
 04 Building Block Engineering Educational Poster

Building Block Engineering – Intermediate Division (Ages 9-13)

- 5481 Intermediate Building Block Engineering Educational Display
 5482 Intermediate Building Block Engineering Educational Notebook
 5483 Intermediate Building Block Educational Poster

Building Block Engineering – Senior Age Division (Ages 14 years and older)

- 5484 Senior Building Block Engineering Educational Display
 5485 Senior Building Block Engineering Educational Notebook
 5486 Senior Building Block Engineering Educational Poster

DIVISION 30 - 4-H COMPUTER SCIENCE

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

Guidelines:

1. Read GENERAL RULES.
2. 4-H members must be currently enrolled in the specific 4-H Computer Science project to exhibit in this division.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Wednesday with the other 4-H Engineering & Technology Divisions which will begin at 12:00 p.m.
7. Each exhibitor may enter one exhibit per class. Exhibits must have been completed during the current 4-H year.
8. The actual construction of computer hardware (For example, building a computer, which would include computer components plugged into a motherboard, discrete circuitry soldered on a printed circuit board, or wire-wrapped circuitry) will be entered in the Electronics Division, except for exhibits entered in Class 5594.
9. If a safety violation is noted by the judge, superintendent, or other staff, the exhibitor's exhibits, at the judge's discretion, will be disqualified. A safety violation could include Malware, a virus, or any similar program that potentially is harmful.
10. All exhibits in the Computer Science Division must be entered on a USB drive containing all supporting documents as listed below for each class.
 - a. The USB drive should be included in a manilla folder with the Computer Science Exhibit Form (found at <http://computers.engtech4ks.com/> or your local Extension Office) attached to the front.
 - b. The USB drive should be labeled with the 4-H member's name and county.
11. Source code must be included on the USB drive for all computer programming projects coded by the 4-H member. This could include a .txt file, python file, Scratch URL, etc. Failure to include the source code will result in one ribbon deduction.
12. Each exhibit must include written operating instructions including how to locate, run, and use the project. Operating instructions should be printed and placed in the manilla envelope and included digitally on the USB drive.
13. Each exhibit must be accompanied by a typed requirements document included on the USB drive. See [link] for a template that can be used for documenting requirements.
 - a. The requirements document should start at the beginning of the project. It will include a list of goals and requirements that the 4-H member wants to include or achieve in their final project.
 - b. The project requirements section is formatted as a checklist, with the 4-H member checking off what they accomplished and making adjustments throughout their work on the project as needed.
 - c. Flow charts, designs, or other diagrams may be included for computer programs to show the logical flow of the program as needed.
14. For coded computer programs, screenshots of the program will be displayed digitally (KSF only). Screenshots must be included electronically on the USB drive. At the county fair, it is recommended to print the screenshots for display potential.
15. All electric components of micro controlled devices must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
16. For the Kansas State Fair, the 4-H member must include a video showcasing how to open and run the project as well as a walkthrough of any project mechanics.
 - a. Videos with an accompanying release form (<http://computers.engtech4ks.com/>) signed by the exhibitor's parent or guardian may be displayed at the KSF in the Engineering & Technology exhibit area.
 - b. The video must not be more than 8 minutes long and should be included on the USB drive.
 - c. For county fairs with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.
17. Judges in this division will have a computer to test exhibits and view files. 4-H members may also bring their own computer to the county fair to show their exhibit and files. If you have questions about the configuration of the judges' computer, please contact the Extension Office at least two weeks prior to judging time. A list is provided in the Kansas State Fair paper for configurations if the exhibit goes to the KSF.
18. Judging of microcontrolled devices is based on the code, not the hardware.
19. Judging will be based on a score sheet that can be found at: <http://computers.engtech4ks.com/>. There are three areas each exhibit will be judged on:
 - a. Requirements Document
 - b. Operating Instructions
 - c. Functionality (how well did the project meet project objectives)

Resources:

- Project Area –[Computer Science](#)
- [Computer Science Scoresheet](#)

CLASSES

Computer Science Division

- 5590 Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a 'word document' or a picture drawn in 'Microsoft Paint').
- 5591 Coded website built entirely by the 4-H Member (not using a pre-made template generator such as Wix or Squarespace). Items in this class could be coded in HTML, CSS, Javascript, Wordpress, or other web-based programming languages or platforms.
- 5594 Microcontroller or microcomputer application – a small circuit board that is programmed to accomplish a specific task (projects built and programmed using Raspberry Pi, Arduino, etc.)

Educational Exhibits Rules

1. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
2. Exhibits are to have a clear link to the Engineering and Technology area of Computer Science.
3. Exhibits in posters, notebooks, and display boards must contain substantial supporting educational materials.
4. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <http://computers.engtech4ks.com/>.
5. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
6. Educational display are not to exceed 4' high x 3' wide x 2' deep. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand conditions at the local fair and/or Kansas State Fair.
7. Posters are limited to commercial 3' x 4' tri-fold display boards.
8. "Construction kits" that are a part of Educational Displays must be contained in cases (tackle boxes, sealable containers, etc.), that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits." Other components are to adhere to appropriate dimensions as stated elsewhere.
9. Educational Project Notebooks must be organized in a 3-ring binder.
10. Any three-dimensional posters or display board exhibits may not be thicker than 2 inches.
11. Exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.
12. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
13. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
14. Posters, Notebooks, and Display Boards may be checked out for use in a Kansas State Fair 4-H Demonstration or Illustrated Talk with prior permission. For permission, check with the superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk, or the exhibit will be disqualified.

CLASSES

Computer Science – Junior Division (Ages 7-8) – County Only

- 01 Computer Science Educational Poster
- 02 Computer Science Display
- 03 Computer Science Notebook

Computer Science – Intermediate Division (Ages 9-13)

- 5771 Computer Science Educational Poster
- 5772 Computer Science Display
- 5773 Computer Science Notebook

Computer Science – Senior Division (Ages 14 years and older)

- 5776 Senior Computer Science Educational Poster
- 5777 Senior Computer Science Display
- 5778 Senior Computer Science Notebook

DIVISION 31 - 4-H/FFA ELECTRIC & RENEWABLE ENERGY

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

1. Read GENERAL RULES.
2. Must be enrolled in Electric & Renewable Energy project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. Judging will be held on Wednesday with Wildlife / Forestry / Shootings Sports which will begin at 10:00 a.m.
6. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
7. Each Electronics & Renewable Energy exhibit must include a “4-H Electronics & Renewable Energy Information Form” which is available through the Extension Office or at <http://electric.engtech4ks.com/>. This form must be attached to the outside of a 10” x 13” manilla envelope. For notebooks, display boards, and posters, no additional exhibit information is required and no manilla envelope is needed for these exhibits.
8. Exhibitor may enter up to three items in this division, but only one article per class. Label each article giving owner’s name, address, district, name of article, and class.
9. Each exhibit must have a scorecard completed and attached securely. This scorecard is available from the Extension Office.
10. Items that have been in use should be cleaned for exhibit.
11. A sheet of operation instructions must be furnished and included in the manilla envelope for any exhibit not self-explanatory.
12. Exhibits (Classes 1, 2, and 3) must be operable using only 110 or 120 V AC or battery power. If battery power is required, batteries must be furnished.
13. Any project with a complexity of size or electronics must have (a) instructions for assembly and use and (b) equipment available at the time of judging for actual testing of the exhibit.
14. No hand dipped solder may be used on exhibits.

Scoresheets, Forms, and Contest Study Materials:

- [Electric & Renewable Energy Exhibit Scoresheet](#)
- [Electric & Renewable Energy Educational Exhibit Scoresheet](#)

Resources:

- Project Area –[Electric & Renewable Energy](#)

- Electric & Renewable Energy-

Classes

- 4600 AC Electric: Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.
- 4601 DC Electric: Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered project. Examples include: wiring two- or three-way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must include batteries supplied by 4-H'er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.
- 4602 Electronic: Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.
- 4603 Educational Displays and Exhibits: The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3' x 4'.
- 4604 Newly built or repaired computers. This class is for newly built or repaired computers (laptop or PC) and allows 4-H members to demonstrate skills integrating the various parts of a computer into a single unit. Display should show either a fully functional computer or show what the individual components do. The display should be free of dust and cabled neatly. Fully functional computers should boot up and do not need to include a monitor, keyboard, or mouse at the KSF.

Alternative ENERGY

(A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves) All exhibits in this division are limited in size to standard, tri-fold, display boards (36” X 48”) and items may not extend beyond 12” from the back board. All displays must be self-standing.

- 4620 Educational Display: Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.
- 4621 Experiment: Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions and recommendations for future study.

DIVISION 32 - 4-H ROBOTICS

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

Guidelines:

1. Read GENERAL RULES.
2. Must be enrolled in specific 4-H Robotics project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Thursday with the other 4-H Engineering & Technology Divisions which will begin at 12:00 p.m.
7. Each exhibitor may enter one robot per class. Exhibit must have been constructed/completed during the current 4-H year.
8. Each exhibit must include a robot, information packets are not a sufficient exhibit.
9. Robots must have automated articulated structures (arms, wheels, grippers, pneumatic, hydraulic, etc.). Game consoles that display on a screen are not considered robots and should either be entered in Computer Science Division or Electronics & Renewable Energy Division. Robots requiring no assembly, just programming, such as Ozobots, are considered Computer Science exhibits as the skill is focused on the programming not on the construction of the robot.
10. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. If displayed in a case (not required, but strongly encouraged for county fair) the outside case dimensions should not be excessive. The display case should have the exhibitor's information attached to both the lid and cover, as the top part of the case may be separated from the display.
11. Materials including but not limited to obstacles, spare batteries, and mats for testing the robot may be placed in a separate container, which is not included in the robot's dimensions, that container may not be larger than 576 cubic inches as measured along the outside of the container. (Examples: 4"x4"x36" or 4"x8"x18" or 6"x6"x16") The container, if used, and/or any large objects (such as mats or obstacles) should be labeled with the exhibitor's name(s) and county or district as they will be stored separately from the exhibit.
12. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is **NOT** considered an adequate enclosure or covering for electrical components.
13. Robots may be powered by an electrical, battery, water, or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.
14. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Robots programmed on phones/tablets need to have a specific program created, using motion controls to move the robot are not acceptable, for example "press forward on the screen to make the robot go forward." Robotic arms (hydraulic or electric) are allowed. A remote is allowed provided more than a single action happens when a single button is pressed on the remote, for example "a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds." Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
15. Each robot must be in working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete its intended task. In the event the robot uses a phone, tablet, or similar device for programming AND control of the robot a video will be used to evaluate the working condition of the robot. It should follow the instructions provided for operation so that the judge can follow along with the provided instructions. For county fairs, where consultation judging is used, the video requirement should be waived in favor of actual operation of the robot.
16. Each exhibitor is required to complete the "4-H Robotics Exhibit Information Form" which is available at <http://robotics.engtech4ks.com/>. This form must be attached to the outside of a 10"x13" manila envelope. All revisions of all forms previously released for the Engineering & Technology division either undated or dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year. Use of old forms should result in the loss of one ribbon placing for exhibits.
17. The exhibit must include written instructions for operation (the instructions should be written as if they were to tell a grandparent or elderly person how to operate the robot), construction plans (do not need to be printed), a video, and five pages of project photographs. For robots that can be programmed, robot programming information must be included. This information should be placed inside the 10"x13" manila envelope mentioned above. Robot programming information can be, but not limited to, source code, block diagrams, screen captures of the coding window, and other images that show the programming logic used. The exhibitor may enter their Robotics exhibit listed under Electric & Renewable Energy Division-if the exhibitor so chooses. For KSF only, no exhibitor will be allowed to set up their robot in person.
18. In the event that the robot uses a device like a phone, iPad, or tablet for programming AND operation, DO NOT include the device (phone, tablet, etc.). The device's safety cannot be insured. Instead record a video demonstrating the instructions included for your robot. It should show, setting up the robot, starting the robot, the robot executing its task, and powering off the robot, just like the instructions are written.
19. For the Kansas State Fair, the 4-H Member must include a video following their instructions for operation.
 - a. Videos with an accompanying release form signed by the exhibitor's parent or guardian may be displayed at the KSF in the Engineering & Technology exhibit area.
 - b. The video must not be more than 8 minutes long and should be included on the USB drive.
 - c. For county fairs with consultation judging, it is recommended the video elements be waived in favor of talking with the exhibitor.
20. Creativity, workmanship, and functionality will be strong criteria in judging the "Robot designed by Exhibitor" classes. All robots should have a purpose or intended function, examples include, but are not limited to: following a line, sweeping the floor, solving a rubix cube, sorting colors, or climbing stairs.
21. Exhibitor's name(s) and district must be tagged or labeled in a prominent location on the robot such as on the bottom of the robot, exhibit cards are not an acceptable form of labeling.

22. There are no county or district boundaries that must be adhered to in order to form a Kansas 4-H Engineering & Technology Robotics team. However, as mentioned in the general rules, each team member must be currently enrolled in the Kansas 4-H Engineering & Technology project.
23. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit at the judges discretion, will receive a participation ribbon.

Scoresheets, Forms, and Contest Study Materials:

- [Robotics Scoresheet](#)

Resources:

- Project Area – [Robotics](#)

CLASSES

DIVISION A – Junior – Ages 7 to 8 years – County Only

- 01 Robot made from a commercial (purchased) kit. (No programming just assembly)
- 02 Robot designed and constructed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 03 Programmable robot made from a commercial (purchased) kit.
- 04 Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote controlled device
- 05 Junk Drawer Robotics

Intermediate Division (Ages 9 – 13 years)

- 5509 Robot made from a commercial (purchased) kit (no programming, just assembly).
- 5510 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 5511 Programmable robot made from a commercial (purchased) kit.
- 5546 Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote-controlled device.
- 5544 Junk Drawer Robotics.

Senior Division (Age 14 years and older)

- 5313 Robot made from a commercial (purchased) kit (no programming just assembly).
- 5514 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 5515 Programmable robot made from a commercial (purchased) kit.
- 5547 Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote-controlled device.
- 5545 Junk Drawer Robotics.

Division D – Team Robotics Project

- 5517 Robot designed and constructed by two or more 4-H Robotics project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H Robotics members. As with many high-tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

Educational Exhibits Rules

1. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
2. Exhibits are to have a clear link to the Engineering and Technology area of Robotics.
3. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <http://robotics.engtech4ks.com/>.
4. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
5. Educational displays are not to exceed 4' high x 3' wide x 2' deep. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand conditions at the local fair and/or Kansas State Fair.
6. Posters are limited to commercial 3' x 4' tri-fold display boards.
7. "Construction kits" that are a part of Educational Displays must be contained in cases (tackle boxes, sealable containers, etc.), that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits." Other components are to adhere to appropriate dimensions as stated elsewhere.
8. Educational Project Notebooks must be organized in a 3-ring binder.
9. Any three-dimensional posters or display board exhibits may not be thicker than 2 inches.
10. Exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.
11. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit

- d. Be something you are interested in
12. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
13. Posters, Notebooks, and Display Boards may be checked out for use in a Kansas State Fair 4-H Demonstration or Illustrated Talk with prior permission. For permission, check with the superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk, or the exhibit will be disqualified.

CLASSES

Robotics – Junior Division (Ages 7-8) – County Only

- 5768 Team Robotics Educational Poster

DIVISION 33 - 4-H SMALL ENGINES

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

1. Read GENERAL RULES.
2. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
3. All items must be entered Tuesday prior to the fair during the designated times.
4. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
5. Judging will be held on Thursday with the other 4-H Engineering & Technology Divisions which will begin at 12:00 p.m.
6. All exhibits should involve engines smaller than 20 horsepower. Engine should contain no fuel in tank or carburetor.
7. Each Small Engines exhibit must include a “4-H Small Engines Information Form,” which is available at the Extension Office or at <http://smallengines/engtech4ks.com/>. This form must be attached to the outside of a 10” x 13” manilla envelope. For notebooks, display boards, and posters, no additional information is required and no manilla envelope is needed for these exhibits.
8. Items that have been in use should be cleaned for exhibit.
9. A sheet of operating instructions must be included in the packet for any exhibit that is not self-explanatory.
10. All exhibits in this division are limited in size to standard tri-fold display boards (3’ x 4’) and items may not extend beyond 24” from the back board. All displays must be self-standing.

Resources:

- Project Area – [Small Engines](#)
- [Small Engines Scoresheet](#)

CLASSES

- 4610 Display: Exhibit a display, selecting one of the following options:
1. A display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; OR
 2. A display identifying and explaining the function(s) of different special tools needed for small engine work; OR
 3. A display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, or chainsaws are permitted for display. Maximum tri-fold size is 3’ x 4’
- 4611 Maintenance: Exhibit a display that illustrates either:
1. Routine maintenance procedures; OR
 2. Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitting for display, using a maximum tri-fold size of 3’ x 4’
- 4612 Operation: Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size is 3’ x 4’. Engine should contain no fuel in tank or carburetor.

- EDUCATIONAL DISPLAY EXHIBIT -

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22” x 28”), or other display (not bigger than a standard 3’ x 4’ tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3’ x 4’ table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

[Display Comment Card](#)

CLASSES

- 01 Educational Display Exhibit

DIVISION 34 - 4-H UNCREWED AIRCRAFT SYSTEMS

Superintendent(s) – Mark Hennes

Assistant Superintendent(s) – Luke Bagby, Bradley Pfannenstiel, Eian Pracht

Purpose: The 4-H Uncrewed Aircraft Systems or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Uncrewed Aircraft Vehicles (UAVs) or drones. Members explore the uses and applications of Uncrewed Aerial Systems including how UASs link to other projects such as Geology, Robotics, Electric & Renewable Energy, Agronomy and many more.

1. Read GENERAL RULES.
2. Must be enrolled in specific 4-H project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Thursday with the other 4-H Engineering & Technology Divisions which will begin at 12:00 p.m.
7. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year and have been selected at the county level for entry at the State Fair.
8. The information that accompanies the UAS must be limited to the 4-H Engineering & Technology Exhibit Information Form which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the UAS. This may be downloaded from <http://uas.engtech4ks.com/>. Any UAS exhibit not including this completed envelope will receive an automatic participation ribbon. All revisions of forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
9. For the Kansas State Fair, the 4-H Member must include a video of the youth operating their UAS.
 - a. Videos with an accompanying release form signed by the exhibitor's parent or guardian may be displayed at the KSF in the Engineering & Technology exhibit area.
 - b. The video must not be more than 8 minutes long and should be included on the USB drive.
 - c. For county fairs with consultation judging, it is recommended the video elements be waived in favor of talking with the exhibitor.
10. Exhibitor's name, county or district, age, and years(s) in project must be tagged or labeled on the exhibit, educational display, notebook, and/or poster.
11. Uncrewed Aircraft Systems that include or depict weaponry of any kind will be disqualified.
12. For scratch built UAS kits, if modifications are made to the exhibit a page should be attached noting those modifications.
13. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judges' description, will receive a participation ribbon.
14. For practical application entries, the UAS is not required to be displayed as part of the exhibit, only the supporting material.
15. The same UAS may be used by multiple exhibitors for different practical application entries.

Scoresheets, Forms, and Contest Study Materials:

- [Uncrewed Aircraft Systems Scoresheet](#)

Resources:

- Project Area – [Uncrewed Aircraft System](#)

CLASSES

Junior, 7-8 years old – County Only

- 01 Uncrewed Aircraft System designed and constructed by exhibitor that is operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- 02 Practical application of an Uncrewed Aircraft System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Intermediate Division (Ages 9 – 13 years)

- 5701 Uncrewed Aircraft System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- 5702 Practical application of an Uncrewed Aircraft System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Senior Division (Ages 14 and older)

- 5706 Uncrewed Aircraft System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- 5707 Practical application of an Uncrewed Aircraft System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would

be appropriate for this class.

Educational Exhibits Rules

1. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
2. Exhibits are to have a clear link to the Engineering and Technology area of Uncrewed Aerial Systems.
3. Exhibits in posters, notebooks, and display boards must contain substantial supporting educational materials.
4. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <http://uas.engtech4ks.com/>.
5. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
6. Educational displays are not to exceed 4' high x 3' wide x 2' deep. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand conditions at the local fair and/or Kansas State Fair.
7. Posters are limited to commercial 3' x 4' tri-fold display boards.
8. "Construction kits" that are a part of Educational Displays must be contained in cases (tackle boxes, sealable containers, etc.), that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits." Other components are to adhere to appropriate dimensions as stated elsewhere.
9. Educational Project Notebooks must be organized in a 3-ring binder.
10. Any three-dimensional posters or display board exhibits may not be thicker than 2 inches.
11. Exhibitor's name, Extension Unit, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.
12. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
13. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
14. Posters, Notebooks, and Display Boards may be checked out for use in a Kansas State Fair 4-H Demonstration or Illustrated Talk with prior permission. For permission, check with the superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk, or the exhibit will be disqualified.

Classes

Uncrewed Aircraft System – Junior Division (Ages 7-8) – County Only

- 03 Uncrewed Aircraft System Educational Poster
- 04 Uncrewed Aircraft System Educational Display
- 05 Uncrewed Aircraft System Educational Notebook

Uncrewed Aircraft System – Intermediate Division (Ages 9-13)

- 5781 Uncrewed Aircraft System Educational Poster
- 5782 Uncrewed Aircraft System Display Board
- 5783 Uncrewed Aircraft System Notebook

Uncrewed Aerial System – Senior Division (Ages 14 years and older)

- 5786 Uncrewed Aircraft System Educational Poster
- 5787 Uncrewed Aircraft System Display Board
- 5788 Uncrewed Aircraft System Notebook

DIVISION 35 - 4-H WOODWORKING

Superintendent(s) – Beth Ade

Assistant Superintendent(s) – Caroline Stone

1. Read GENERAL RULES.
2. Must be enrolled in the Woodworking Project to exhibit.
3. Please describe your exhibit including dimensions in the online pre-entry form. Floor space will be provided for large exhibits. Please be sure to give accurate dimensions in your pre-entry to ensure we will have secured a space for the exhibit.
4. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
5. All items must be entered Tuesday prior to the fair during the designated times.
6. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
7. Judging will be held on Thursday at 8:30 a.m.
8. Each exhibitor is limited to a total of 3 entries.
9. All entries must be a product of current 4-H year.
10. In order to enter an exhibit that was made in school, one exhibit must also be entered as not made in school (i.e., at home). This would mean a 4-H member must have two exhibits in this division in order to enter an item that was made in school. If this rule is not met, the exhibit entered will be automatically deducted one ribbon placing.
11. The entry card must indicate if the item was made in school or not made in school.
12. The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step-by-step instructions is NOT a plan.
13. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon.)
14. The entry card, plans, and all other paperwork should be enclosed in a zip top plastic bag with a hole punched through it and tied or otherwise secured to the project in some manner. Tape is usually not adequate to accomplish this.
15. Refinished/repainted furniture should be considered in Interior Design and Architecture, Self-Determined, or possibly Visual Arts Divisions, but should not be entered in the Woodworking Division.
16. The use of materials other than wood should be kept to a minimum.
17. **NEW IN 2025** – Projects with “fractal burning” are NOT ALLOWED in any 4-H Youth Development Department Divisions (Example: electrical burning to make black linework on artwork.) This is in agreement with the American association of Woodturners (AAW).
18. Unfinished projects such as sticky finish may be rejected by superintendent’s decision
19. Firearms and weapons are not to be entered or displayed.
20. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
21. Extra pieces that go with your woodworking project (i.e. bean bags to go with a cornhole set, building blocks to go with a play table, etc.) may not be displayed with your exhibit at the county fair, and should not be submitted with the project if it goes to the Kansas State Fair.
22. In judging woodwork articles consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.
23. Exhibits Eligible for State Fair: Projects made from pre-cut kits are not allowed.

Scoresheets:

- Woodworking Scoresheet

Resources:

- Project Area - Woodworking

CLASSES

- 01 Any item made from a pre-cut kit (County Only)
- 4700 Article for farm or shop use
- 4701 Furniture for household or lawn use
- 4702 Other woodwork. Articles not included in above classes. Examples: bird houses, bird feeders, household equipment such as knife racks, bread boards, door stops, etc.

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22” x 28”), or other display (not bigger than a standard 3’ x 4’ tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3’ x 4’ table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

02 Educational Display Exhibit

DIVISION 36 - 4-H CIVIC ENGAGEMENT

Superintendent(s) – Michelle Coats

Assistant Superintendent(s) – Paxton Chamberlin, Maia

1. Read GENERAL RULES.
2. Must be enrolled in the Civic Engagement project to exhibit.
3. Please describe your exhibit including dimensions (i.e., tri-fold display, poster, etc.) in the online pre-entry form.
4. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
5. All items must be entered Tuesday prior to the fair during the designated times.
6. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
7. Judging will be held on Thursday at 8:00 a.m.
8. Only 1 entry per class for Educational Display Exhibits.
9. All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.
10. An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.
11. 4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in education display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.
12. Educational Display Exhibits are County Only.

CLASSES

01 Educational Display Exhibit

DIVISION 41 - 4-H GEOLOGY

Superintendent(s) – Sarah Nunemaker

Assistant Superintendent(s) – Eian Pracht

1. Read GENERAL RULES.
2. Must be enrolled in Geology Project to exhibit in Geology or Lapidary classes.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
5. All items must be entered Tuesday prior to the fair during the designated times.
6. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
7. Judging will be held on Wednesday at 10:00 a.m.
8. Conference judging is between judge and 4-H Member only.
9. Exhibit boxes must be 18"x24"x3 1/2" with required Plexiglas cover. Boxes with glass covers WILL NOT be accepted. All specimens are to be arranged across the narrow (18") dimensions of the exhibit box making the exhibit 18" across the top and 24" deep. If box has sliding Plexiglas cover, it must be removable from the top. Screws, locks or other devices that would prevent judges from removing glass cover should not be used. For Lapidary classes 5300-5304 only, the dimensions of the box should be appropriate for the display, but should not exceed 18"x24"x3 1/2".
10. Each exhibitor is required to identify each display box by placing an identification label bearing name, county/district, and number of specimens in the upper left-hand corner of the Plexiglas cover (inside), and by attaching a label with the same information to the lower right corner of the box (outside). The inside label is to also indicate the class number.
11. Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first four geology classes (5200, 5201, 5202 or 5203). Exhibitor may also show in geology class 5204 (special exhibit), 5205 Mineralogy, 5206 Fossils, and in one lapidary class.
12. Geology Specimens should be labeled with the number of the specimens, date collected, specimen name or description, and locality (county) where collected.
13. All specimens must be collected in the state of Kansas (only exception in #8) during the current 4-H year, which will be allowed starting on the day after the conclusion of the Kansas State Fair.
14. For the geology classes 5200, 5201, 5202 and 5203, specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus level (if possible or part if Genus cannot be determined). The Genus specimen name is to begin with a capital letter and the whole specimen's name must either be italicized or underline, not both. Species name is not required. However, if a species name is used it must be all lowercase and either italicized or underlined, not both. The words "Phylum, Class, Genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).
15. For geology classes 5200, 5201, 5202, 5203, 5305, and 5206 all specimens must be collected by the participant (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

Scoresheets, Forms, and Contest Study Materials

- [Geology Scoresheet](#)
- [Lapidary Scoresheet](#)

Resources:

- Project Area - [Geology](#)

CLASSES

- 5200 Geology. Display at least 15 rocks, minerals, and fossils collected during the current 4-H year. Exhibitor is limited to one exhibit box. Only for those who are 4-H age 7 or 8, or those who would potentially be exhibiting at State Fair for the first time may enter this class.
- 5201 Geology. Display at least 30 different rocks, minerals, or fossils, at least 5 of each. **Fifteen must be collected during the current 4-H year.** Exhibitor is limited to one exhibit box. This class is open to those exhibiting either second or third time at the Kansas State Fair.
- 5202 Geology. Display at least 45 rocks, minerals, or fossils, at least 5 of each. **Fifteen must be collected during the current 4-H year.** Exhibit limited to two boxes. This class is open to those who would potentially be exhibiting either the fourth or fifth time at the State Fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
- 5203 Geology. Display at least 60 rocks, minerals, or fossils, at least 5 of each. **Fifteen must be collected during the current 4-H year.** Exhibit limited to two boxes. This class is open to those who would potentially be exhibiting their sixth time or more at the State Fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
- 5204 Geology Educational Exhibit: Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Digital formats are accepted. Please make arrangements for the judge to view your exhibit and have a hard copy for display. List your sources used (example – web addresses or books reviewed as a citation list). Exhibit limited to 4 feet of table space. **Care should be taken to use durable materials that will withstand fair conditions.** Exhibitor may show in the class regardless of number of times he or she has exhibited at State Fair or whether exhibitor has entries in classes 5200, 5201, 5202 or 5203. Exhibitor may also exhibit in lapidary class.
- 5205 Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The

member must use one standard display box (see #9). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO_3 for calcite) if known.

- 5206 Paleontology. Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box (see #9). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.) See #14 for additional fossil labeling expectations.
- 5207 Petrology. Display a minimum of 15 rock specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Rocks are to be grouped by the 3 rock classes (Sedimentary, Igneous, and Metamorphic). You must display at least one specimen from each of the three classes. The specimens must fit in one standard display box (see #9). Specimen labels must include a specimen number, the date collected, name of specimen, and the county where collected. All rocks must be identified by the formation and member name (Examples: Fort Hays Limestone, Member of the Niobrara Chalk Formation) or source (Examples: rocky Mountain Outwash, glacial till).

LAPIDARY CLASSES

The lapidary will be judged on the following criteria:

Workmanship and Content	60 points
Presentation and Showmanship	30 points
Accuracy of Information	10 points

The dimensions of the box should be appropriate for the display, but should not exceed 18" x 24" x 3 ½".

The work (polishing/tumbling) must be done by the exhibitor as this is a part of the learning process.

All lapidary specimens should be labeled with the following information:

- Specimen name
- Place of origin (country, state, or county; county required for Kansas specimens)
- Purchased or self-collected
- Date lapidary treatment began
- Date lapidary treatment completed (Treatment completed after the State Fair is considered a new year specimen).

- 5300 Lapidary. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of "before and after," nor do they have to be self-collected. Locales must be identified. Only those potentially exhibiting lapidary at the State Fair for the first time may exhibit in this class.
- 5301 Lapidary. Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H member collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.
- 5302 Lapidary. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H member, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
- 5303 Lapidary. Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H member, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
- 5304 Lapidary. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

Special lapidary exhibits should be entered in class 5304. Please note that each member is limited to one entry in this class.

DIVISION 42 - 4-H SHOOTING SPORTS

Superintendent(s) – Mindy Tillberg

Assistant Superintendent(s) – Eddie Littich, Jake Tillberg

1. Read GENERAL RULES.
2. Must be enrolled in a Shooting Sports discipline to exhibit. Must be enrolled in the specific discipline for Fair Shoots.
3. Sign up for conference judging time on the Sunday before the fair for Classes 6200-6205 (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Wednesday with Wildlife / Forestry / Electric & Renewable Energy which will begin at 10:00 a.m.
7. A member may make up to 3 entries in this division with one entry per class per discipline (i.e., Rifle, Shotgun and/or archery).
8. Exhibits in this division are open to educational displays, promotional posters, or experiential displays. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select durable materials to withstand Fair conditions.
9. Name, district, age and year in project should be in a prominent location on the front of the poster, display, or notebook.
10. National Minimum Standards and Best Practices can be found at <https://4-hshootingsports.org/wp-content/uploads/2024/12/12.13.23-Minimum-Standards-Update.pdf> and must be followed as well as the Kansas 4-H Shooting Sports Handbook (https://bookstore.ksre.edu/pubs/kansas-4-h-shooting-sports-handbook_4h1101.pdf). Exhibits outside these standards will be disqualified.
11. The exhibit size rule will be strictly enforced. Exhibits exceeding the size guidelines will be disqualified. Maximum exhibit size for all exhibits in this division is 4' x 6'. Larger exhibits will be turned away.
12. Educational Display: must be the standard tri-fold board ONLY, must not exceed standard tri-fold: 3' x 4' unless there is a topper that sits on top of the board and does not take up additional table space; no additional table space available for promotional brochures or display items; content not to exceed display board borders.
13. Promotional Posters: must be flat and no larger than 22"x30"; content not to exceed display board borders; Posters may be displayed on wall, divider, or table.
14. Notebooks – no larger than 8 ½ x 11.
15. Exhibits must not display describe, or depict firearms or firearm components that are not allowed by 4-H Shooting Sports National Minimum Standards. No "live" ammunition containing propellant or explosive powders may be used in any display. An inert substitution must be used in lieu of powder and "live ammunition. The substitution must be clearly described on the back of the poster, display, or in a notebook. Please remember that neither the Tri-Rivers Fair, Ottawa County Fair, nor the Central Kansas Extension District, nor the department of 4-H Youth Development, Kansas State University Research and Extension are liable for the loss or damage of any personal property included as part of your display.
16. Exhibits will not be accepted if they are related to reloads.

Scoresheets, Forms, and Contest Study Materials:

- [Educational Display Scoresheet](#)
- [Promotional Poster Scoresheet](#)
- [Notebook Scoresheet](#)
- [Shooting Sports Static Scoresheet](#)

Resources

- Project Area - [Shooting Sports project](#)

CLASSES

Educational/Promotional Classes

- 6200 Educational Display. Must be directly related to the 4-H Shooting Sports Project (standard tri-fold boards only, no larger than 3'x4').
- 6201 Promotional Poster. Must promote 4-H Shooting Sports.
- 6202 Notebook. Contents pertain to some phase, results, story or information about 4-H Shooting Sports.

Experiential Classes

- 6203 Shooting Aid or Accessory – (SF253) – Any item the 4-H member makes which helps the shooter/hunter better perform their sport, examples: rifle sling, kneeling roll, arm guard, shotgun vest, target boxes, shooting stick, etc. Include your design, or plans you adapted, what the item is and used for.
- 6204 Storage Case – (SF254) – Any item the 4-H member makes with the purpose to safely hold a firearm, bow, ammunition, and/or arrows. Examples: soft sided shotgun case, quivers, firearm safe, etc. Include your design, or plans you adapted. Explain how the storage case is used.
- 6205 Practice Game or Activity – (SF255) – Invent or adapt an activity to practice or teach a project skill. Include pictures of youth playing the game, testimonials of 4-H members who played the game, what skill is being worked on, and directions for the game. Explain how you came up with the game or adapted it to fit the needs of your group members.

4-H SHOOTING SPORTS COUNTY FAIR SHOOT RULES

1. To shoot in this match, participants must have completed all safety training, be enrolled in the discipline and have attended at least 50% of the practices for that discipline.
2. The shoot rules will follow state standards.
3. All participants must meet the age requirement for the discipline: Juniors 9-13 years of age; Seniors 14-19 years old. Age is based on 4-H age.
4. **Must be enrolled in specific shooting sports project discipline(s) to compete.**

CLASSES – COUNTY FAIR ONLY

BB Gun

- 04 Junior
- 05 Senior

Shotgun

- 06 Junior
- 07 Senior

Archery

- 08 Junior
- 09 Senior

DIVISION 43 - 4-H WILDLIFE

Superintendent(s) – Mindy Tillberg

Assistant Superintendent(s) – Eddie Littich, Jake Tillberg

1. Read GENERAL RULES.
2. Must be enrolled in the Wildlife project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Wednesday with Electric & Renewable Energy / Forestry / Shootings Sports which will begin at 10:00 a.m.
7. A MEMBER MAY MAKE ONLY ONE ENTRY PER CLASS.
8. Name, county/district, age, and year in the project should be included somewhere on the poster, display, or notebook unless special arrangements are made because of a declined publicity release.
9. Types of exhibits in this division are open educational displays, promotional posters, or experiential displays.
10. Take care to select durable materials to withstand fair conditions. No card table exhibits are allowed.
11. EXHIBITORS MUST COMPLY WITH STATE AND FEDERAL LAWS. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
12. 4-H exhibitors (individuals or groups) should avoid using copyrighted and/or trademarked materials whenever possible by originating own work. Copyrighted and/or trademarked materials used in display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons and premium.
13. Wildlife exhibits that reflect harvesting of wildlife must follow National Minimum Standards and Best Practices: <https://4-hshootingsports.org/wp-content/uploads/2024/10/12.13.23-Minimum-Standards-Update.pdf> and the Kansas 4-H Shooting Sports Handbook found at: https://bookstore.ksre.ksu.edu/pubs/kansas-4-h-shooting-sports-handbook_4H1101.pdf, and the Kansas Fish and Game laws. Exhibits outside these standards will be disqualified.
14. The exhibit size rule will be strictly enforced. Exhibits exceeding the size-guidelines will be disqualified. Maximum exhibit size for all exhibits in this division is 4' x 6'. Larger exhibits will be turned away.
15. Educational Display: must be the standard tri-fold board ONLY and must not exceed standard tri-fold dimensions of 3' x 4' unless there is a topper that sits on top of the board and does not take up additional table space; no additional table space available for promotional brochures or display items; content not to exceed display board borders.
16. Posters: must be flat and no larger than 22" x 30"; content not to exceed display board borders. Exhibits may be displayed on a wall.
17. Notebooks: no larger than 8 1/2" x 11".
18. Exhibits must not display, describe, or depict firearms or firearm components that are not allowed by 4-H Shooting Sports National Minimum Standards.
19. Exhibitors must comply with state and federal laws, county fair management, and/or Kansas State Fair management.
20. No "live" ammunition containing propellant or explosive powders may be used in any display. An inert substitution must be used in lieu of powder and "live" ammunition. The substitution must be clearly described on the back of the poster, display, or in the notebook.
21. The county fair, Extension Office, Kansas State Fair, Department of 4-H Youth Development, or KSRE are not liable for the loss of damage of any personal property included as part of your poster, display, or notebook.
22. Exhibit topics regarding firearm care, handling, and shooting will only be accepted from enrolled 4-H youth in the specific Shooting Sports project (please see Division 42).
23. Exhibits will not be accepted if they are related to reloads.

Resources:

- Project Area - [Wildlife](#)
- [Wildlife Educational Display Scoresheet](#)
- [Wildlife Promotional Display Scoresheet](#)
- [Wildlife Static Exhibit Scoresheet](#)

CLASSES

Display and Notebook Classes

- 5400 Notebook. Contents pertain to some phase, results, story or information about the wildlife project.
- 5401 Promotional Poster. Must be related to something learned in the wildlife project. (Flat poster board or foam board no larger than 22" x 28").
- 5402 Educational Display. Must be directly related to the wildlife project. Maximum tri-fold size is 3' x 4'.

Experiential/Other Classes

- 5403 Fish Harvesting Equipment – (SF168) – Board exhibit. Display of equipment used in fish harvesting. Examples: fishing knots, hooks (with corks over ends for safety), lures. Label all items displayed. Include in your exhibit the following information: the purpose of each item, when or where each item is used.

- 5404 Build a Fishing Rod - (SF169) – A fishing rod educational exhibit may not exceed 96 inches in length. Exhibit must be mounted on a board. Include with the exhibit: explanation of the cost of materials/components and how many numbers of hours required for construction. Label all parts. Necessary components which must be included are grip, line guides (based on manufacturers specifications), guide wraps, and hook keeper. Reel seat needs to be aligned with guides, and guides aligned accurately down rod. Guide wraps of size A to D, nylon or silk thread. Exhibit will be judged on: workmanship, labeling of parts, information, and neatness.
- 5405 Casting Target – (SF170) – Make a casting target for exhibit and use. Target must be under 48” x 48”. The bullseyes must be 2 feet, out band must be 1 foot in diameter and can have up to 3 rings. The exhibit must be easy to store, durable, and weather resistant. Include the purpose and rules of using your casting target.
- 5406 Wildlife Harvesting Equipment - (SF171) – Board Exhibit. Display of equipment used in harvesting wildlife. Examples: expended ammunition casings (no live ammunition permitted), steel traps, hide stretchers, fleshers, etc. For displays of shotguns, rifles, or bows, use drawings or pictures. Label all items displayed: the purpose of each item, when or where it used, and personal experiences with the item.
- 5407 Inventing Wildlife/Fish Harvesting Equipment, Aid or Accessory – (SF168) – Use engineering principles to invent or adapt equipment that helps you harvest fish or wildlife. This could include wildlife calls, adapted fishing pole for shallow water, a blind, decoys, etc. Share your drawing (or adapted plans), how the equipment works, how you tested it, and the results of testing your prototype, and any adjustments you made.
- 5408 Tanned Hides – (SF172) – Exhibit of a wild animal hide properly processed by the member. If not mounted, must be a clear clothing bag with hanger, all field experiences, study, OR observations that relate to the exhibit.
- 5409 Taxidermy – (SF172) – Any legal fish, bird, or other wild animal properly processed by the member. No requirement as to mounting. Include the animal’s name and the following: information about the exhibitor’s personal field experiences, study, OR observations that relate to the exhibit.
- 5410 Wildlife Tracks – (SF158) – Board of diorama-type box exhibit. Make a display of animal tracks using plaster-of-paris casts. There are 3 options. For all options, include a brief description of your experience in making the tracks so the judges better understand what you did and learned. Positive casts (impressions as they would be in nature) are preferred.
- Option 1 – should show plaster-of-paris tracks or five or more kinds of wildlife along with a picture or illustration of each kind of animal; OR
 - Option 2 – should show two or more plaster-of-paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat, and what may eat the animal; OR
 - Option 3 – should show two tracks and include the animal’s habitat needs including preferred food, shelter, water, and space in addition to picture or illustration of the animal.
- 5411 Wildlife Knowledge Check – (SF159) – use electrical circuits, pictures, or other methods of teaching wildlife identification or other wildlife conservation or shooting sports related knowledge. Plan size and shape to fit transportation and display; maximum size 24 x 24 inches.
- 5412 Houses – (SF165) – Make a house for wildlife. Examples: bird house (bluebird, purple martin, wood duck, kestrel, barn owl, etc.) or bat house; no insect houses. Make the house functional so that dimensions, hole size, etc. are appropriate to fit the intended species’ needs. Include the following information:
- 1. The kinds of animal(s) for which the house is intended, and
 - 2. Where and how the house should be located for best use, and
 - 3. Any seasonal maintenance needed, and
 - 4. Any evidence of your personal observations from experiences.
- 5413 Feeders/Waterers – (SF166) – Make a bird bath or feeder. Examples: seed, suet, or nectar feeders. Squirrel feeder okay; no insect feeders. Include the following information:
- 1. The kinds of animal(s) for which the waterer/feeder is intended, and
 - 2. Where and how the waterer/feeder should be located for best use, and
 - 3. Any seasonal maintenance needed, and
 - 4. Any evidence of your personal observations or experiences.

DIVISION 44 - 4-H/FFA AGRONOMY

Superintendent(s) – Lindsey Knopf, Melissa Whelchel

Assistant Superintendent(s) – Andrew Knopf, Charlotte Knopf, Ashley Whelchel, Matthew Whelchel

1. Read GENERAL RULES.
2. Must be enrolled in the Agronomy Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will begin at 9:15 p.m. on Wednesday.
7. Products exhibited in this division must have been grown by the 4-H/FFA member in the current year, with the exception of soybean seed and edible field bean seed.
8. Exhibits should be as mature as possible.
9. Every entry must be identified by hybrid or variety name.
10. All classes calling for a gallon sample may have a 2 ½ - 3-inch diameter cylinder placed in a glass gallon container to reduce the amount of grain to about three quarts. All entry cards should be attached with a rubber band around the neck of the jar.
11. If variety is NOT stated where requested OR samples not tied where requested, ribbon placing will drop one placing.
12. Hay samples should be approximately 15" x 12" x 6". Maximum thickness of 6" and minimum of 5". Hay samples should be tied with a "T". Wrap the twine horizontally around the hay and tie, then wrap vertically and tie.
13. For State Fair, members may enter one exhibit in each category as designated by judge. State Fair age is 9 years old before January 1st of current year.

Scoresheets, Forms, and Contest Study Materials:

- [Horticulture/Agronomy Comment Card](#)
- [4-H & FFA Agronomy Rules and Wheat Variety Plots](#)

Resources:

- Project Area - [Agronomy](#)
- [Youth Participant Handbook, Wheat Variety Plot](#)

CLASSES

- CORN -

- 01 Popcorn (County only)
- 2400 White – Ten Ear Exhibit. Variety or hybrid must be named.
- 2401 Yellow – Ten Ear Exhibit. Variety or hybrid must be named.
- 2425 Corn: Exhibit to consist of one-gallon sample. Variety must be named.

- SORGHUM -

- 2402 Hybrid Grain Sorghum – Ten Head Exhibit. Hybrid must be named.
- 2403 Hybrid Forage Sorghum. Exhibit to consist of the entire plant; no roots. Hybrid must be named. 5" bundle, tied.
- 2404 Other Forage Sorghums. Exhibit to consist of the entire plant; no roots. Variety must be named. 5" bundle, tied.

- WHEAT - 1 GALLON SAMPLE -

- 2405 Soft red winter wheat. Variety or hybrid must be named.
- 2406 Hard Red Winter Wheat. Variety or hybrid must be named.
- 2407 Hard White Wheat. Variety or hybrid must be named.

-SUNFLOWERS-

- 2408 Confectionery heads. 3 heads must be submitted.
- 2409 Confectionery seeds in jar. 3 heads must be submitted.
- 2410 Oil seed heads. 3 heads must be submitted.
- 2411 Oil seeds in jar. 3 heads must be submitted.

-OTHER CROPS-

- 2412 Oats: Exhibit to consist of one-gallon sample. Variety must be named.
- 2413 Barley: Exhibit to consist of one-gallon sample. Variety must be named.
- 2417 Brome Grass Seed: Exhibit to consist of one-gallon sample of seed.
- 2418 Other Tame Grass Seed: Exhibit to consist of one-gallon sample of seed.
- 2421 Edible field beans: Exhibit to consist of one-gallon sample of seed from most recent harvest.
- 2422 Edible field beans: Bundle of five plants (with roots intact) from most recent harvest. (Example – Lentils)
- 2423 Miscellaneous Crops: Exhibit to consist of one gallon sample of seed or 10 heads produced from current project. Variety must be named.
(Example – popcorn)
- 2424 Cotton: Provide 10 open bolls, not 10 plants. Place bolls in a bag that can breathe (not a sealed plastic bag), so mold doesn't develop.

-HAY CROPS-

- 2415 Alfalfa Hay: Exhibit to consist of one flake or slice from a rectangular bale, or a 10-inch section cut from a round bale. The flake or slice should be approximately 6 inches in thickness and tied in two directions. Variety must be named.
- 2416 Native Grass Hay: Ten-inch flake or slice, 6 inches thick and tied in two directions.
- 2426 Cool Season Grass Hay (e.g., fescue, brome, etc.): Ten-inch flake or slice, 6 inches thick and tied in two directions. Variety must be named.

-SOYBEANS-

- 2419 Soybeans: Exhibit to consist of one-gallon sample of seed from most recent harvest. Variety must be named.
- 2420 Soybeans: Bundle of five plants from most recent harvest. Variety must be named.

- WHEAT VARIETY PLOT DISPLAYS -

- 2430 Educational Wheat Display - Booths are to be planned and prepared by members enrolled in the wheat variety plot project. A free standing display must not exceed the overall dimensions of 36" wide x 36" high and 18" deep (measured on the outside). Care should be taken to select durable material that will withstand fair conditions. Display must not require the use of electricity. If booth exceeds overall dimensions, ribbon placing will be dropped one place.
1. Each contestant may enter one display.
 2. These displays will have been planned and prepared ONLY by 4-H/FFA members enrolled in the wheat variety plot project.
 3. All items must be entered Tuesday prior to the fair during the designated times.
 4. Members must include the varieties provided in the display, but may include more varieties, if desired.

Basis for awards:

- I. Educational Value 70%
- Is the main idea of the display specific? Was the title or theme emphasized? Is the idea presented so clearly, so simply, so forcefully, that it will stop the casual observer? Did the display give the observer additional facts in a clear, concise way? For example, varietal differences in wheat, economic gains from adoption of desirable practices, etc.
- II. Quality of Display Material 30%
- Size, style and neatness of lettering. Proportion of models and lettering balanced. Workmanship, including handouts, if used. Charts, models and lettering used effectively to teach ideas. Colorful, artistic, neat and well balanced.

- WEED CONTROL EXHIBIT -

- 2440 Weed Control Exhibit, Exhibit consists of the four items below.
1. Collect, identify, press, mount and label 15 weeds. Try to include their roots, stems, leaves and flowers. Three of the weeds must be noxious weeds preferably found in your local home county. A standard 9" x 12" scrapbook may be obtained in which to permanently mount your weed specimens. Identify the scrapbook with your name and county on the inside front cover.
 2. Prepare a list of weeds mounted, showing common name, scientific name, and where it was found. Place the list in a specially identified section of the scrapbook.
 3. Collect and identify weed seeds found in crop seeds. Mount them for display purposes. Place them in a specifically identified section of the scrapbook.
 4. Write a story on "How We Control Weeds on Our Farm" if you live on a farm. Other members write "How We Control Weeds at Home". The story should be about 300 words in length. It must show definite methods used to control weeds. Place the story in a specially identified section of the scrapbook.

Basis for Awards:

- Mounted weed collection: number of mounted specimens, completeness of individual mounts, correctness of identification and information, and neatness. Include record sheet of weeds.
- Records.....50%
- Weed seed collection and exhibit.....30%
- Story: "How We Control Weeds on Our Farm or Home".....20%

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

Display Comment Card

CLASSES

02 Educational Display Exhibit

DIVISION 45 - 4-H/FFA ENTOMOLOGY

Superintendent(s) – Gayle Pfannenstiel

Assistant Superintendent(s) – Cora Isaacson

1. Read GENERAL RULES.
2. Must be enrolled in the Entomology Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will begin at 9:15 a.m. on Wednesday.
7. Conference judging is between judge and 4-H Member only.
8. Only one entry per class.
9. Resources for exhibiting can be found on the Kansas 4-H Entomology project page.
10. A 4-H member enrolled in the Entomology Project may exhibit in the ENTOMOLOGY COLLECTION, ENTOMOLOGY NOTEBOOK and/or EDUCATIONAL DISPLAY categories. Within each category, there are classes in Beginning, Intermediate or Advanced phases in which they enroll. An Introductory Entomology Collection Class exhibit is encouraged for county fairs (first year members only), but these may not be exhibited at the State fair. See class descriptions within categories for requirements.
11. All entries should be submitted in an 18 x 24 x 3.5-inch wooden display box with a clear plastic top (such as Plexiglas). Boxes can be handmade or purchased as long as they are of the correct size and do not have a glass top. Box instructions and plans.
12. 4-H Members may choose to use one of the two taxonomies:
 - a) As printed in "Insects in Kansas" book or
 - b) As described on www.bugguide.net.
13. Each exhibitor is required to identify each box with two identification labels bearing exhibitor's name, county or district, the collection class 4-H Member is enrolled in and statement of taxonomy used: one label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed lengthwise.
14. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only one adult insect per species can be used in the Collection Boxes and Notebook Classes, unless labeled as male or female and correctly identified. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged by Order in the box, then family where required.
15. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation should be on the second label. Collector's name (or host) on the date/locality label is optional.
The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labels accordingly. Please refer to "Entomology Collection Exhibit Resource" for full details on out-of-state insects in collections.
16. Only specimens of the class Insecta should be included.
17. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
18. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
19. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect display box size, missing paperwork, feet on display boxes, no special project in notebooks, etc.
20. After the first year in Entomology, all 4-H members need to add an 8 ½" x 11" sheet of paper to their collection that states what they did to improve their collections for the current year. This should include how many new insects were added to the display box (please list), how many insects were replaced in the display box (please list), and number of new orders and/or families were added to the display box. Other optional things that could be included are the number of insects caught for the year, number of new Orders added this year, number of talks and/or demonstrations given, activities participated in, leadership roles, etc. This paper should be taped to the upper left corner on the front of your display box.
21. The following insects are listed as Threatened or Endangered by the Fish and Wildlife Service. Because of this, no specimens of the below species may be caught or displayed in insect collections or educational displays. If specimens of these species are included in collections or educational displays, it will be counted as a major violation. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Please refer to www.kansas4-h.org on the Entomology project page for more information.
 - American Burying Beetle (*Nicrophorus americanus*)
 - Monarch Butterfly (*Danaus plexippus*)
 - Eastern Regal Fritillary Butterfly (*Argynnis idalia idalia* or *Speyeria idalia*)
 - Western Regal Fritillary Butterfly (*Argynnis idalia occidentalis* or *Speyeria occidentalis*)
 - Great Spangled Fritillary (*Speyeria Cybele*)
22. A minimum of 10 new specimens must be added and/or replaced each year.

Scoresheets, Forms, and Contest Study Materials:

- Collections Scorecard
- Notebook Scorecard
- Educational Exhibits Scorecard

Resources:

- [Teaming with Insects Curriculum](#)
- [Entomology Collection Exhibit Resource](#)
- [Entomology Collection Notebook Guidelines](#)
- [BugGuide.net](#)
- [Insects in Kansas](#)
- Project Area - [Entomology](#)

COLLECTION CLASSES

- 01 Introductory Entomology Collection-A minimum of 6 orders, including 15 to 30 insects grouped according to order. These collections are to be exhibited in small cardboard or plastic boxes (1 or 2 boxes with a total display area of no more than 130 square inches. Insect names are necessary on individual specimens and date/locality labels are required. Boxes can be homemade by placing a layer of polystyrene foam in the bottom of a shoebox, school box, or storage container. For the exhibit, the boxes should be covered with a piece of plastic wrap or acrylic glass taped across the top of the box. ***This collection is county only.***
- 4900 Beginning I Entomology Collection: Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the-guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first and then they must move up a division.
- 4901 Beginning II Entomology Collection: Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first and then they must move up a division.
- 4903 Intermediate Entomology Collection: Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: (only two will be counted for judging)
- "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera. or
 - "Insects in Kansas Book: 2016 Revised Taxonomy," which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera
- Members can exhibit in this class a maximum of 3 years. A 4-H member must move up if they receive a purple ribbon at the Kansas State Fair.
- 4905 Advanced Entomology Collection: Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

NOTEBOOK CLASSES

General Guidelines

1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. 4-H members who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the introductory phase.
3. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitors name, county or district and class 4-H member is enrolled in and statement of taxonomy used:
 - Option A: "Insects in Kansas" book, or
 - Option B: As described on www.bugguide.net.

The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the Title Page.
4. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
5. Date, common name, full county name and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
6. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
7. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
8. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well on the front of the divider page.
9. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
10. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.
11. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect photo size, missing paperwork, no special project in notebooks, etc.
12. After the first year in Entomology, all 4-H members need to add an 8 ½ by 11-inch sheet of paper to their Photo Collection Notebook that states what they did to improve their notebook for the current year. This should include how many new insect photo pages were added to the Notebook (please list), how many insect photo pages were replaced in the Notebook (please list), and number of new orders and/or families added to the Notebook. Other optional things that could include are number of insects photographed for the year, number of new Orders added this year, number of talks and/or demonstrations given, activities participated in, leadership roles, etc. This paper should be placed right behind the Title Page in your Notebook.
13. A minimum of 10 photo pages of new species must be added and/or replaced each year.

CLASSES

- 02 Pre-Introductory Entomology Notebook: Display in one 3-ring notebook a collection of photos with a minimum of 5 and maximum of 15 insect species representing at least three different orders. Species pages should be grouped according to order. (Notebooks should contain 5 to 6 photos.) 4-H members in their second year of this division need to list on a sheet of paper how many years you have been in this division of the project and what you did this year to improve your project. Place this paper just behind the Title Page in the front of your notebook. ***This notebook is county only.***
- 4907 Introductory Entomology Notebook: Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the general guidelines listed for Notebooks, including the Special project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years.
- 4908 Beginning Entomology Notebook: Display a minimum of 20 and a maximum of 50 insect species representing at least 7 different orders. Follow the general guidelines listed for all Notebooks, including the Special project. Members can exhibit in this class for a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair.
- 4911 Beginning II Entomology Notebook: Display a minimum of 40 and a maximum of 70 insect species representing at least 8 different orders. Follow the general guidelines listed for all Notebooks, including the Special project. Members can exhibit in this class for a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair.
- 4909 Intermediate Entomology Notebook: Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special project. In addition, family identification is required for all insects in any two of the following orders: (only two will be counted for judging)
- "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera, or
 - "Insects in Kansas Book: 2016 Revised Taxonomy" which follows www.bugguide.net – Taxonomy - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera
- Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair.
- 4910 Advanced Entomology Notebook: Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including the Special project. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

EDUCATIONAL DISPLAY CLASSES

General Guidelines

1. Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology Collection or notebook classes above.
2. Follow copyright laws as explained in the General Rules.
3. The exhibit may be, but isn't limited to, original works, digital presentations (must provide printed hardcopy for exhibit purposes for duration of state fair), programs, websites, games, apps, display box, notebook, display or poster which you have made.
4. If the exhibit is a wooden display box, it must be 18 X 24 X 3.5 inches with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22" X 28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3' X 4' tri-fold display board.
5. Name and county/ district must clearly be marked on educational exhibits.
6. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect display box size, missing paperwork, feet on display boxes, no reference for information and/or photos, etc.
7. Refer to Entomology General Rule 14 for information on Threatened and Endangered Species specimens that cannot be displayed in Educational Exhibits.

Monarch Butterfly Educational Display Rules

Monarch Butterflies were officially put on the Endangered Species List on July 21, 2022. Having the scientific name *Danatus plexippus*, this migratory butterfly is well known for its spectacular annual journey of up to 3,000 miles across the Americas. It is now threatened with extinction due to habitat loss and climate change. 4-H members can play a critical role in helping to bring habitat back for the Monarch Butterfly. They can help educate the public on ways to establish food sanctuaries for this butterfly species and help bring them back from the threat of extinction.

1. Exhibits should teach the public about the Monarch Butterfly and/or ways to protect and conserve it. The information could show nectar sources for adult butterflies and food sources for caterpillars, Monarch tagging activities, collection of native milkweed and then packaging it to give to others to plant, a group working together to plant a Monarch friendly garden, etc.
2. 4-H Members may create a poster, notebook, standard size tri-fold, diorama, slide show, or other visual display that shows information on Monarch Butterflies.
3. If a slide show is created, it should be presented on a zip drive along with a printed copy of the presentation.

CLASSES

- 03 Introductory Educational Exhibits: Class for individuals that are exhibiting in the Introductory Collection or Pre-Introductory and Introductory Notebook Classes. If only exhibiting in this category, then ages 7-8. This class is County only.
- 4902 Beginning Educational Exhibit: Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook I or II Classes. If only exhibiting in this category, then ages 9-12.
- 4904 Intermediate Educational Exhibit: Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14.
- 4906 Advanced Educational Exhibit: Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 or older.
- 4920 Beginning Monarch Butterfly Educational Display Class: for 4-H members enrolled in Beginning I or II Entomology
- 4930 Intermediate Monarch Butterfly Educational Display Class: for 4-H members enrolled in Intermediate Entomology
- 4940 Advanced Monarch Butterfly Educational Display Class: for 4-H members enrolled in Advanced Entomology

EDUCATIONAL POSTER CLASSES

General Guidelines

1. Educational posters are a county only class.
2. Educational posters should not be any larger than 22" x 28".
3. Each poster should be labeled with the 4-H Members name and club on the back of the poster. In addition, the entry tag will need to be attached to the back of the poster, lower right-hand corner.
4. The educational poster will be judged on the following criteria:
 - Is the main idea specific?
 - Is the idea presented clearly and simply?
 - Is the poster legible from a distance?
 - Notable knowledge gained/shared?
5. The purpose of the poster is to educate the viewer about a specific area of the 4-H entomology project. The poster should illustrate this idea, be legible from a distance of four feet, and should reflect work performed during the current 4-H year.

CLASSES

- 04 **PRE-INTRODUCTORY EDUCATIONAL POSTER**-A 4-H Member may enroll in this class if enrolled in Pre-Introductory/Introductory Collection/Notebook classes or if age 7-8. Follow the general rules listed for the Educational Posters. ***This poster is county only.***
- 05 **BEGINNING EDUCATIONAL POSTER**-A 4-H Member may enroll in this class if enrolled in Beginning I/II Collection/Notebook classes or if age 9-12. Follow the general rules listed for the Educational Posters. ***This poster is county only.***
- 06 **INTERMEDIATE EDUCATIONAL POSTER**-A 4-H Member may enroll in this class if enrolled in Intermediate Collection/Notebook classes or if age 11-14. Follow the general rules listed for the Educational Posters. ***This poster is county only.***
- 07 **ADVANCED EDUCATIONAL POSTER**-A 4-H Member may enroll in this class if enrolled in introductory stage of Entomology. Follow the general rules listed for the Educational Posters. ***This poster is county only.***

DIVISION 46 - 4-H FORESTRY

Superintendent(s) – Mindy Tillberg

Assistant Superintendent(s) – Eddie Littich, Jake Tillberg

1. Read GENERAL RULES.
2. Must be enrolled in Forestry Project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Wednesday with Wildlife / Vet Science / Electric & Renewable Energy / Shootings Sports which will begin at 10:00 a.m.
7. Each member may enter up to two exhibits in 4-H Forestry but only one entry per class. Participants can exhibit in a collection phase and one other class, 5104-5109, or they may exhibit in any two non-collection classes, 5104-5109.
8. All leaf exhibits are to be mounted on 8 1/2"x11" heavy stock paper and placed in loose leaf binders (Magnetic or adhesive filler sheets for photographic prints or sheet protectors are recommended.). Twigs and fruit collections may be exhibited in whatever manner you choose, (maximum tri fold size is 3' x 4'). Resources for exhibiting are located on the [Kansas 4-H forestry project webpage](#).
9. Name, club, age and year in project should be on front cover or in a prominent location.
10. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) The proper common name as listed in the 4H334, "List of Native Kansas Forest Trees" 2) Scientific Name (Optional in 2025 and required in 2026); 3) Location (city and/or county) where collected; and 4) Date (day, month, year) or (month, day, year) collected.
11. Divide specimens into the following 2 section: Native Kansas Trees and Non-native Trees (<https://www.bookstore.ksre.ksu.edu/pubs/4H334.pdf>)
12. New specimens are those specimens collected during the current 4-H year and cannot be duplicate tree species of previously displayed specimens.
13. Group specimens according to the years collected (ex. "old-previous years" and "new").
14. Variations of varieties do not count as different species or specimens.
15. When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the "old previous" section of the display.
16. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
17. In all leaf collections, exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A "leaflet" is incorrect when displayed as the complete leaf for the tree.
18. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.
19. State Fair: Senior Forester enrolled in Self-Determined can exhibit in Self-Determined Forestry at State Fair.

Resources:

- Project Area – [Forestry](#)
- Tree Identification: "[List of Native Kansas Forest Trees](#)"
- [Forestry Collections Scoresheet](#)
- [Forestry Educational Exhibit Scoresheet](#)

CLASSES

Knowing Trees as Individuals (Leaf Collections)

- 5100 Forestry Collection: (Choose either A or B) Only those exhibiting at the state fair for the first year may enter this class.
- A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
 - B. Exhibit a minimum of 5 native Kansas trees showing leaf, twig and fruit from each species collected.
- 5101 Forestry Collection: (Choose either A or B) This class is open to those exhibiting either for the first or second time at the state fair.
- A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
 - B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.
- 5102 Forestry Collection: (Choose either A or B) This class is open to those exhibiting either for the third or fourth time at the state fair.
- A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
 - B. Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.
- 5103 Forestry Collection: (Choose either A or B) This class is open to those exhibiting the fifth time or more at the state fair.
- A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
 - B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaf, twig and fruit specimens.

How A Tree Grows

- 5104 Notebook: Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.

Tree Appreciation

- 5105 Notebook: Entry may include research or reporting project notebook with no more than 10 pages based on the exhibitor's selected tree. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.

Growing and Protecting Trees

- 5106 Display/Notebook: Entry requires a display, or project notebook, telling about project and pictures before, during, & after planting seedlings, a container tree, or a balled and burlapped tree. Maximum tri-fold size is 3' x 4'.

Tree Culture

- 5107 Display/Notebook: Entry requires a display, or project notebook, showing your project work and includes pictures of before, during and after wood lot improvement. Maximum tri-fold size is 3' x 4'.

How Forests Serve Us

- 5108 Entry may include collected wood samples (all or partial) and essay. Wood sample display to be mounted on poster board or any stiff material no larger than a 3' x 4' tri-fold. Essay should be displayed in a covered binder.

Educational/Creative Exhibit

- 5109 Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3' x 4'. Care should be taken to use durable materials that will withstand State Fair conditions. This is a good class to exhibit an unusual collection.

DIVISION 47 - 4-H/FFA HORTICULTURE & LANDSCAPE DESIGN

Superintendent(s) – Rita Baltzor

Assistant Superintendent(s) – Ariana Baltazor, Paxton Chamberlin, Maria Escobedo-Baltazor, Eddie Littich, JD Mettlen

1. Read GENERAL RULES.
2. Must be enrolled in Horticulture & Landscape Design project to exhibit.
3. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
4. All items must be entered Tuesday prior to the fair during the designated times.
5. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Judging will be held on Wednesday beginning at 9:15 a.m.
7. All horticultural exhibits must be grown by the exhibitor.
8. Members may enter multiple entries in an individual class, provided each entry is a different type. (Example 1: Class 2502 – Medium Vegetable; member may enter tomatoes, peppers and cucumbers under the same class number or Example 2: Class 5600 – Annual Garden Flower; member may enter dahlia, impatiens, marigold, etc. under the same class number.)
9. Secure entry form to plate or container with string or tape. Use a sturdy plate, bowl or container that will support the weight of the produce.
10. For Kansas State Fair:
 - Members may exhibit a total of 4 produce items, according to the number qualified at the county fair, each a different type of produce. Members may enter multiple entries in an individual class, provided each is a different type of produce (vegetable, fruit and/or herb).
 - Members may exhibit a total of 4 floral exhibits, according to the number qualified at the county fair. Members may enter multiple entries in a single class, provided each flower specimen is of a different species.
 - Members earning a purple ribbon at their county fair on an out-of-season vegetable/fruit/herb may substitute another vegetable/fruit/herb in its place at the state fair.
 - All entries must be freestanding, easily moved, and not require any special equipment to display. Hanging entries are not accepted.

Scoresheets:

- [Cut Flower Specimen Comment Card](#)
- [Floral Arrangement Comment Card](#)
- [Horticulture Notebook Comment Card](#)

Resources

- Project Area - [Horticulture](#)
- [Exhibiting Fruits and Vegetables Publication](#)
- [Preparing Cut Flowers for Exhibit](#)

CLASSES

- 2500 Garden Display: Each exhibitor in this class will be limited to four square feet of space. The Garden Display must be exhibited in a tray, basket or container that can be easily moved by the fair staff. Exhibit consists of five different types of fresh vegetables or fruits. Canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited. The numbers of the five types of vegetables or fruits to be exhibited are as follows:
- **Large Vegetables (One Each):** Cabbage, Cantaloupe, Eggplant, Large Pumpkin, Squash, Watermelon
 - **Medium Vegetables (Five Each):** Beets, Carrots, Cucumbers, Decorative Gourds, Potatoes, Miniature Pumpkins, Okra, Onions, Peppers, Radishes, Sweet Potatoes, Tomatoes, Garlic, or other similar sized vegetable
 - **Small Vegetables (Twelve Each):** Green snap beans, wax beans, English peas, cherry and pear tomatoes, or other similar sized vegetables
 - **Small fruits (One half pint box):** Strawberries, blackberries, raspberries, or other similar sized fruits.
 - **Tree fruits (5 each):** Apples, pears, peaches, or similar sized fruits.
 - **Grapes (2 bunches)**
- 2501 Small vegetable specimen plate (12) Ex: green snap beans, yellow wax beans, cherry tomatoes, or other small vegetables.
- 2502 Medium vegetable specimen plate (5) Ex: cucumbers, cherry tomatoes, tomatoes, beets, white onions, yellow onions, red onions, bell peppers, other peppers, okra, parsnips, radishes, turnips, sweet potatoes, red potatoes, white or Russet potatoes, carrots, miniature pumpkin, decorative gourds, garlic, or other medium vegetables.
- 2503 Large vegetable specimen plate (1) Ex: watermelon, summer squash, winter squash, large type pumpkin, eggplant, cabbage, cantaloupe, other large vegetable.
- 2504 Fresh Culinary herbs (6) ex: parsley, basil, dill, etc. Six stems (or a comparable quantity) of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted.
- 2505 Small fruits (one half pint box) Ex. Strawberries, blackberries, raspberries, or other similar sized fruits. (If other, please include name of fruit on entry).
- 2506 Tree fruits (plate of 5) Ex. apples, pears, peaches, or similar sized fruits.
- 2507 Grapes (plate of 2 bunches).

- 5600 Annual Garden Flower, cut specimen, single stem.
 - 5601 Perennial Garden Flower, cut specimen, single stem.
 - 5602 Fresh Flower Arrangement. Flower materials must be grown and/or collected by exhibitor, not purchased.
 - 5603 Dried flower Arrangement, no fabric or plastic material allowed. Materials must be grown/collected by the exhibitor.
 - 5604 Horticulture Notebook. Entry shall consist of a notebook or three ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer's market business, or other horticultural project. 4-H members are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are particularly helpful. Exhibitor may enter one horticulture notebook.
- Horticulture notebook scoring is based on the following criteria:
- Organization and General Appearance (neat, includes title page and table of contents, original, creative, etc.) 20%,
 - Narrative (including goals, successes, failures, etc.) 40%,
 - General Content (subject matter, photos, maps, knowledge gained, etc.) 40%

HOUSE PLANTS (County Only; not Kansas State Fair eligible)

Entries in classes 01 and 02 must be exhibited by 4-H members enrolled in Horticulture & Landscape Design project. Plants must be in pots or hanging baskets (plastic, ceramic, or other material) with or without blooms that would commonly be found in or around the home.

CLASSES

- 01 Potted Plants
- 02 Hanging Basket

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. Copyrighted and/or trademarked materials used in educational display or posters for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.

Only 1 entry per class for Educational Display Exhibits.

An Educational Display Exhibit can be a poster (not larger than 22" x 28"), or other display (not bigger than a standard 3' x 4' tri-fold display) showing and describing something learned, a project activity done, service project, etc. Should relate to things done in the project in which the member is enrolled.

All Educational Display Exhibits will be limited to no larger than 3' x 4' table space.

Educational Display Exhibits are County Only.

Entries will be judged during the judging time for this Division, but all Educational Display Exhibits must be brought to the 4-H Building during exhibit check-in.

Scoresheets:

Display Comment Card

CLASSES

- 03 Educational Display Exhibit

DIVISION 48 - 4-H BANNERS

Superintendent(s) – Mindy Tillberg

Assistant Superintendent(s) – Ty Tillberg

1. Read GENERAL RULES.
2. County Fair Only
3. Pre-entry is due online by established deadline.
4. Check-in Banners by 3:00 p.m. on Tuesday before the fair.
5. Judging will begin at 1:00 p.m. on Friday.
6. Each 4-H Club who decides to enter a banner, will be expected to illustrate or demonstrate 4-H or promote 4-H on the banner. Special attention should be given to the fair theme. Banners will be available for pick up after the 4-H Awards Ceremony on Sunday at the fair.
7. If two clubs with membership under 25 wish to combine efforts to construct a banner special permission may be obtained through 4-H Extension Agent.

- BANNERS -

1. Each banner should illustrate a phase of 4-H work which is being practiced by youth in 4-H or promote 4-H generally.
2. A short written description of the banner's development and relationship to the fair theme must accompany the banner. The description should be turned in to the superintendent(s) at check-in.
3. The club display should avoid using copyrighted and/or trademarked materials whenever possible by originating own work. Copyrighted and/or trademarked materials used in banners for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premiums.
4. Banners should be made of non-flammable materials that permit the banner to be folded or rolled without damaging the display. Three-dimensional objects may not be attached to the banner.
5. Banners should illustrate a phase of 4-H work that is being practiced by 4-H members or promote 4-H generally.
6. Banners should be no larger than 4' x 3' and should be landscape NOT portrait.

7. Banners must be hung on a rod strong enough to support the banner. **On each end of the rod, there must be a chain 6-inches long. On the other end of the 6" chain, attach an "S" hook which will permit the banner to be suspended by the chains on the wire in the 4-H Building. Banners mounted any other way will be docked one ribbon placing and will not be displayed.**
8. A label is to be attached to the front lower left-hand corner (as you face it) of the banner giving the name of the club. Letters should be 2" in height.

CLASSES

01 4-H Banner

DIVISION 50 - 4-H CLOVERBUDS

Superintendent(s) – Stephanie Mettlen

Assistant Superintendent(s) – Maria Escobedo-Baltazor, Parker Page

1. Read GENERAL RULES.
2. Must be enrolled as a Cloverbud by May 1 to exhibit. Cloverbuds must be age 5 or 6 by January 1 of the current year to participate in this program.
3. ALL Cloverbud entries must be entered in the Cloverbud Division. (For example, a Cloverbud craft must be entered in the 4-H Cloverbud Division and NOT in the 4-H Visual Arts Division).
4. Cloverbuds will sign up for a time to show and share their item(s) with a 4-H teen or “judge.” Sign up for conference judging time on the Sunday before the fair (see fair schedule
5. Show and share times will begin at 9:00 a.m. on Friday.
6. All items must be entered Tuesday prior to the fair during the designated times.
7. Cloverbuds may exhibit age-appropriate activity related items from their 4-H Cloverbud experiences.
8. A Cloverbud may showcase a maximum of three items.
9. Cloverbuds may showcase a product, poster or notebook for the display.
10. Cloverbuds will receive participation ribbons only, no premiums, and will not be judged.
11. Cloverbuds are not eligible to show livestock in 4-H division.
12. ALL CLASSES ARE COUNTY ONLY.
13. Cloverbuds will have a special opportunity to participate in a Cloverbud Showcase Parade at the beginning of the Awards Ceremony. To participate, please plan to meet by the stage in the 4-H Building at 3:45 p.m.

CLASSES

01 4-H Cloverbuds

DIVISION 51 - 4-H CO₂ CARS

Superintendent(s) – Scott Schoenfeld

Assistant Superintendent(s) – Oscar Page, Porter Riese

1. Read GENERAL RULES.
2. Must be enrolled in the CO₂ Cars project to exhibit.
3. All items must be entered Tuesday prior to the fair during the designated times.
4. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
5. If items are not checked in during the designated times, or 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
6. Total entries 3 cars per 4-H member. Each 4-H Member may make one additional car for judging only. This car doesn't need to be built to racing specifications. Each 4-H Member can race a total of 2 cars (2 short cars, 2 long cars, or 1 long and 1 short car).
7. Kit must be purchased from the Extension Office.
8. Cars must be built by exhibitor. Three age divisions: 7-9 yr. olds; 10-12 yr. olds; 13 yr. and older. Two classes for each age division: Over 8-1/2 inches and 8-1/2 inches and under.
9. All parts of the kit must be used, with no substituting of parts not included in the kit.
10. At least 1/4 inch of material must remain on all sides of the CO₂ Cartridge (including front).
11. No shortening of CO₂ hole. Hole needs to be 2 inches deep.
12. Axle holes cannot be drilled in the 1/4 inch of material left around CO₂ hole.
13. Leave at least 1 3/4 inches of solid material around girth between front and rear axles.
14. Front and rear wheels cannot be cut or sanded down smaller.
15. Eyelets are not required for judging (can be put on the day of racing).
16. If car does not meet specifications above, it can still be judged for workmanship, but not raced.
17. Please consult Fair Schedule for the race day/time.
18. No modifications may be made to any car if the judge has ruled it unfit to race.
19. Cars will be allowed to continue racing until judge rules them unsafe.
20. First and second place cars of any division in previous years must be retired and never raced again in competition.
21. ALL CLASSES ARE COUNTY ONLY.

CLASSES

- 01 CO₂ Car Short
- 02 CO₂ Car Long

- EDUCATIONAL DISPLAY EXHIBIT –

4-H Exhibitors should avoid using copyrighted and/or trademarked materials whenever possible by originating their own work. DIVISION 52 - 4-H FASHION REVUE

Superintendent(s) – Mary Bernhardt

Assistant Superintendent(s) – Monica Baltazor, Maria Escobedo-Baltazor, Hensli Lofdahl, Caroline Stone, Jake Tillberg, Ty Tillberg

1. Read GENERAL RULES.
2. 4-H Members must be enrolled in: Sewing & Textile Design to exhibit in classes 01, 6005, 6000, and 03; Shopping in Style for classes 02, 6020, and 6010.
3. All items will be judged beginning at 1:00 p.m. on Sunday, July 27, 2025 (First Christian Church location). Judging times will be assigned based off of the pre-entries. *Once a member has checked in, they are not to leave the building.*
4. The Public Revue will be held at 7:00 p.m., Sunday, July 27, 2025 at the First Christian Church.
5. Purchased articles must be entered at the fair on Tuesday prior to the fair during the designated times. If items are not checked in during the designated times, or 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits. PLEASE NOTE: do not bring accessories or purchased items worn with garments.
6. Bring garments to fair (this includes only the garments and not the accessories).
 - a. Garments must be entered at the fair on the Tuesday before the fair in the 4-H Building. See #12 above for details.
 - b. Garments must be brought on hanger(s) for display (use skirt hangers for skirts and pants).
 - c. One article per hanger (do not hang a jacket, shirt and pants on one hanger).
 - d. Each garment or article exhibited must be labeled with 3" x 2 1/2" cloth label (name and club) and attached with safety pin or sewn in.
 - e. No plastic bags.
7. Constructed articles will be judged on Wednesday. Refer to Division 24 - 4-H Sewing & Textile Design for details.
8. Garments entered in this division MAY NOT be checked out at any point in time during the fair (i.e., King & Queen contest, etc.).
9. One entry per class.
10. Script cards must be typed and turned in the day of judging, 15 minutes before scheduled judging time, with a word limit of 75 words. Scripts should be 4-6 sentences in length and should be written exactly as you want it read during the Public Revue. Please avoid using the last name of the exhibitor in the script. 90% of the written script should describe the outfit being modeled and could include descriptors such as fabric, colors, accessories, where you will wear the outfit, what you like best about the outfit, etc. 10% of the script could include information about your hobbies or other information about yourself.
11. 4-H Members must complete a Fashion Revue Evaluation Sheet for each garment they will model and present the sheet to the judge. The link for this form can be found under Scoresheets, Forms, and Contest Study Materials below or by clicking here (page 1 is cost per wear and page 2 is the scorecard evaluation).
12. A color photo is required for all age level participants for each class entered. This can be on regular paper vs. photo paper. Intermediates and senior division participants will need to insert their photo in the cost per wear form where indicated.
13. The intermediate and senior division participants are required to have the cost per wear form completed for judging. The link for this form can be found under Scoresheets, Forms, and Contest Study Materials below or by clicking here (page 1 is cost per wear and page 2 is the scorecard evaluation). A photo is required on the cost per wear form. Be sure to download and save the document before filling it out.
14. Intermediate and senior division participants will be required to model all garments entered in this division at the 4-H Public Revue.
15. Members must participate in the Public Revue to receive prizes and awards.
16. Constructed Garments – Majority of the outfit must be constructed and modeled by the 4-H member who made the garment / outfit. No additional models allowed (i.e., friends, animals, etc.). Everything which is commonly considered an outer garment must be constructed (vest, jacket, dress, skirt, pants, coat, etc.). A sweater, blouse or shirt worn underneath another constructed garment can be purchased or made.
17. No one other than the 4-H member enrolled in the project will model a garment (i.e., no additional people, pets, etc.).

DIVISION 53 - FFA AGRICULTURAL MECHANICS PROJECTS DIVISIONS

Read GENERAL RULES.

CLASSES

- 01 Large Machinery and Equipment (more than \$1,500 construction cost JUSTIFIED IN BILL OF MATERIAL). Ex: Goose neck Livestock Trailer, Straight Tongue Livestock Trailer, Single Axle Trailer (8 ft. or longer), Grain Trailer, Round Bale Trailer, Subsoiler, Car Trailer.
- 02 Intermediate Machinery and Equipment (\$500 to \$1,500 construction cost JUSTIFIED IN BILL OF MATERIALS). Ex: Working Facilities Box Scrapers, Blades Hydraulic Press, Hydraulic Lifts Trailer, Cherry Pickers Squeeze Shoot, Pickup Flat Beds, Hydraulic Hoist, Log Splitter.
- 03 Small Machinery and Equipment (Under \$500 construction cost JUSTIFIED IN BILL OF MATERIAL). Ex: Engine Stands, Picnic Tables, Two Wheel Trailer, Car Ramp, Feed Bunk Gates, Clipping Shoots.
- 04 Micro Project class (under \$100 for ornamental and/or recreational items.)
- 05 Team Placing's Chapter exhibits in Class 2 must come from Class 1.
- 06 Tractor Repair (Ex: Tractor Repair)
- 07 Machinery Repair (Ex: Projects that have been rebuilt should remain as the original piece of equipment.)
- 08 Tractor Troubleshooting.

DIVISION 54 - 4-H NOTEBOOKS

Superintendent(s) – Mindy Tillberg

Assistant Superintendent(s) – Ty Tillberg

1. Read GENERAL RULES.
2. Sign up for conference judging time on the Sunday before the fair (see fair schedule).
3. All items must be entered Tuesday prior to the fair during the designated times.
4. If items are not checked in during the designated times, 4-H members have not signed up for a judging time during the appropriate timeframe, will result in the loss of one ribbon placing for exhibits.
5. Judging will be held on Friday at 1:00 p.m.
6. Class 02 premiums will be awarded to club.
7. If submitting a notebook with multiple years, only the current year will be judged. Please make sure the years are adequately marked.
8. The officer completing the notebook should include a personal note about themselves and their experiences in completing the officer notebook.
9. ALL CLASSES ARE COUNTY ONLY.

DIVISION 55 - 4-H/FFA ROUND ROBIN SHOWMANSHIP

Superintendent(s) –

Assistant Superintendent(s) – Anna Karber

1. Read GENERAL RULES.
2. Showmanship contest for Beef, Sheep, Swine, Dairy Cattle, Meat Goats, and Horse exhibitors. Champion and Reserve species winners may participate.
3. 4-H/FFA members who qualify for Round Robin should sign-up with the 4-H Agent and/or Superintendent(s) as soon as they know what specie they will be showing.
4. If a 4-H/FFA member is a Champion or Reserve Champion in showmanship in more than one specie, they must choose which specie they will show. The individual next in line (based on the placing of the showmanship contest) will replace them in the specie and will show with the animal they qualified with. Failure to follow this rule will result in disqualification.
5. Superintendents in the species that qualify for this contest (i.e., Beef, Sheep, etc.) are to assist with the same species in Round Robin.
6. Showmanship based on quality of grooming of each showman's own animal, plus their ability to show all species.
7. The 4-H/FFA member will show the specie they qualified with in the last round and the score will be included in their final score.
8. Members qualifying need to learn how to show other species before contest.
9. 4-H/FFA member will rotate from one specie group every 6 to 8 minutes.
Judging Scale is as follows:
3-4 = poor 8-9 = good
5-7 = average 10 = excellent
10. Halfway through showing of each species, contestants will change animals so each person shows both animals within their age group. When showing horses, contestants will switch animals upon completion of the pattern. No pattern will be completed when showing the second horse.
11. In the case of a tie, the lowest score will be evaluated and the individual with the highest low score will be ranked above the other, regardless of specie.
12. A 4-H/FFA member can compete every year in their age category for the Champion/Reserve awards, regardless of the award received in the previous year. However, if they win "overall," they are ineligible to win the "overall round robin award" again until they move into a new age category.

CLASSES

- | | |
|----|---|
| 01 | Senior (14 years of age and older, 4-H age) |
| 02 | Intermediate (10-13 years of age, 4-H age) |
| 03 | Junior (7-9 years of age, 4-H age) |
