

How To Use Flipgrid For Participants

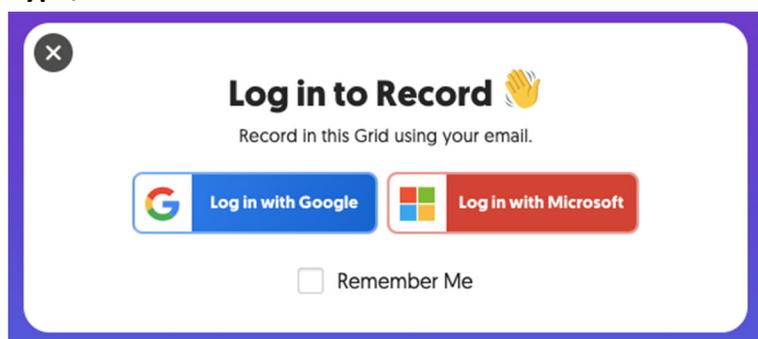

1. Before you begin, please look back at your email for what you will need.
2. Go to www.flipgrid.com
 - Enter the code provided into this box and then click the arrow on the right side.

3. After you enter the code it should take you to page similar to the one shown below.
 - Click on the green circle button to upload your entry.

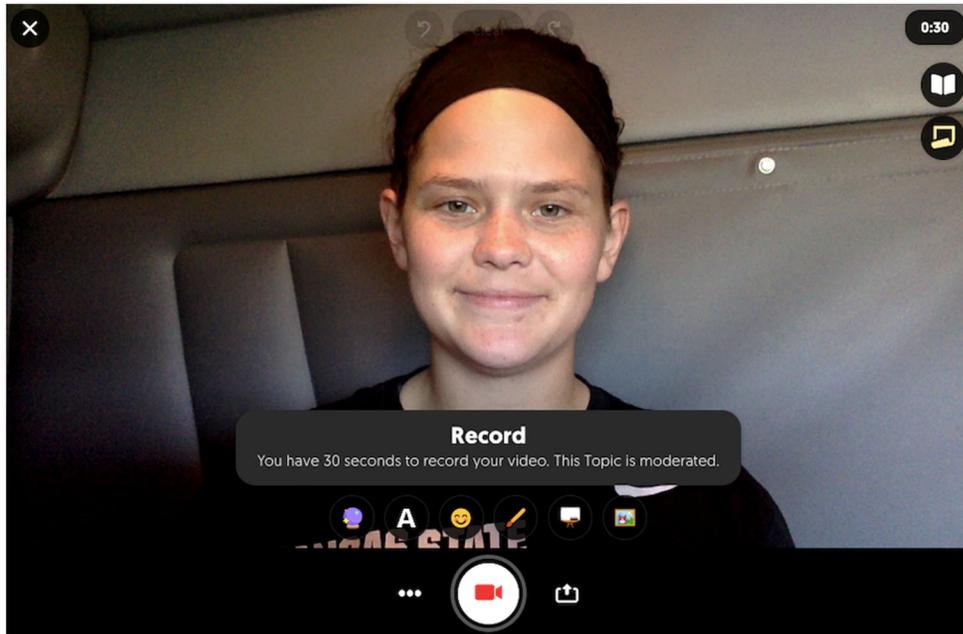

4. Log in with either a Microsoft or Google email account. Ask a parent which email to use.
 - Microsoft compatible accounts include Outlook.com, Hotmail, MSN, Office, OneDrive, Skype, Xbox and Windows.

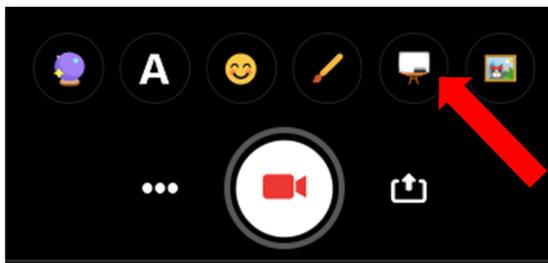

5. After logging into Flipgrid, a screen like the one below will appear.

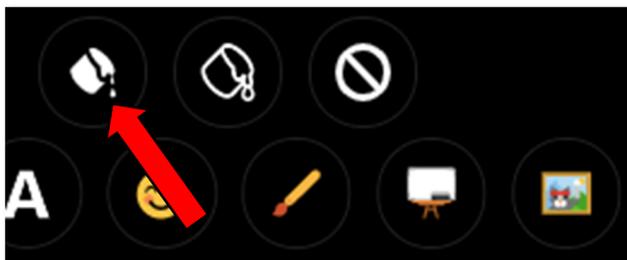

- At the bottom of the screen you will see 6 buttons.

- First click the button that looks like a white board stand (2nd one from the right).

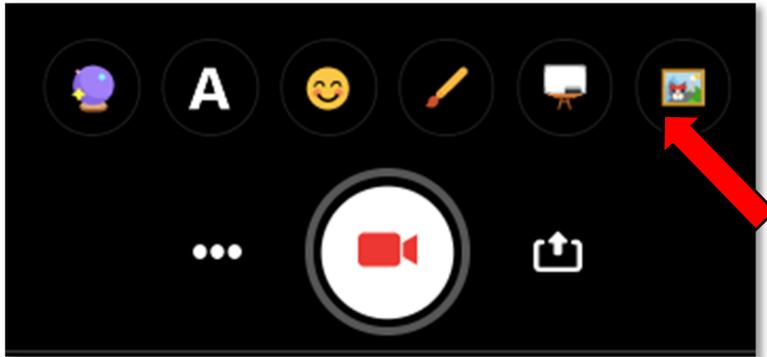

- At the next step choose a white background.

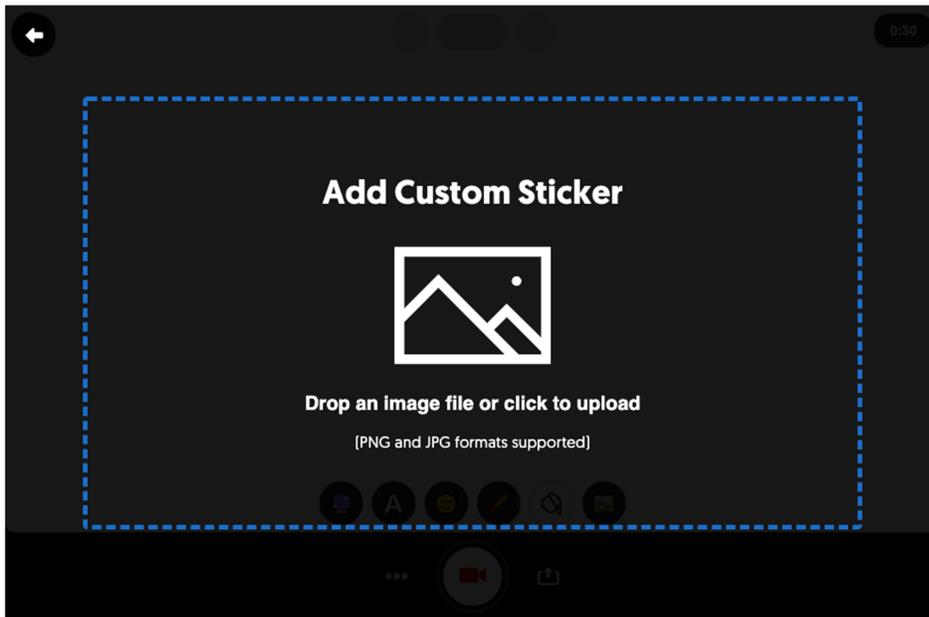

6. Now click on the photo button (farthest one to the right). You will have to repeat this step for each photo.

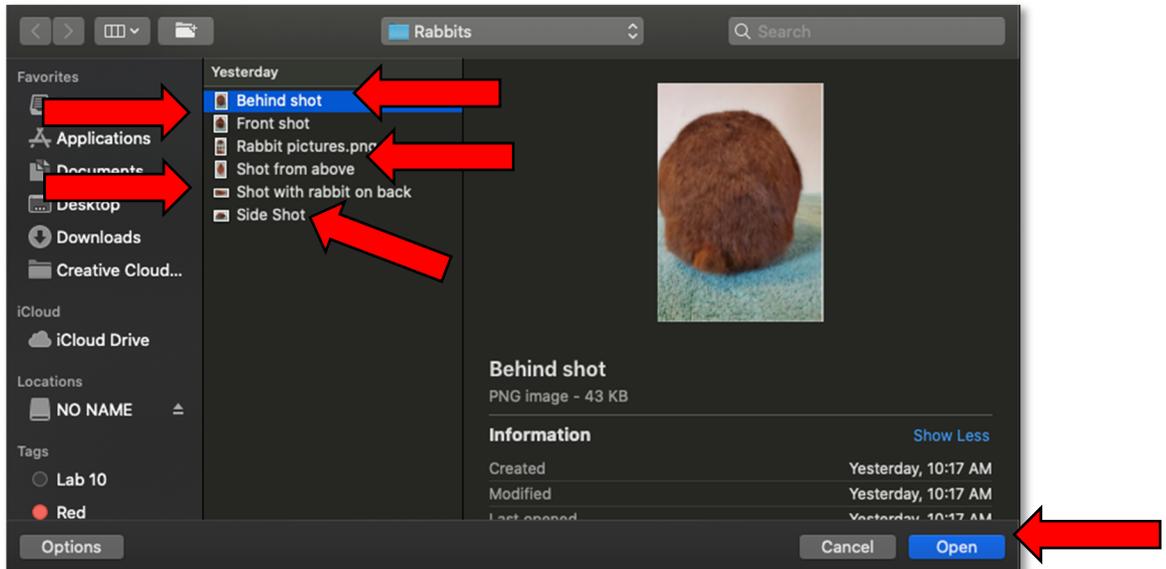

- Upload all 5 photos here. The photos don't need to be uploaded in a certain order.

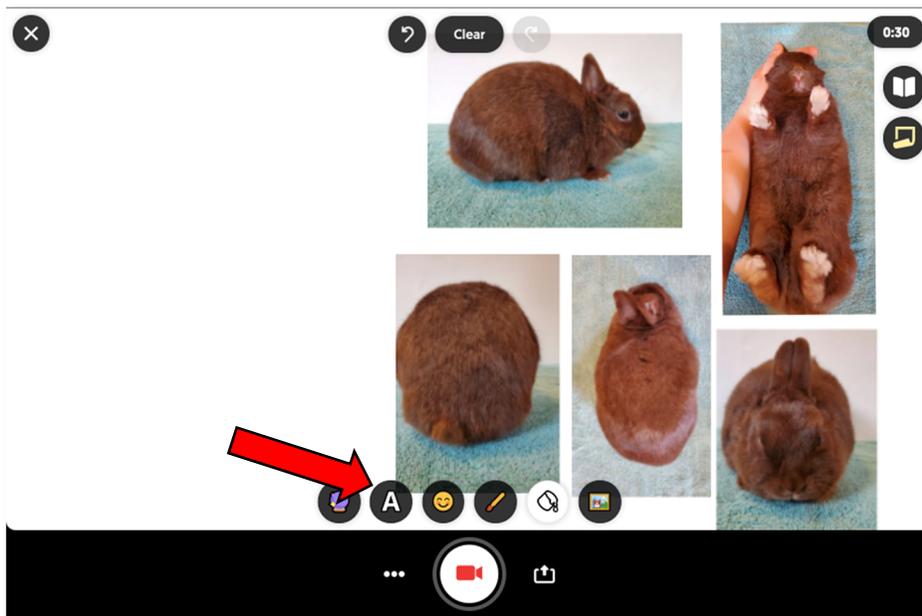

- You can drag and drop the images or click on the screen to upload from your files.

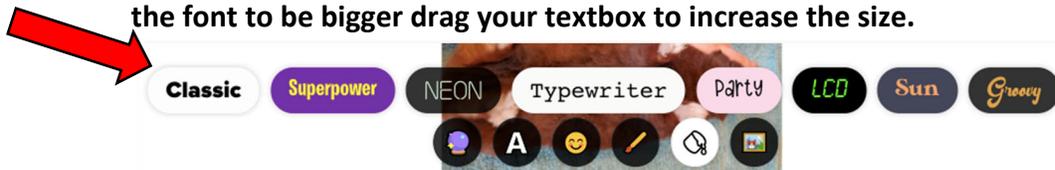

7. Upload each photo one by one. Photos don't need to be placed in a certain order but need to include behind shot, front shot, shot from above, shot with rabbit on back, and side shot.

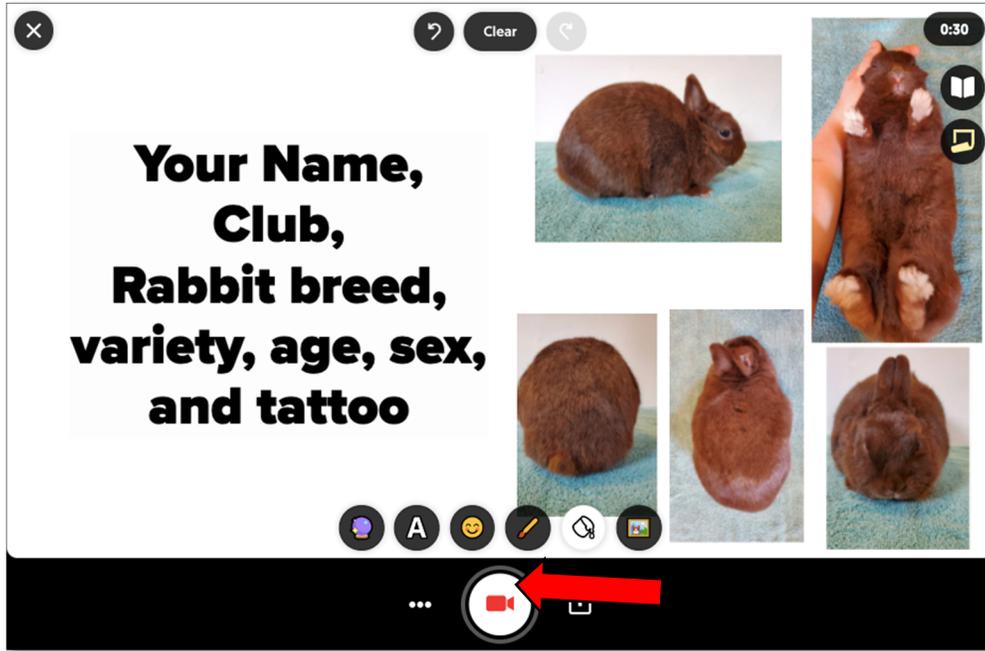

8. Resize your photos so they are big and clear for the judge to see but leave room on the screen for your information (Step 8). *Photos don't need to be placed in a certain order.
- After uploading your photos click the button that has the letter A to insert text onto your entry.

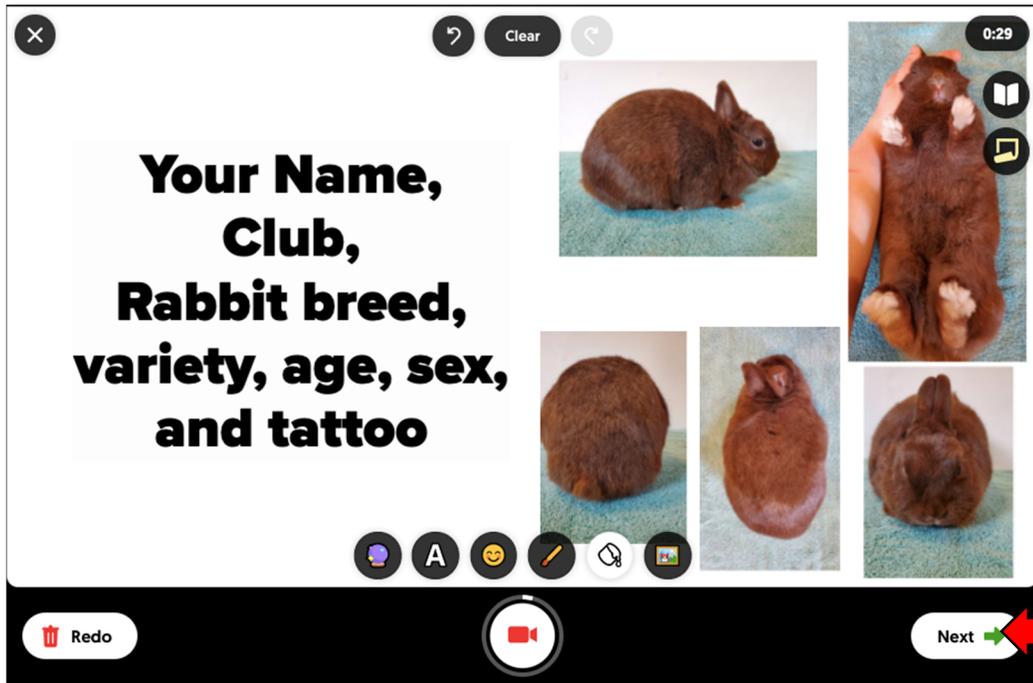

- After clicking the button, you will be asked to select a font. Click on classic. If you need the font to be bigger drag your textbox to increase the size.

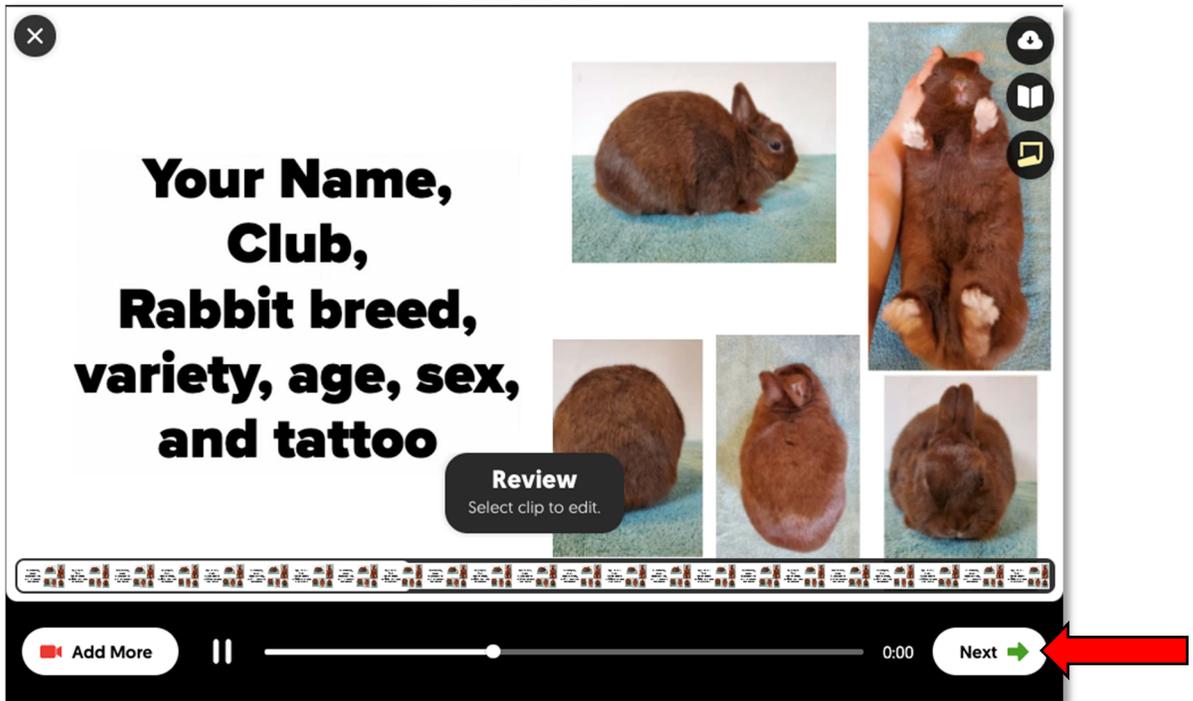

9. Insert the text needed for that entry. After adding the text, click on the record button to get a one second video of this screen.

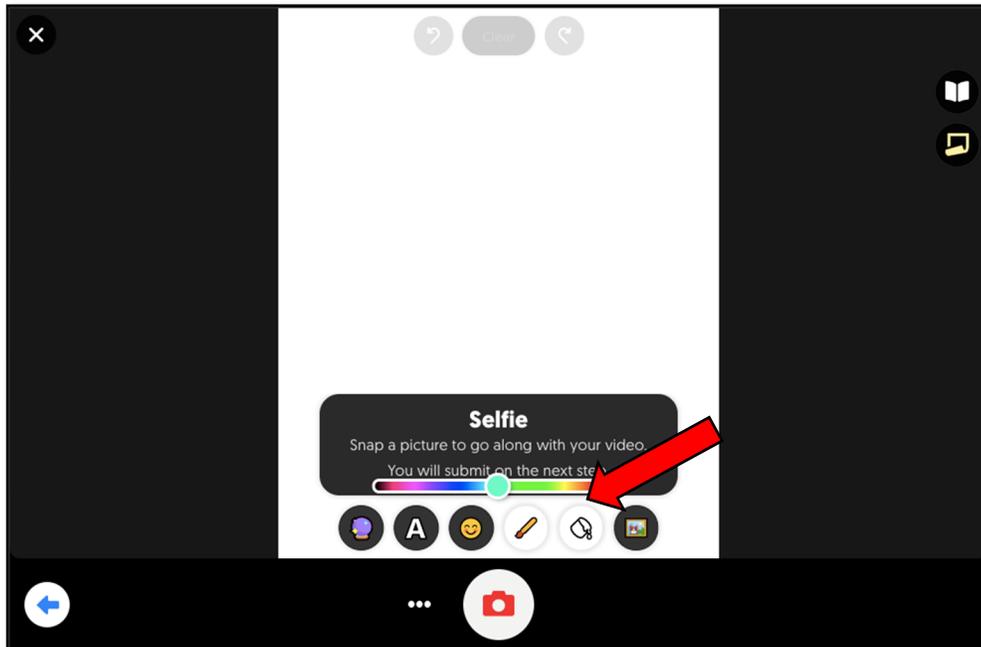

- Click the next button.

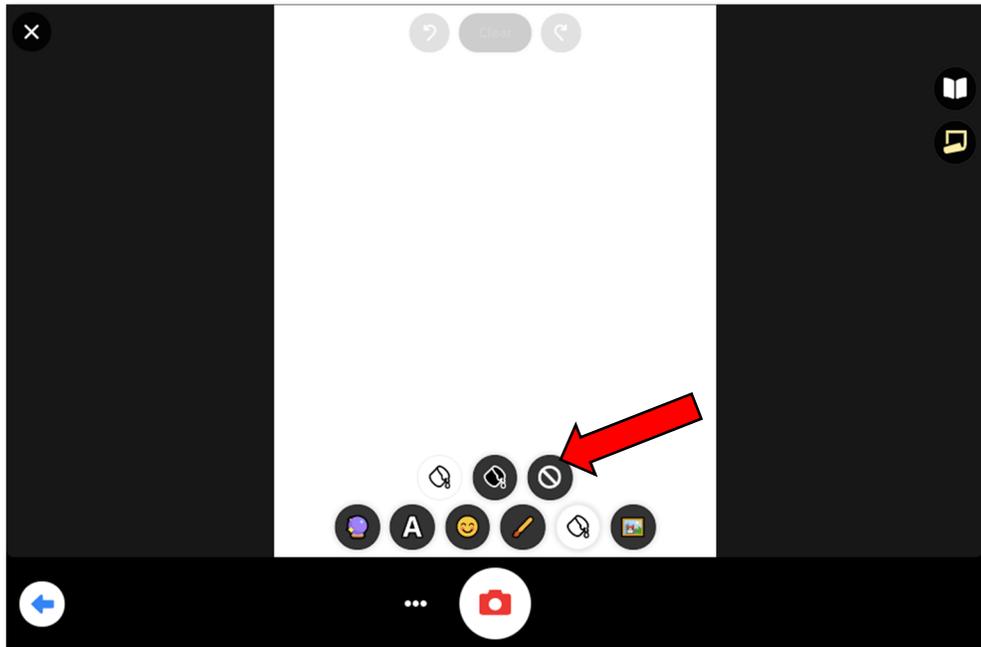

10. Check out your short video and then click the next button to continue.

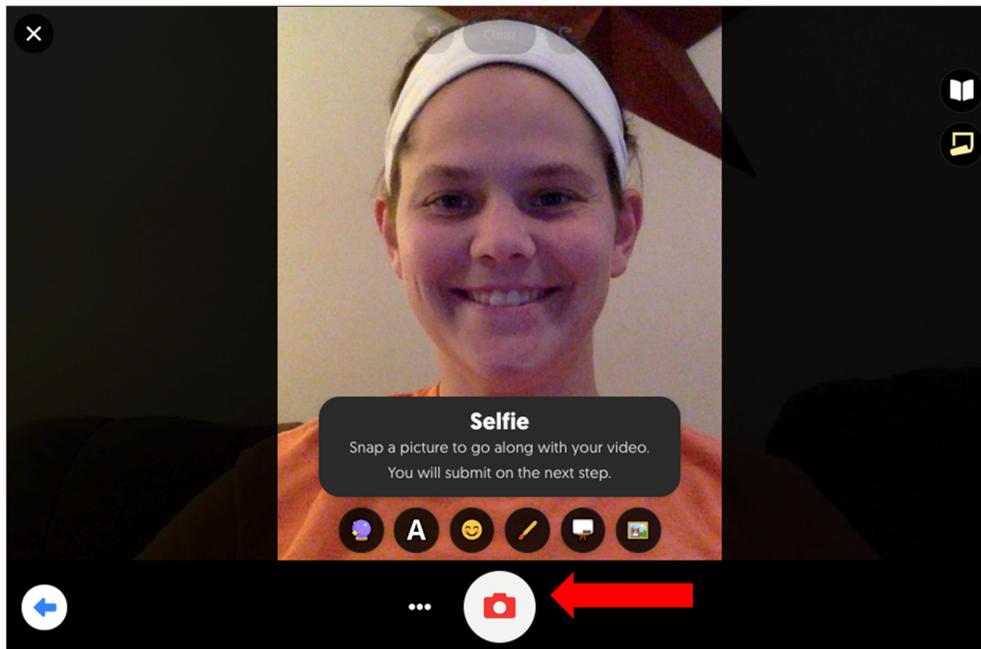

11. You'll be prompted to include a selfie with your entry. You will have to take off the whiteboard before you take the photo.

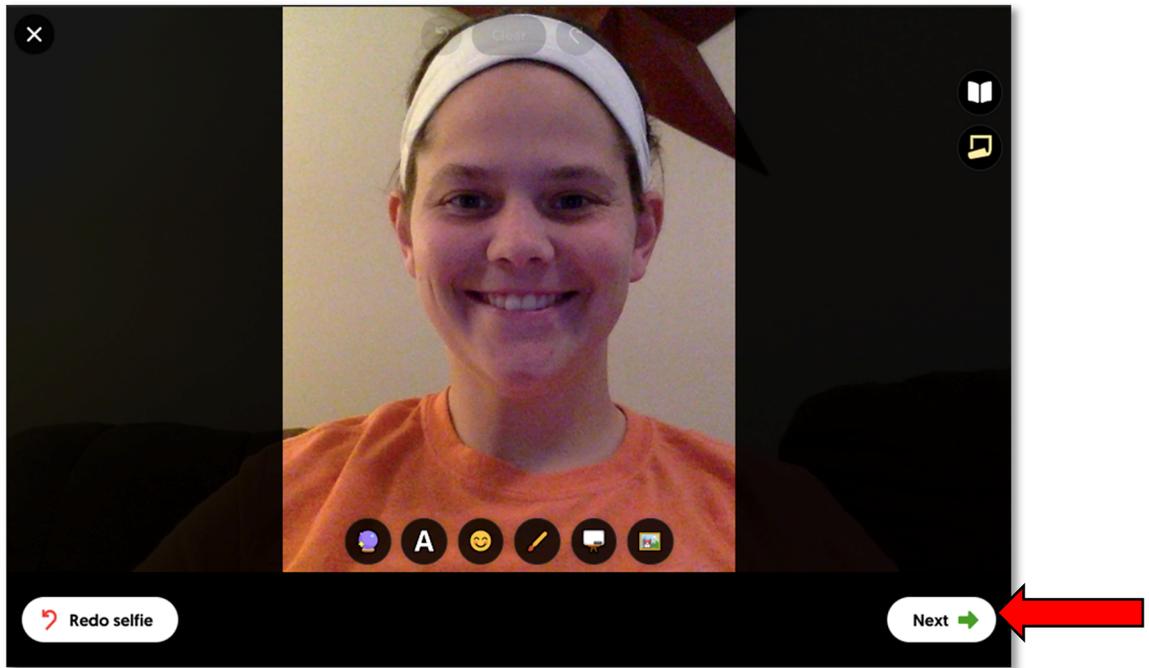

12. Please include a photo of yourself. Click the camera at the bottom to take a photo.

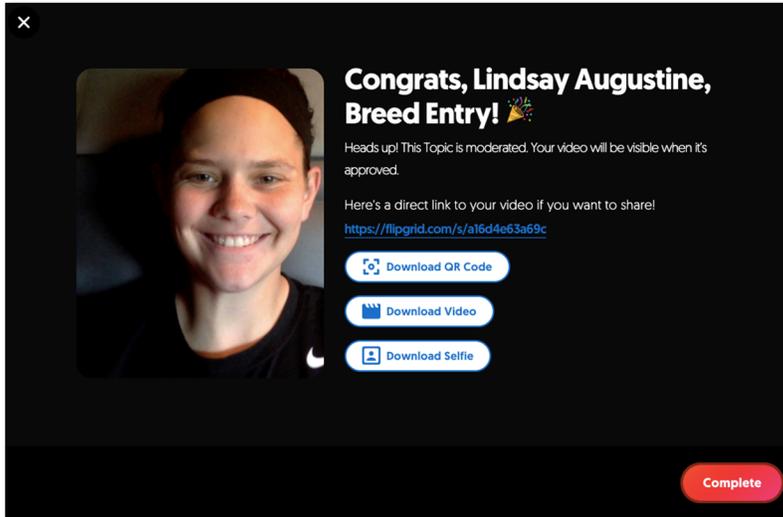

13. Click the next button.

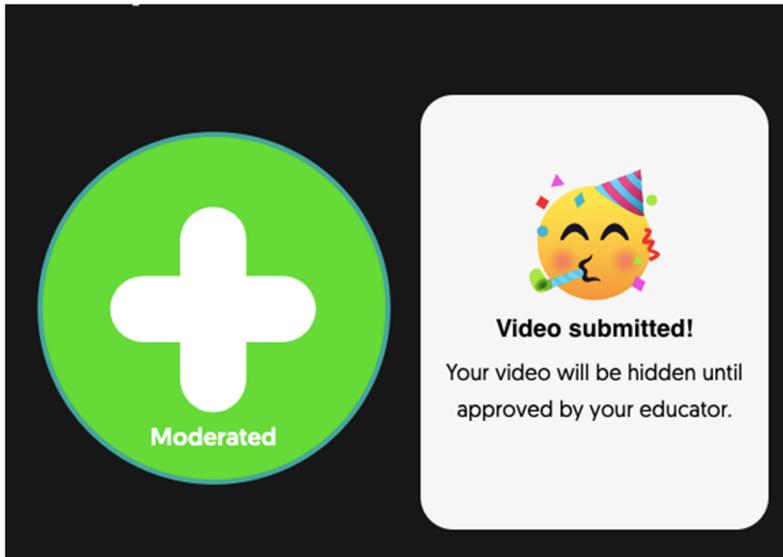

14. When submitting your picture fill in all of the blanks with your First Name and Last Initial and your club name. Then under the title box insert your rabbit breed info.

A screenshot of a 'Submit your video' form. On the left is a video thumbnail of the same woman. The form has three input fields: 'Display Name' with the text 'Lindsay Augustine, Breed Entry', 'Title' with the placeholder '[insert rabbit breed info]' and a character count '26 / 80', and 'Link' with the placeholder 'Link (optional)'. At the bottom right is a red 'Submit Video' button. A red arrow points to the 'Submit Video' button.

15. Click complete to finish submitting!

16. CONGRATULATIONS! You have submitted your entry!

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Accommodations for persons with disabilities may be requested by contacting the event contact (Sarah Maass) by July 31, 2020 at (785-309-5850 or semaass@ksu.edu). Requests received after this date will be honored when it is feasible to do so.
