Central Kansas District 4-H
Apparel/Print/Digital/Merchandise
Approval Form

Kansas 4-H co-branding is required on ALL 4-H print, digital, apparel and merchandise.

This requirement applies to all designs created at the local, county, district, region, and state levels. The co-branding is available in both a vertical and horizontal format, as well as in color and black and white. To successfully market our services and programs, we must be consistent with the use of our co-branding on all items that we design and create.

Local vendors need to be a K-State licensed vendor when printing the KSE/4-H Co-Branding.

The purpose of this form is for the 4-H Club or Group to have their design approved before printing to ensure the proper use of the 4-H clover and university wordmark.

Email the 4-H Staff to receive the electronic version of the most current wordmark.

Return this form, the full color design, and any necessary attachments to either Extension Office. Electronic submission is accepted through the Qualtrics survey link on the CKD website. Please allow at least 10 business days for the design to be reviewed. If edits need to be made, the individual listed below is the one who will be contacted.
