Request for Club Program

Sarah, Kate, and the 4-H PDC members are ready to visit your 4-H club! Please note which of the following programs you would like for them to present. If there is another program you would like presented, please list it on the “other” line and contact Sarah with details. 

You will be contacted by email with the date individuals will be able to come and visit.

PROGRAM OPPORTUNITIES:

☐ KAP & Records Training – If your club would like to have their own training on the KAP and Record Books, this is the program for you. This training will be 1 to 1 ½ hours long. You may need to schedule a special meeting for this training. Minimum of 7 participants please.

☐ The 4-H Bridge – This activity will focus on your club strengths identified by the members themselves. The members will then build a bridge of club strengths. This activity focuses on strengths but also the importance of teamwork within the club. (20 minutes)

☐ The Lego® Challenge – Leadership is the focus of this activity. Teamwork, communication, and cooperation, are some of the life skills that will have to be used to accomplish the task at hand. (15-20 minutes)

☐ The Clover Plan – Do you know what your 4-H’ers want to get out of being a member of your 4-H club? What community service ideas do they have? This activity will be a great way for you as leaders to know what your 4-H’ers really want to do. (15-20 minutes)

☐ What can I do at 4-H Club Day? – There is something for everyone to participate in at 4-H Club Day from public presentations, talent categories, community service projects, etc. Would you like help informing your 4-H club members what they can do at 4-H Club Day? Let us know and we would love to help reinforce what you are already telling your members and parents about 4-H Club Day. This program would need to be presented in December or January. (20 minutes)

Club        Avg. # of 4-H’ers per meeting

Contact Person      Phone

Please list the times, dates, and location of your first three (3) choices for the club visit. Visits will occur between January and April of the current 4-H year.
