

Engenia (dicamba) Training

BASF has scheduled another Engenia training meeting on February 7th 2019 at the Saline County Expo Center in Salina, KS. This will immediately follow the KSU Sorghum School that runs from 8:30-1:30pm that day. Please register for the Engenia training at the attached link and use the listed password:

<https://www.eventbrite.com/e/engenia-training-tickets-54717840534>

Password: Engenia2019

If you are planning on attending the KSU sorghum school earlier that day, you will need to register for it at (<http://bit.ly/KSUSorghum>) or by calling the Saline county extension office at: 785-309-5850.

Also as a note, starting sometime the first part of February (no specific date yet) there will be online training available for those that wish to complete the Engenia training via the computer.
