CENTRAL KANSAS EXTENSION DISTRICT NEWS

centralkansas.ksu.edu

December 2020

Upcoming Events

December

- 10 Virtual Pasture Management Program
- 11 Cattle Marketing and Tax Program

Extension Office Closed for Holiday

Central Kansas District Office will be closed for the holidays from December 24th through January 1st.

We hope you all have a safe and healthy holiday. See you in 2021!

K-State Research and Extension

Upcoming Calving Schools

A series of KSU Calving Schools has been planned for January 2021 in anticipation of calving season. The program will outline overall calving management that includes stages of the normal calving process as well as tips to handle difficult calving situations. The goals of the event are to increase knowledge, practical skills and the number of live calves born if they need assistance.

Dates and locations for the 2021 calving schools include:

- January 6 – Emporia, KS
- January 11 – Winfield, KS
- January 13 – Blue Rapids, KS
- January 21 – Dodge City, KS

Watch www.KSUBeef.org for more details and registration information.

Pasture Management including Weed control and ID

Thursday, December 10, 2020

3:00 p.m. to 4:00 p.m.

Virtual (ONLINE) with YouTube

Join us ONLINE to learn about pasture management practices along with grazing strategies as well as weed identification and control recommendations with K-State Research and Extension agronomists!

Due to the increase of Covid-19 cases throughout Kansas, the meeting will be “virtual learning” with YouTube LIVE. There will be an opportunity to ask questions.

Topics include:

- Pasture management practices
- Grazing strategies
- Weed identification and control

NO COST or RSVP is required, simply go to Central KS www.centrankansas.k-state.edu/livestock or contact the Extension office in Minneapolis at 785-392-2147. A link connection will then be emailed to you. A LIVE YouTube connection will also be available at the Cottonwood Extension District Facebook page at www.cottonwood.ksu.edu. If you have further questions, contact any Extension Office in Central KS, Cottonwood, Midway, Post Rock or River Valley Districts.

The following program is a collaboration with K-State Research and Extension Districts:
Central KS, Cottonwood, Midway, Post Rock and River Valley.

Kansas State University is committed to making its services, activities and programs accessible to all participants. If you have special requirements due to a physical, vision, or hearing disability, contact Justine Henderson at 785-392-2147. **Kansas State University Agricultural Experiment Station and Cooperative Extension Service.** K-State Research and Extension is an equal opportunity provider and employer.

Cattle Marketing & Tax Program

Tuesday, December 15th
7:00 p.m.

Free Online Program

Topics and Speakers Include:

Glynn Tonsor, Agriculture Economic Professor at Kansas State, will be discussing marketing calves at fall weaning and wintering them for the spring market.

Clay Simons, Executive Agriculture Economist for KFMA, will be discussing end of year tax planning.

There will also be time for questions for each presenter.

Signup now at:
www.bit.ly/ksucattle

Due to COVID, this program is only available online. There will be time for interaction with the speakers, so bring your questions that relate to the topics.

NO COST to join the meeting. Signup for the meeting now at www.bit.ly/ksucattle and we will send you a link to join the meeting. If you need help joining the meeting or have further questions, contact any your local agent:

Justine Henderson, Central KS, 785-392-2147

Alicia Boor, Cottonwood, 620-793-1910

Clint Laflin, Midway, 785-483-3157

Sandra Wick, Post Rock, 785-282-6823

Brett Melton, River Valley, 785-243-8185
