Are you interested in food preservation? Do you need to brush up on current food preservation methods?

Come join us for this hands-on workshop to learn about pressure canning, waterbath canning, dehydration and freezing your food harvest!

Central Kansas
District

INSTRUCTOR:
KAREN BLAKESLEE, M.S.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means of communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact Lisa Newman two weeks prior to the start of the event at (785-392-2147 or lnnewman@ksu.edu). Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English proficient individuals upon request.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service
K-State Research and Extension is an equal opportunity provider and employer.
