

Medicare Open Enrollment Assistance

Fall 2022

Beneficiaries must bring:

- Medicare card
- List of prescription medications including dosage and frequency
- Power of Attorney if comparing plans for someone else

Open Enrollment Period October 15 – December 7

- This is the period of time to review your prescription drug plan (Part D) or Medicare Advantage plan and make changes for 2023.
- Carefully review the Annual Notice of Change you received in the mail.
- You do not have to make changes for 2023, but you may be able to save money by doing so.
- If you do nothing, you will continue in your current plan unless that plan will not be offered next year.
- Any changes you make will take place on January 1.
- Free, unbiased, confidential assistance by a Certified SHICK Counselor is available locally to shop and compare plans if you have questions or need help.
- SHICK Counselors can help you understand costs and coverage, compare options, and enroll in or change plans.
